Forthcoming Books Rose Army, 1997 **The Voice of Fashion** Frances Grimble, 1998 The Voice of Fashion contains a comprehensive selection of women's styles from rare originals of 14 magazines published from 1900 through 1906 The 79 patterns in this book include afternoon evening ball and wedding gowns home and maternity wear suits and blouses for day and business lingerie outer coats and outfits for riding golf and other sports Each pattern has a fashion plate plus instructions for drafting and assembly Additional fashion columns and plates supplement the information on fabrics trims and construction A substantial glossary explains period fabric names and dressmaking terms The patterns can be enlarged either by projection or by drafting with the Diamond Cutting System used with the original magazines Directoire Revival Fashions 1888-1889 Frances Grimble, 2010 Directoire Revival Fashions 1888 1889 contains an in depth selection of high quality women's clothing patterns from the end of the bustle era During these years picturesque styles evoking the late 18th and early 19th centuries were popular The silhouette progressively deflated from one with considerable back fullness and puffy draperies to the comparatively narrow one of the early 1890s This book contains practical patterns for undergarments and morning wear wrappers and tea gowns skirts and overskirts ensembles consisting of a bodice skirt and draperies ensembles consisting of a polonaise and a skirt house street and evening dresses outfits for lawn tennis and riding and outer jackets coats and wraps The patterns are drawn from rare original issues of The Voice of Fashion magazine They were used by both amateur and professional dressmakers to make up the mainstream styles of the day and are very similar to patterns published by Butterick These patterns are enlarged with apportioning scales which are provided in this book along with step by step instructions Apportioning scales are special rulers that enable you to draft custom sizes from queen size to doll size without doing arithmetic Many patterns in this book are accompanied by supplementary illustrations with detailed descriptions drawn from Butterick's Delineator magazine Each supplement shows optional style variations that can be produced by using flat pattern alteration techniques or by substituting a garment section from a different pattern in this book The descriptions include information on construction and fabrics Selections from fashion columns in The Delineator and Harper's Bazar and from a circa 1890 dressmaking manual add information on construction and on style trends Also drawn from The Delineator are instructions and illustrations for 34 trimmings and 85 accessories The book's glossary explains period fabric names and dressmaking terms Directoire Revival Fashions 1888 1889 is a rich pattern source for readers who recreate period clothing for theater and film living history Old West and single action shooting events steampunk and goth outfits bridal parties or dolls It's a valuable identification and dating tool for costume historians and vintage clothing collectors And it will spark ideas for fashion designers *Stitching La Mode: Patterns and Dressmaking from Fashion Plates of 1785-1795* Carolyn Dowdell, 2023-12-29 *Stitching La Mode Patterns and Dressmaking from Fashion Plates of 1785 1795*

brings to life women's unique and extravagant fashions of 1785-1795 in a beautifully illustrated and accessible way. The book consists of scaled patterns directly based on original French, German, and English fashion plates drafted according to period accurate shapes. The patterns encompass the full look presented in each fashion plate from garments to accessories. These are accompanied by a color image of the corresponding fashion plate, straightforward illustrated directions for recreating the outfits, information on the material used, and modelled reproductions of each plate to demonstrate what they would look like in real life. The book focuses on unique styles often seen in fashion plates but rarely if ever patterned before, making this a fresh and exciting yet historically accurate take on late eighteenth century fashion. *Stitching La Mode* significantly expands the understanding of transitional fashions from the late eighteenth century with concrete physical examples of styles perfectly suited for costume technicians and makers, costume historians and hobby costumers, and re-enactors.

Making Edwardian Costumes for Women Suzanne Rowland, 2016-02-29 Edwardian fashions for women were characterized by the S-shaped silhouette embellished with lace, tucks, ruffles, tassels, frills, and flounces. This essential book includes eleven detailed projects which form a capsule collection of clothing and accessories that might have been worn by an Edwardian governess, a woman travelling on an ocean liner, a campaigning suffragette, or a wife overseeing a busy household in a large country house. It explains making sequences in full and advises in detail on how to give the garments a fine authentic finish. Eleven detailed projects are included based on the dress collections at Royal Pavilion Museums Brighton, Hove, and Worthing Museum and Art Gallery. Each project includes a detailed description of the original garment with an accompanying illustration alongside photographs of the original pieces, and scaled patterns are included for all projects with a list of materials and equipment required. Includes step-by-step instructions with information about the original techniques used and close-up photographs of the making process, with further chapters on tools and equipment, fabrics, measurements, and sizes, and how to wear Edwardian fashion with ideas on creating new outfits from the featured projects. Also includes advice on how to adapt garments to make them suitable for both wealthy leisured women and for their poorer counterparts. Aimed at costume makers, museums, and re-enactors, and beautifully illustrated with 200 colour photographs.
