Effective Strategist:

The Effective Strategist John Van Maurik,1999 John van Maurik presents the key skills needed helping you to be a better leader and change agent by applying the techniques to improve business effectiveness He covers business life from effective marketing and innovation to handle organizational politics

The Master Strategist Ketan J Patel,2011-05-31 Since the turn of the century we have seen hopes of a new era of peace shattered by the 9 11 attack on the US We have witnessed the US become embroiled in a divisive and seemingly unwinnable war in Iraq We have looked on as new nuclear rivalries have sprung up with Iran and North Korea We have also seen Europe struggle to define its place in the New World Order And we have observed the balance of world focus shift towards China and India as they have continued their unprecedented economic rise What is the significance of all of this Are these random events or is there an underlying pattern What is required of leaders and individuals to propel the world in a more positive direction The Master Strategist provides the means to decipher these changes offering unique insights into the issues and patterns that are defining the future and pointing the way to strategies for a freer and more peaceful and prosperous world

The Phenomenal Power of Business Intelligence Maria E. Burke,2003 In this digital age information is pivotal to organizations This book aims to raise awareness of the need to radically change management styles to fit with the new patterns of working in the 21st century Each chapter provides ideas and discussion around a particular subject area and closes with an assessment of the skills that are required by managers in order to manage situations in a creative and dynamic way Case studies are also used to enable the reader to consider different ways in which management skills can be applied to business situations

Surprise! Dave Baiocchi,D. Steven Fox,2013-08-14 This report relates what professionals believe creates surprise how they respond to it and how the effects of surprise can be mitigated RAND researchers interviewed representatives from 13 diverse professions and identified some common coping strategies such as relying on past experience and trying to reduce the level of chaos in the environment
