Writing a Business Plan
for a Small Company

Effective Small Business Planning

Rhonda M. Abrams

Effective Small Business Planning:

Good Small Business Planning Guide John Kirwan, 2009-09-15 Research shows that roughly half of all start up businesses fail within the first three years and the majority of failures happen because business owners aren't prepared enough to deal with the challenges that can affect them. In other words they haven't done enough planning. Creating a business plan should be one of the first things you do when you think of starting up a company and it's an important document to turn to time and again as your business develops especially in these difficult financial times. Accessible and easy to read the *Good Small Business Planning Guide* shows readers how to Plan their business strategy Pitch their plan to raise funds Spot problems in advance and work out how to deal with them Update and refresh the plan for different audiences [Business plan for small manufacturers](#), 1987 [How to Develop a Small Business Plan](#) Daniel L.
