Edwardian Murders:

Edwardian Murders Roy Harley Lewis, 1989-01-01 *Snobbery with Violence* Marion Chesney, M. C. Beaton, 2004-05-16
Exposing a suitor's dishonorable intentions toward the daughter of a new client Harry Cathcart is hired by a wealthy marquis to solve a house party murder a case that is complicated by the host's desire to preserve discretion **Notorious Murders of the Twentieth Century** Stephen Wade, 2011-12-01 The word murder has always attracted widespread local and national media coverage Once known the story becomes the subject of discussion in a variety of places throughout the land Some grisly tales become part of a culture that lives on for generations whilst others even by some of the worst serial killers are soon forgotten In this book experienced crime historian Stephen Wade has gathered together a collection of murders covering the entire twentieth century Although famous in their own day most are now forgotten by the general public apart from the best true crime enthusiasts The first conviction for fingerprint evidence the last hanging in England and murderous husbands and wives are included but there are also mysteries unsolved killings and peculiar confessions Meet the man who poisoned his rival's scones a wrongful arrest and the acquittal of a good wife who shot her man dead There are even tales from the Isle of Man whose legislators continued to issue death penalties in the 1990s **Murder Houses of London** Jan Bondeson, 2014-01-15 Which of London's most gruesome murders happened in your street And were they committed by Jack the Ripper the Kray twins the Blackout Ripper or Acid Bath Haigh **The Murders in Great Diddling** Katarina Bivald, 2024-08-13 2024 Lillian Jackson Braun Edgar Award Nominee The best stories are the ones we didn't know needed to be told The small rundown village of Great Diddling is full of stories author Berit Gardner can feel it The way the villagers avoid outsiders the furtive stares and whispers in the presence of newcomers Berit can sense the edge of a story waiting to be unraveled and she's just the person to do it In fact with a book deadline looming over her and no manuscript not even the idea for a manuscript truth be told Berit doesn't just want this story She needs it Then while attending a village tea party Berit becomes part of the action herself An explosion in the library of the village's grand manor kills a local man and the resulting investigation and influx of outsiders sends the quiet rundown community into chaos The residents of Great Diddling each one more eccentric and interesting than any character Berit could have invented rewrite their own narrative and transform the death of one of their own from a tragedy into a new beginning Taking advantage of Great Diddling's new notoriety the villagers band together to start a book and murder festival designed to bring desperately needed tourists to their town What they couldn't have predicted is how the new story they've begun to tell will change all their lives forever Uplifting charming and laugh out loud funny *The Murders in Great Diddling* by New York Times bestselling author Katarina Bivald is a celebration of the life changing magic of books and the people who love them Unsolved Murders In and Around Derbyshire Scott Lomax, 2009-10-15 There is no such thing as the perfect crime Yet within these pages are thirteen twentieth century murders whose perpetrators have so far escaped justice Some may still be alive cold cases awaiting new

forensic leads but others have taken their chilling secrets to the grave Read about the strange theatrical vagrant found brutally murdered in a brick works Also about the unfortunate girl strangled to death in a derelict building at Christmas a taxi driver killed by his passenger on a lonely road a police officers girl friend who was sexually assaulted and murdered on moorland the dreadful killing of a servant girl two men shot dead on a quiet highway the discovery of mysterious and suspicious skeletal remains and not least the callous murderers who allowed innocent men to be stand trial Famous modern cases are also explored based on new research The Barbara Mayo murder is still in the memory of many Derbyshire people as is the Stephen Downing miscarriage of justice A compelling read for anyone interested in true crime **Sick of Shadows** M. C. Beaton, 2010-04-01 From New York Times bestseller M C Beaton Imagine if the rebellious sister from Downton Abbey and her maid got mixed up in murder Captain Harry Cathcart and Lady Rose Summer have entered into an engagement of convenience convenient for Rose who wants to avoid being sent to India with all the other failed debutantes Despite her considerable good looks Rose s sharp intellect and radical ideas have served to repel her would be suitors Rose s parents unaware of the deception are hardly thrilled that their only child is marrying a man in trade but Harry comes from a good family and at the very least they hope he will keep their troublesome daughter out of mischief Unfortunately even a pretend engagement cannot save Rose from trouble Bored with endless parties teas and balls she befriends Dolly Tremaine a beautiful young girl newly arrived from the country and overwhelmed by the demands of the Season Rose is delighted to have a prot g e but their friendship is cut tragically short when Dolly is found floating in a river Harry is summoned immediately to help solve the mystery of Dolly s death and to keep Rose from being the murderer s next victim Sick of Shadows is the exciting third book in M C Beaton s sparkling Edwardian Murder Mysteries Series **Murder & Mayhem in North London** Geoffrey Howse, 2010-05-19 A riveting history of true crimes in the area over the centuries with photos and illustrations From Islington to Finsbury Park to Hackney Wick the North London area has been the setting of countless crimes from the notorious to the obscure In this book Geoffrey Howse delves into the files covering hundreds of years of the area s darkest past Events covered include long forgotten cases that made the headlines in their day as well as others more famous the seventeenth century murder of a magistrate for which three innocent men were hanged Britain s first railway murder the first criminal to be caught via wireless telegraphy the anarchists who left a trail of murder and mayhem following a raid on a Tottenham factory and many more that will fascinate those with an interest in the local and social history of London *Unsolved Murders in South Yorkshire* Scott Lomax, 2013-05-02 Whilst the passage of time can and has uncovered many secrets killers could get away with their crimes in 1596 when Shakespeare penned these words and this is certainly the case in more recent times as Unsolved Murders in South Yorkshire clearly demonstrate The early chapters include cases of historic interest where killers certainly went to the grave in the knowledge they had got away with murder Cases include suspicious deaths which left detectives in South Yorkshire baffled but which were it would seem acts of callous murder which

were not recognised as such due to dubious police opinions and practices There are also cases of clear murder such as a man shot in the head during the Victorian period whose killer was never identified The later chapters however feature more recent cold cases where there is still the possibility that the wicked men or women who were responsible for such acts of inhumanity may remain within our society Cases include a man murdered for less than 70 in a city centre multi storey car park a teenage girl abducted sexually assaulted and left dead on a dung hill a young mother who entered prostitution and died at the hands of a man with more than sex on his mind a pregnant woman who left home one day to go shopping but was found days later dead in a ditch with her throat cut and a disabled woman who was strangled in her home which was then set ablaze For some of these cases there is the chance that someone has information which despite the passage of decades could lead to one or more individuals standing trial for murder Justice can still prevail **Norfolk Mayhem & Murder** Maurice

Morson,2008-03-20 Maurice Morson has reconstructed in painstaking detail several of the most shocking and intriguing episodes from Norfolk s criminal history for this gripping study He recalls the extraordinary case of Richard Nockolds the violent weaver who revelled in assault arson and machine wrecking the two cut throats who were hanged for killing Hannah Mansfield Herbert Bennett found guilty of strangling his wife with a bootlace Rosa Kowen who may or may not have battered her husband to death John Stratford who murdered the wrong man Samuel Yarham the prosecution witness and real murderer William Jacobs and Thomas Allen both convicted of killing policemen and perhaps the most infamous case of all the Burnham Westgate multiple murders To these cases Maurice Morson has applied his skill as a historical researcher and his forensic experience as a former detective Each case is closely reviewed and the evidence is questioned He gives a vivid insight into the local background the personalities of the individuals involved their relationships the means by which the crimes were committed and the workings of the police force and the justice system which often seems to our modern eyes clumsy and mistaken This engrossing new book confirms Maurice Morson s reputation as the leading chronicler of crime in the county *Murder Houses of Greater London* Jan Bondeson,2015-06-28 Which of Greater London s most gruesome

murders happened in your street And were they committed by Graham Frederick Young the poisoner of the North Circular Road by the murderous Donald Hume or by that monster Dennis Nilsen Sometimes quiet suburban terraces hide the most terrible secrets Read about the Hampstead Triangle home to a surprising number of celebrated murders as well as another triangle of violent deaths in Kensal Rise and ponder some very mysterious unsolved murders Armed with this book and a good London map you will be able to do some murder house detection work of your own *Hasty Death* M. C.

Beaton,2007-04-01 Eager to join the working classes Lady Rose Summer has abandoned the comforts of her parents home to become self supporting But life as a working woman isn t quite what Rose had imagined long hours as a typist and nights spent in a dreary women s hostel are not very empowering when you re poor cold and tired Luckily for Rose her drudgery comes to a merciful end when she learns of the untimely death of an acquaintance Freddy Pomfret a silly and vacuous young

man was almost certainly up to no good before he was shot dead in his London flat When Rose discovers incriminating evidence pointing to several members of her class she returns to London high society in order to investigate properly With the help of Captain Harry Cathcart and Superintendent Kerridge of Scotland Yard Rose prepares to do the social rounds uncovering a devious blackmail plot and an unexpected killer Set in Britain during the Edwardian world of parties servants and scandal M C Beaton's *Hasty Death* is a delightful combination of murderous intrigue and high society

Modern Murders Lee Michael-Berger, 2023-05-03 *Modern Murders* is the first comprehensive study of murder representations during the turn of the century drawing on previously neglected archival material to explore the intellectual cultural and artistic contexts of the period Most studies view the abundance of murder representations throughout the nineteenth century as an indicator of a supposedly typical Victorian appetite for sensation and melodrama *Modern Murders* however demonstrates the turn of the century's backlash against melodramatic and sensational representations of murder and reads them as an important component in the struggles for better aesthetic standards in art and entertainment and as a dominant feature in the debates on mass culture Through a plethora of visual and written texts representations of fictional and actual real life murders and high and popular forms of writing the volume considers the importance of murder in the elite claim to cultural authority versus its perception of plebian taste in the context of the democratization of culture This book will be of value to scholars and graduate students in a variety of research areas as well as general readers interested in the role of murder as a central trope in modern art and culture
