Effective Police Administration Second:

Effective Police Organization and Management Gerald Douglas Gourley, California. State College, Los Angeles. Dept. of Police Science and Administration, 1967 Effective Police Supervision Harry W. More, Larry S. Miller, 2010-12-29 Good police officers are often promoted into supervisory positions with little or no training for what makes a good manager

Effective Police Supervision is a core text used in college level classes on supervisory practices in criminal justice This popular book combines behavioral theory with case studies that allow the reader to identify and resolve personal and organizational problems It provides readers with an understanding of the group behaviors and organizational dynamics with a focus on effectiveness as well as proficiency and on how a supervisor can help to create an effective organization This book is also a vital tool in the preparation of police officers for promotional exams NEW THIS EDITION This revised and updated edition has a new chapter Homeland Security and Terrorism A Changing Role New material has been added throughout the textbook on the following topics characteristics of an effective coach mentoring work values unions dealing with change supervisory styles empowerment SARA identifying stakeholders dealing with Limited English Proficient individuals intercultural communication and equity theory The case studies and references have been thoroughly updated and expanded Each chapter opens with a case study to illustrate the concept and includes key terms Contains a new chapter on homeland security and terrorism and how they are changing the role of the police supervisor Used nationwide for police promotional exams

EFFECTIVE POLICE MANAGEMENT Harry W. More, Terry L. More, 2012-09-01 The law enforcement profession is well aware of the need for performance based management Results are what count and programs are increasingly required to demonstrate that activities and programs are viable and worthy of budgetary support This emphasizes the necessity of ensuring that the managerial processes foster accountability To ensure success it is essential that organizational leaders encourage and constantly supervise this management process Performance improvement occurs when there is an ongoing process that creates strategic performance objectives such as measures performance collects and analyses which result in the reporting of performance data that can focus on improvement The key chapter in the text is entitled Accountability for Performance inasmuch as it circumscribes the remainder of the concepts discussed and reviews the necessity of creating an accountability environment fostered by positive communications The pivotal aspects of accountability are discussed and each of the five levels reviewed Chapters deal with a range of potential evaluation tools to include logic models crime mapping program evaluation techniques and problem solving Considerable attention is given to performance measurement the different types of measurement and commonly used measures in law enforcement There is also a brief discussion of CompStat and its four principles with special emphasis on relentless follow up and assessment In addition attention is given to the utilization of performance information and the research measurements that create process improvements Within the proactive problem solving process the reader will find basic questions for the scanning process

objectives means of defining a problem environmental surveys and the recognized sequence of analysis Consideration is given to the discussion of data quality verification validation and information sources Law enforcement professionals researchers planners policymakers and stakeholders at all levels can use this text as a significant resource in the development of performance based management that stresses accountability competence and performance Handbook of Police Administration James Ruiz, Don Hummer, 2017-09-25 As figureheads of the most visible segment of criminal justice today police administrators are forced to tackle challenges never faced by their predecessors Heightened local and global threats advanced technologies and increased demands for procedural transparency require new levels of flexibility innovative thinking and the ability to foster and maintain relationships within the community It is more crucial than ever to recruit and retain capable leaders to guide law enforcement agencies at this pivotal time in history Covering areas such as leadership in policing use of force and understanding how the law shapes police practice Handbook of Police Administration examines the key topics that must be considered by law enforcement professionals Recognizing that police leaders need the skills and traits of a politician accountant attorney field lieutenant and futurist the authors cover a variety of contemporary issues surrounding police administration and management Divided into five thematic sections it considers the legal aspects of overseeing a public sector organization as well as how research technology and training can assist modern police leaders in performing their duties more effectively and efficiently The book covers problematic issues such as officers accepting gratuities undercover work and the time criteria required for promotional consideration It concludes with a chapter comparing administrative issues in Australia with many of the subjects previously addressed with regard to U S protocol Using a range of perspective differing viewpoints and controversial issues Handbook of Police Administration provides a springboard to stimulate discussion at the cutting edge of debate in the dynamic field of policing **Police Administration** Gary W. Counterinsurgency Strategy--A Path to Effective Policing Howard Rahtz, 2024-08-29 Counterinsurgency Strategy A Path to Effective Policing opens with American military action in Mosul Iraq in 2003 The civil authority in a city of 1 7 million people had collapsed government ministry buildings had been looted and criminal gangs and ethnic conflict raged out of control General David Petraeus utilizing the military's Counterinsurgency Doctrine COIN restored security allowing the re emergence of the local economy He worked with the local leaders to hold elections and in short order restored civil society The COIN principles used by General Petraeus in Iraq have application to the violent crime issues plaguing cities in the United States Increasing disorder in the face of declining police legitimacy and a growing trust gap between police and

the communities they serve are analogous to the situation facing military commanders combatting insurgencies Given the current debate on police militarization occurring across the country the book reviews the history of police militarization the provision of military equipment to police through the Department of Defense and the impact of militarization on police tactics COIN operational values in the context of the militarization debate are reviewed A paradox in policing is the growth of militarism concurrent with the movement toward Community Policing While Community Policing has received significant attention among military COIN adherents discussion of COIN strategy among police researchers has been nearly nonexistent This book examines the commonalities of COIN strategy with the philosophy of Community Oriented Policing Effective policing efforts to reduce crime and disorder are highlighted and the role of the COIN strategy in these efforts is reviewed A detailed guide to adapting COIN strategy and tactics for local police departments is also provided This book aims to provide for neighborhood safety based on police legitimacy effective security and a whole of government effort to address local community problems

Civil Rights Improvements Act of 1977 United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution,1978 **The City Record** New York (N.Y.),1890 **Post-Traditional Public Administration Theory** David Farmer,2021-03-22 This book describes what is argued to be the most effective way of doing public administration thinking Its aim is to encourage governments to govern fundamentally better in terms of policy and administration A better understanding of context and identities imaginization epistemic pluralism anti administration and the context of economics are examples of what is critical for high effectiveness The pieces included in this book have been handpicked from the vast academic collection that David Farmer has authored over the last thirty years and which were published in the Journal of Administrative Theory and Praxis and the Journal of Public Administration Education Collectively these chapters are intended to help governments use post traditional public administration theory in order to achieve better praxis
