**The Eighth Night of Creation** Jérôme Deshusses, 1982      **The Unfortunate Importance of Beauty** Amanda Filipacchi, 2015-02-09 A sure comic touch smart and sweet a tribute to the pleasures of friendship The New Yorker In the heart of New York City a group of artistic friends struggles with society's standards of beauty At the center are Barb and Lily two women at opposite ends of the beauty spectrum but with the same problem each fears she will never find a love that can overcome her looks Barb a stunningly beautiful costume designer makes herself ugly in hopes of finding true love Meanwhile her friend Lily a brilliantly talented but plain looking musician goes to fantastic lengths to attract the man who has rejected her with results that are as touching as they are transformative To complicate matters Barb and Lily discover that they may have a murderer in their midst that Barb's calm disposition is more dangerously provocative than her beauty ever was and that Lily's musical talents are more powerful than anyone could have imagined Part literary whodunit part surrealist farce The Unfortunate Importance of Beauty is a smart modern day fairy tale With biting wit and offbeat charm Amanda Filipacchi illuminates the labyrinthine relationship between beauty desire and identity asking at every turn what does it truly mean to allow oneself to be seen      *A Canonical Exegesis of the Eighth Psalm* Hubert James Keener, 2013-11-07 Since Brevard Childs first introduced it as a fresh approach in the late 1960s canonical exegesis has grown into a widely discussed and developed program virtually a school of biblical interpretation with many scholars carrying forward an approach to theological exegesis that emphasizes the role of canon as the central context for interpretation of the Christian Scriptures In this study Keener takes a twofold approach 1 he demonstrates that a canonical exegesis is tenable if the task is approached with clarity regarding its core theological foundation and 2 he applies the approach to the interpretation of the often thorny questions surrounding the understanding of Psalm 8 This is useful in that Psalm 8 touches upon several questions germane to the successful implementation of canonical exegesis due to the many intertextual connections it shares with the rest of the Bible Keener concludes that Psalm 8 in the Old Testament represents the intersection of two trajectories 1 the reversal motif in which YHWH maintains the created order through the exaltation of the weak and the humble and 2 the motif of the conflicted and conflicting human in which humans are shown as beset by trials often failing and even occupying the role of the enemies of YHWH A third trajectory becomes visible in the context of the New Testament that of the redeeming Christ this third trajectory intersects with the two Old Testament trajectories and makes possible the redemption of conflicted humanity giving the ultimate answer to the psalmist's question What is the human      [Legends of Shimrah](#) Nadha Zar, 2021-09-20 Welcome to the one unique and original High Fantasy Romance Series written this entire century Nothing in Shimrah is ever a coincidence It is always penned with purpose A destiny Princess Saffrodel and her High Lords Jaraadhrin and Quinzafoor race against time age and space to grow into their adult selves among turbulent love lives and employing complex and original magical arrays hitherto unknown to the fantasy world to manage overcome and eradicate the threat Shimrah faces
