*Eighty-five Years of Life and Labor* William B. Grow, 1902      **The Busy Life of Eighty-Five Years of Ezra Meeker** Ezra Meeker, 2016-09-30 Just why I should write a preface I know not except that it is fashionable to do so and yet in the present case there would seem a little explanation due the reader who may cast his eye on the first chapter of this work Indeed the chapter Early Days in Indiana may properly be termed an introduction though quite intimately connected with the narrative that follows yet not necessary to make a completed story of the trip to Oregon in the early fifties The enlarged scope of this work narrating incidents not connected with the Oregon Trail or the Ox Team expedition may call for this explanation that the author's thought has been to portray frontier life in the Old Oregon Country as well as pioneer life on the plains to live his experiences of eighty five years over again and tell them in plain homely language to the end the later generation may know how the fathers lived what they did and what they thought in the long ago An attempt has been made to teach the young lessons of industry frugality upright and altruistic living as exemplified in the lives of the pioneers While acknowledging the imperfections of the work yet to parents I can sincerely say they may safely place this volume in the home without fear that the adventures recited will arouse a morbid craving in the minds of their children The adventures are of real life and incident to a serious purpose in life and not stories of fancy to make exciting reading although some of them may seem as such Truth is stranger than fiction and the pioneers have no need to borrow from their imagination Seattle Washington      *The Busy Life of Eighty-five Years of Ezra Meeker* Ezra Meeker, 1916      **The Jagged Word Field Guide** Scott Leonard Keith, Paul Koch, 2017-07-27 This collection of essays explores masculinity in an unsystematic way We've found that the various ways we've approached masculinity tend to fall into some broad and practical categories in our writing To be a man means to be free to be what God has already declared we are in Christ His saved and redeemed men A man is free we are free from sin death and the power of the devil Being free a man is then honored to work for his neighbor's good knowing that his closest neighbors are those whom God has placed closest to him in his life his family And just as a man speaks to and cares for his own so also does a man need to be spoken to and cared for at times He needs the mutual consolation of the brethren a brotherhood To put it simply a man needs good friends Over and over again we find praise for fun the love of good fellowship good drink and good smoke      *The Memory of the People* Andy Wood, 2013-08-15 The Memory of the People is a major study of popular memory in the early modern period      **Julia and Peter: A Love Story Spanning Continents** Julia Peck, 2023-12-19 True stories that track the journey of two free spirited entrepreneurs through time and space from England to New York City Philadelphia Chicago Phoenix and Mexico The journey ends up in Mission Texas at an RV park that was transformed into a community of winter Texans and full time residents Your travel guide is Julia Stanton Peck park owner author and wife of her deceased husband Peter Peck      **The Secret Rescue** Cate Lineberry, 2013-05-07 The exciting true story of a downed cargo plane and a group of stranded U S Army medical personnel fighting to survive in Nazi occupied

Albania The Bowling Green Daily News A Wall Street Journal Bestseller An Edgar Award Finalist and Anthony Award Finalist for Best Critical or Non Fiction Work When twenty six Army nurses and medics part of the 807th Medical Air Evacuation Transport Squadron boarded a cargo plane for transport in November 1943 they never anticipated the crash landing in Nazi occupied Albania that would lead to a months long struggle for survival In a drama that captured the attention of the American public the group and its flight crew dodged bullets and battled blinding winter storms as they climbed mountains and fought to stay alive aided by courageous villagers who risked death at Nazi hands to help them A mesmerizing tale of the heroism of ordinary people The Secret Rescue tells a story of endurance kept secret for decades and of the daring rescue attempts by clandestine American and British organizations amid the tumultuous landscape of the war Combines all of the elements that draw us to WWII stories the daring of The Guns of Navarone the suspense of The Great Escape and the bravery reminiscent of Ill Met by Moonlight It s the inclusion of so many women though that makes this story unique The Daily Beast An amazing WWII survival and rescue story Booklist

**Rethinking the Native Hawaiian Past** Kanalu G. Terry Young,2014-02-25 This innovative study challenges scholars to rethink standard approaches to the study of Hawai ian history by proposing a Native centered historiography based on concepts derived from the Hawai ian language and oral traditions Historical approaches to traditional Hawai i have tended to focus on the Ali i Nui high chiefs as leaders of a stratified society and on the decisions they made in the context of the arrival of the haole foreigners This study traces the history of the Kaukau Ali i the chiefly servers who were the lesser ranked relatives of the high chiefs The Kaukau Ali i performed a variety of tasks ranging from childcare to redistributive service to the provision of battlefield support within this service relationship which structured the flow of daily life Kanalu Young himself a descendent of the Kaukau Ali i argues that the Native Hawai ian past can be better understood by approaches which are grounded in concepts derived from Native Hawai ian language and oral tradition By shifting the focus of historical study from the high chiefs to the chiefly servers new light is shed on the history of the traditional Hawai ian polity
