Revolt in 1882 It addresses Blunt's tireless efforts on behalf of the Egyptian Nationalists to mediate the differences between Britain and Egypt and prevent a British invasion of Egypt It highlights what amounted to a government cover up of the actions of certain governmental officials to precipitate the invasion by falsifying intelligence information and manipulating the press It also takes to task the scholarly tradition of maligning Blunt and questioning the accuracy of his version of the events of 1882 Blunt was branded a traitor in the House of Commons This book was written to set the record straight It is ideal reading for those interested in the field of Middle Eastern Imperial or Colonial history and will provide readers with a better understanding of the real story of imperialism that went on at the time and is still going on in the Middle East today

**Lady Almina and the Real Downton Abbey** Countess Of Carnarvon, 2011-09-29 Bright breezy and unpretentious Guardian A loving and faithful portrait of Almina and her world Countryfile magazine The story of the real Downton Abbey told by Lady Fiona Carnarvon chatelaine of Highclere Castle where the phenomenally successful TV series was filmed Lady Fiona Carnarvon became the chatelaine of Highclere Castle the setting of the hit series Downton Abbey eight years ago In that time she's become fascinated by the rich history of Highclere and by the extraordinary people who lived there over the centuries One person particularly captured Fiona's imagination Lady Almina the 5th Countess of Carnarvon Almina was the illegitimate daughter of banking tycoon Alfred de Rothschild She was his only daughter and he doted on her She married the 5th Earl of Carnarvon at 19 with an enormous dowry At first life at Highclere was a dizzying mix of sumptuous banquets for 500 and even the occasional royal visitor Almina oversaw 80 members of staff many of whom came from families who had worked at Highclere for generations But when the First World War broke out life at Highclere changed forever History intervened and Almina and the staff of Highclere were thrown into one of the most turbulent times of the last century Almina was forced to draw on her deepest reserves of courage in order to ensure her family the staff and the castle survived This is the remarkable story of a lost time But Highclere remains and in this book Fiona weaves Almina's journey and those of her family into the heritage and history of one of England's most exquisite Victorian castles *Empire, Celebrity and Excess* Martin Francis, 2022-09-22 While now long forgotten King Farouk of Egypt loomed large in British culture in the 1940s and 1950s Farouk was of interest and importance not just to British imperial policy makers but to a wider public that was exposed to his extravagant lifestyle and colourful private life through gossip columns comedy sketches cartoons song lyrics and novels This book explores how the narratives and representations of King Farouk found in British official and popular culture dramatized the retreat from empire the rise of celebrity journalism changing conceptions of masculinity and sexuality ambivalent attitudes towards monarchy postcolonial exile the growth of mass tourism and the post war transition from austerity to abundance By considering diplomatic history in tandem with histories of popular culture and celebrity Francis presents a more holistic understanding of British culture during the era of decolonization The varied cultural and social features of post war Britain and the reconstitution of British identity in the aftermath of empire sexual liberalization

Americanization consumer affluence increased interaction with Europe new forms of mass leisure and the emergence of celebrity culture did not take place independently of the dismantling of imperial rule Studying Farouk therefore sheds new light on the multiple and complex ways in which Britain emerged as a postcolonial nation **Irish Nationalism and the British State** Brian Jenkins,2006-05-12 No detailed description available for Irish Nationalism and the British State **The Women of the Real Downton Abbey** The Countess of Carnarvon,2013-10-29 This collection available exclusively as an ebook brings together two tales of Highclere Castle the grand estate that serves as the central character for the hit PBS show Downton Abbey from the current Countess of Carnarvon A New York Times bestseller Lady Almina and the Real Downton Abbey contrasts the splendor of Edwardian life in a great house against the backdrop of the First World War and offers an inspiring and revealing picture of Lady Almina the woman at the center of the history of Highclere Castle Lady Catherine the Earl and the Real Downton Abbey transports readers to the 1920s and 1930s as the nations of Europe inched towards war and tells the story of Catherine Wendell the beautiful and spirited American woman who married Lady Almina's son the man who would become the 6th Earl of Carnarvon Using copious materials including diaries and scrapbooks from the castle's archives the current Countess of Carnarvon brings these stories to life in a beautiful and fabled setting

**Mystifying the Monarch** Jeroen Deploige,Gita Deneckere,2006 The power of monarchs has traditionally been as much symbolic as actual rooted in popular imagery of sovereignty divinity and authority In *Mystifying the Monarch* a distinguished group of contributors explores the changing nature of that imagery and its political and social effects in Europe from the Middle Ages to the present day They demonstrate that rather than a linear progression where perceptions of rulers moved inexorably from the sacred to the banal in reality the history of monarchy has been one of constant tension between mystification and demystification **Hidden History** Gerry Docherty,James MacGregor,2013-07-04 Think you know about British history and the causes of the First World War Think again This fascinating and gripping study of events at the turn of the Twentieth Century is a remarkable insight into how political and social factors that we widely accept to be the causes of The Great War were really just a construct put together by a very small but powerful political elite Thought provoking Docherty and Macgregor do not mince their words their arguments are powerful Britain at War Simply astonishing Reader review Very illuminating Reader review You simply MUST read this book Reader review This is a page turner Reader review *Hidden History* uniquely exposes those responsible for the First World War It reveals how accounts of the war's origins have been deliberately falsified to conceal the guilt of the secret cabal of very rich and powerful men in London responsible for the most heinous crime perpetrated on humanity For ten years they plotted the destruction of Germany as the first stage of their plan to take control of the world The assassination of Archduke Franz Ferdinand was no chance happening It lit a fuse that had been carefully set through a chain of command stretching from Sarajevo through Belgrade and St Petersburg to that cabal in London Our understanding of these events has been firmly trapped in a web of falsehood and duplicity carefully

constructed by the victors at Versailles in 1919 and maintained by compliant historians ever since The official version is fatally flawed warped by the volume of evidence they destroyed or concealed from public view Hidden History poses a tantalising challenge The authors ask only that you examine the evidence they lay before you *To the Heart of the Nile* Pat Shipman,2024-06-11 In 1859 at age fourteen Florence Sz stood before a room full of men and waited to be auctioned to the highest bidder But slavery and submission were not to be her destiny Sam Baker a wealthy English gentleman and eminent adventurer was moved by compassion and an immediate overpowering empathy for the young woman and braved extraordinary perils to help her escape Together Florence and Sam whose love would remain passionate and constant throughout their lives forged into literally uncharted territory in a glorious attempt to unravel a mysterious and magnificent enigma called Africa A stunning achievement *To the Heart of the Nile* is an unforgettable portrait of an unforgettable woman a story of discovery bravery determination and love meticulously reconstructed through journals documents and private papers and told in the inimitable narrative style that has already won Pat Shipman resounding international acclaim *The Sinner's Grand Tour* Tony Perrottet,2011-05-10 Sex and travel have always been intertwined and never more so than on the classic Grand Tour of Europe in the eighteenth and nineteenth centuries Today the Continent is still littered with salacious remnants of that golden age where secret boudoirs notorious dungeons and forbidden artifacts lured travelers all the way from London to Capri In *The Sinner's Grand Tour* celebrated historian and travel writer Tony Perrottet sets off to discover a string of legendary sites and relics that are still kept far from public view In southern France an ancient text leads him inside the chateau of the Marquis de Sade now owned by fashion icon Pierre Cardin In Paris an 1883 prostitute guide helps him discover the Belle poque fantasy brothel Le Chabanaise and the lost sex chair of King Edward VII Renaissance documents in the Vatican Secret Archives point the way to the Pope's very own apartments in Vatican City wherein lies the fabled Stufetta del Bibbiena a pornography covered bathroom painted by Raphael in 1516 With his unique blend of original research sharp wit and hilarious anecdotes Perrottet brings us a romping travel adventure through the scandalous backrooms of historical Europe **Royal Affairs** Leslie Carroll,2008-06-03 A funny raucous and delightfully dirty history of 1 000 years of bedroom hopping secrets and scandals of Britain's royals Insatiable kings lecherous queens kissing cousins and wanton consorts history has never been so much fun Royal unions have always been the stuff of scintillating gossip from the passionate Plantagenets to Henry VIII's alarming head count of wives and mistresses to the Sapphic crushes of Mary and Anne Stuart right on up through the scandal blighted coupling of Prince Charles and Princess Diana Thrown into loveless arranged marriages for political and economic gain many royals were driven to indulge their pleasures outside the marital bed engaging in delicious flirtations lurid love letters and rampant sex with voluptuous and willing partners This nearly pathological lust made for some of the most titillating scandals in Great Britain's history Hardly harmless these affairs have disrupted dynastic alliances endangered lives and most of all fed the salacious curiosity of the public for centuries Royal

Affairs will satiate that curiosity by bringing this arousing history alive      *Transatlantic Stage Stars in Vaudeville and Variety* L. Woods, 2016-09-23 This book shows eminent actors performing under stringent conditions in vaudeville It was a strange notion in 1900 that leading lights of the legitimate stage would ever join a bill of turns with everything from song and dance to criminals regaling crowds with their exploits It chronicles renowned actors showing rough fare in rough times

**Class in Turn-of-the-Century Novels of Gissing, James, Hardy and Wells** Christine DeVine, 2017-11-30 This book argues that due to political and ideological shifts in the last decades of the nineteenth century a time when the class system in England was in a state of flux a new depiction of social class was possible in the English novel Late century writers such as Gissing James Hardy and Wells question the middle class Victorian views of class that had dominated the novel for decades By disrupting traditional novelistic conventions these writers reveal the ideology of the historical moment in which those conventions obtained thereby questioning the naturalness of class assumed by earlier middle class Victorian writers The book contextualizes novels by these writers within their historical moment with reference to relevant maps journalism artwork or photography and specific historical events It illuminates the relationship between fiction and history in late nineteenth and early twentieth century fiction and especially the relationship between changing depictions of class and the development of realism Examining the nineteenth century English novel through the lens of social class allows the twenty first century critic and student not only to understand the issues at stake in much Victorian fiction but also to recognize powerful present day vestiges of this social class system
