*Equity, Diversity, and Canadian Labour* David Morton Rayside, Gerald Hunt, 2007-01-01. The Canadian labour movement has undergone several fundamental changes in response to demands for greater inclusion and representation by women, visible and sexual minorities and people with disabilities. *Equity, Diversity and Canadian Labour* explores the specific challenges put to outmoded conceptions of labour, charting the effort made towards establishing a more inclusive vision of labour in Canada. The study concludes that the Canadian labour movement has seen a fair amount of progress in this regard though it still faces persistent impediments to equity and suffers from an uneven responsiveness within and across diversity issues. This collection of original essays brings together contributors from a variety of backgrounds: women's studies, political science, sociology, industrial relations and the labour movement itself. They provide detailed analyses of significant changes in union policies, practices and cultures as viewed through different disciplinary lenses. With reference to gender, race, disability and sexuality, the volume assesses the status of labour diversity in Canada and suggests what still needs to be done to advance the equity project. An engaging look at the labour movement in Canada and elsewhere. *Equity, Diversity and Canadian Labour* will appeal to students, practitioners and anyone interested in equity issues and minority rights.

While there has been a fair amount of progress in this regard, persistent impediments to equity and uneven responsiveness within and across diversity issues remain.
