Edward Lear And The Critics:

Edward Lear and the Critics Ann C. Colley, 1993 Critical response to Lear's literary, journalistic, musical, and artistic output *Edward Lear and the Play of Poetry* James Williams, Matthew Bevis, 2016-10-28 Of all the Victorian poets Edward Lear has a good claim to the widest audience admired and championed by critics and poets from John Ruskin to John Ashbery he has also been read, heard, and loved by generations of children As a central figure in the literature of nonsense Lear has also shaped the evolution of modern literature and his work continues to influence and inspire writers and readers today This collection of essays the first ever devoted solely to Lear builds on a recent resurgence of critical interest and asks how it is that the play of Lear's poetry continues to delight and to challenge our sense of what poetry can be These seventeen chapters written by established and emerging critics of poetry seek to explore and appreciate the playfulness embodied in the poems and to provide contexts in which it can be better understood and enjoyed They consider how Lear's poems play off various inheritances the literary fool Romantic lyric his religious upbringing explore particular forms in which his playful genius took flight his letters his queer writings about love and trace lines of Learical influence and inheritance by showing how other poets and thinkers across the nineteenth and twentieth centuries played off Lear in their turn Joyce Stein Eliot Auden Smith Ashbery and others *Victorian Celebrity Culture and Tennyson's Circle* C. Boyce, P. Finnerty, A. Millim, 2013-10-31 Tennyson experienced at first hand the all pervasive nature of celebrity culture It caused him to retreat from the eyes of the world This book delineates Tennyson's reluctant celebrity and its effects on his writings on his coterie of famous and notable friends and on the ever expanding media led circle of Tennyson's admirers Victorian Alphabet Books and the Education of the Eye A. Robin Hoffman, 2024-10-22 Victorian Alphabet Books and the Education of the Eye shows how the familiar genre went beyond mere reading instruction to offer nineteenth century British writers, illustrators, and publishers a site for representing and re thinking literacy itself This interdisciplinary study traces how individuals throughout the Victorian era deployed alphabet books to promote visual literacy or oral culture as a vital complement to textual literacy Their strategies ranged from puns and political allusions to elaborate designs that addressed adult audiences alongside or even instead of children As the format became more familiar in the first part of Victoria's reign George Cruikshank William Makepeace Thackeray Henry Cole and Edward Lear were quick to recognize its critical potential This history pivots around the mid 1860s and 1870s when the production of illustrated alphabet books exploded thanks to evolving printing technology and national education reform Case studies of individual works and makers show how a revolution in picture books reflected and responded to laws assuring children's access to schooling On the one hand Socialist artist Walter Crane was able to develop alphabetical illustration from a utilitarian mid century product into an aesthetically rich yet accessibly priced education of the eye On the other hand Kate Greenaway Hablot Knight Browne Phiz and their publishers tended to leverage commercialized nostalgia against pedagogy This survey concludes by showing how market oriented trends and the

development of photographic reproduction toward the end of the century fed into interpretations of the alphabet including works by Rudyard Kipling and Hilaire Belloc that reflected growing ambivalence about industrialized print culture

Edward Lear James Williams, James Atherton Williams, 2018 James Williams's account the first book length critical study of the poet since the 1980s sets out to re introduce Lear and to accord him his proper place as a major Victorian figure of continuing appeal and relevance and especially as a poet of beauty comedy and profound ingenuity *The Critic* Jeannette Leonard Gilder, Joseph Benson Gilder, 1906 **Mr. Lear** Jenny Uglow, 2018-04-17 A sparkling biography of the poet and artist Edward Lear by the award winning biographer Jenny Uglow Edward Lear the renowned English artist musician author and poet lived a vivid fascinating life but confessed I hardly enjoy any one thing on earth while it is present He was a man in a hurry running about on railroads from London to country estates and boarding steamships to Italy Corfu India and Palestine He is still loved for his nonsenses from startling joyous limericks to great love poems like The Owl and the Pussy Cat and The Dong with a Luminous Nose and he is famous too for his brilliant natural history paintings landscapes and travel writing But although Lear belongs solidly to the age of Darwin and Dickens he gave Queen Victoria drawing lessons and his many friends included Tennyson and the Pre Raphaelite painters his genius for the absurd and his dazzling wordplay make him a very modern spirit He speaks to us today Lear was a man of great simplicity and charm children adored him yet his humor masked epilepsy depression and loneliness Jenny Uglow's beautifully illustrated biography full of the color of the age brings us his swooping moods passionate friendships and restless travels Above all Mr Lear shows how this uniquely gifted man lived all his life on the boundaries of rules and structures disciplines and desires an exile of the heart Putnam's Monthly and the Critic, 1908 **The Critic**, 1906 To Criticize the Critic and Other Writings Thomas Stearns Eliot, 1992-01-01 These influential essay and lectures by T S Eliot span nearly a half century from 1917 when he published The Love Song of J Alfred Prufrock to 1961 four years before his death With the luminosity and clarity of a first rate intellect Eliot considers the uses of literary criticism the writers who had the greatest influence on his own work and the importance of being truly educated Every thoughtful person who yearns to do more than simply get through the day will be reinforced by The Aims of Education Other pieces include To Criticize the Critic From Poe to Val ry American Literature and the American Language What Dante Means to Me The Literature of Politics The Classics and the Man of Letters Ezra Pound His Metric and Poetry and Reflections on Vers Libre *British Children's Writers, 1800-1880* Meena Khorana, 1996 Like other volumes in the series this work discusses the lives and careers of individual authors and summarizes critical responses to their work from initial publication to 1995 Each entry includes a complete list of the author's works *Putnam's Monthly & the Critic*, 1908 **Transatlantic Conversations** Beth L. Lueck, Sirpa Salenius, 2016-12-06 This unique interdisciplinary essay collection offers a fresh perspective on the active involvement of American women authors in the nineteenth century transatlantic world Internationally diverse contributors explore topics ranging from women's social and political mobility to

their authorship and activism While a number of essays focus on such well known writers as Margaret Fuller Catharine Maria Sedgwick Harriet Beecher Stowe George Eliot Louisa May Alcott and Charlotte Perkins Gilman other perhaps lesser known authors are also included such as E D E N Southworth Elizabeth Stuart Phelps Elizabeth Peabody Jeannette Hart and Laura Richards These essays show the spectrum of interests and activities in which nineteenth century women were involved as they moved geographically and metaphorically toward gaining their independence and the right to control their lives Traveling far and wide to Italy France Great Britain and the Bahamas these writers came into contact with realities far different from their own On topics ranging from homeopathy and literary endeavors to politics and revolution they conversed with others reaching and inspiring transnational audiences with their words and deeds and creating a space for self expression in the rapidly changing transatlantic world

The Limerick Bob Turvey, 2024-09-17 For more than 200 years the limerick has been loved for its mordant wit breathtaking rhymes swinging rhythm groaning puns and ability to paint outrageous mental pictures This book analyzes the limerick s origin and evolution as the best known humorous verse form in the English speaking world It also examines previous attempts to capture the history of the limerick including those that used guesswork presented flawed conclusions and even contradicted each other Findings are laid out logically and chronologically so readers can easily follow the thread of every claim

A Critic's Journey Ilan Stavans, 2010 One of the leading voices in Latino literature writes about his life and work

"King of Critics" Dorothy Richardson Jones, 1992 An early advocate of art for art s sake George Saintsbury became for the English reader of the 1880s the interpreter of all French literature and later a pioneer in comparative literature and historian of English prosody and prose rhythm His early years at Oxford shaped his literary attitudes for life After a decade as a schoolmaster he was for many years a leading London journalist then professor of English at the University of Edinburgh Eighteen more years saw a steady flow of prefaces and essays and a history of the French novel In King of Critics one meets a man of myriad literary tastes who wished to know the whole history of European literature and share it all with readers He loved equally the purest lyrics of Shelley and the complexity of Donne the richness of Rabelais the panorama of Scott and medieval romance and the profound depths of irony in Swift and Ecclesiastes and always urged upon the reader the joys of minor writers King of Critics is a fascinating study not only of Saintsbury but of the literary world of Victorian Edwardian England It will appeal to a wide variety of readers particularly those interested in biography and literary history and criticism

The Creator as Critic and Other Writings by E.M. Forster Jeffrey M. Heath, 2008-02-25 These essays lectures memoirs and broadcasts are the thought provoking products of Forsters engagement with the literary political and social events of his time

Humour Theory and Stylistic Enquiry Taiwo Oloruntoba-Oju, 2023-12-28 This edited book brings together scholarly chapters on linguistic aspects of humour in literary and non literary domains and contexts in different parts of the world Previous scholarly engagements and theoretical postulations on humour and the comic provide veritable resources for

reexamining the relationship between linguistic elements and comic sensations on the one hand and the validity of interpretive humour stylistics on the other hand. Renowned Stylistics scholars such as Michael Toolan who writes the volume's foreword against the backdrop of nearly four decades of scholarly engagement with stylistics and Katie Wales who in this volume engages with Charles Dickens one of the most eminent satirists in English literature as well as many other European and African authors who have worked ceaselessly in the area of humour and language weigh in on the topic of language and humour in this volume. Together they provide a variety of interesting perspectives on the topic deploying different textual sources from different media and from different regions of the world. Part of the book's offering includes integrative stylistic approaches to humour in African, European and American written texts; examinations of social media and political humour in Nigeria, Cameroon and Zimbabwe; pragmatics and humorous stance taking; incongruity as comedy in works of fiction; and a unified levels of linguistic analysis approach to the investigation of humour. This book will be of interest to academics and students of Linguistics, Stylistics, Communications and Media Studies and Humour Studies.

The Palgrave Handbook of Animals and Literature Susan McHugh, Robert McKay, John Miller, 2020-11-25

This volume is the first comprehensive guide to current research on animals, animality and human-animal relations in literature. To reflect the history of literary animal studies to date, its primary focus is literary prose and poetry in English, while also accommodating emergent discussions of the full range of media and contexts with which literary studies engages, especially film and critical theory. User-friendly language, references, even suggestions for further readings are included to help newcomers to the field understand how it has taken shape primarily through recent decades. To further aid teachers, sections are organized by conventions of periodization and chapters address a range of canonical and popular texts. Bookended by sections devoted to the field's conceptual foundations and new directions, the volume is designed to set an agenda for literary animal studies for decades to come.
