

The background of the slide is a reproduction of a painting depicting the 18 Brumaire coup of 1799. It shows Napoleon Bonaparte in the center, wearing a dark military uniform with a white sash and a bicorne hat with a plume. He is surrounded by other figures in period military attire, including a man in a brown coat on the left and another in a red coat on the right. The scene is set in a grand, classical-style interior with large columns and a high ceiling. The overall color palette is dominated by warm, earthy tones like browns, reds, and oranges.

The Eighteenth Brumaire of Louis Bonaparte A pedantic supercilious notion is extensively abroad among us that we are an Anglo Saxon nation and an equally pedantic supercilious habit causes many to look to England for inspiration as from a racial birthplace Nevertheless for weal or for woe there is no such thing extant as Anglo Saxon of all nations said to be Anglo Saxon in the United States least What we still have from England much as appearances may seem to point the other way is not of our bone and marrow so to speak but rather partakes of the nature of importations We are no more English on account of them than we are Chinese because we all drink tea Of all European nations France is the one to which we come nearest Besides its republican form of government the directness of its history the unity of its actions the sharpness that marks its internal development are all characteristics that find their parallel here best and vice versa In all essentials the study of modern French history particularly when sketched by such a master hand as Marx is the most valuable one for the acquisition of that historic social and biologic insight that our country stands particularly in need of and that will be inestimable during the approaching critical days About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
