Effective Teaching Of Language Arts For Children:

The Effective Teaching of Language Arts Donna E. Norton, 1993 Field tested and backed by sound research this popular methods book provides readers with a broad background in language arts including assessment and instruction in the major areas of speaking listening writing and reading Thoroughly encompassing the back to basics movement and the trend toward literature based instruction it offers clearly developed methodologies and lessons and makes extensive use of children's actual language samples to illustrate ways literature can enhance the development of language arts skills Written by an award winning author the book focuses on material that embraces the needs of all learners linguistically different children multicultural children and children with learning disabilities and handicaps Emphasizing the importance of literature based strategies and the identification of literature that can be applied to each of the language arts it offers For Your Plan Book a special section at the end of most chapters which provides concrete ideas field tested lessons and unit plans teachers can take right into their classroom Literature chapters are now moved to the forefront of the book enabling instructors to place a greater emphasis on literature related language arts Strong methodologies in the composition chapters now encompass the writing process plus results of a five year composition study of the relationships between writing and literature Public school educators parents in home schooling and library personnel

Teaching the Language Arts Cathy Collins Block, 2001 This book explains and demonstrates with a clear step by step approach how communication and thinking competencies can be enhanced through instruction This revision elaborates further on a language arts program built to focus on the needs of individual students Each of the fourteen chapters is divided into three sections covering theoretical foundations practice and professional development giving the text a practical usable organization The second and third sections apply the principles from the first section to the classroom Features in these sections show specific teaching strategies that offer practical ideas for teachers to develop an ongoing and successful teaching repertoire For Language Arts teachers

Early Childhood Language Arts Mary Renck Jalongo, 1992 Early Childhood Language Arts Fourth Edition offers a more comprehensive look at early childhood literacy education integrating the language arts listening speaking reading and writing than any other book on the market In response to the call for evidence based reading instruction the Fourth Edition includes 36 research based teaching strategies and every chapter incorporates information on brain research bilingual education technology and the media's influences on young children Mary Renck Jalongo provides readers with a synthesis of the information on language arts gleaned from research on emergent literacy early childhood education and special education She also underscores what is being emphasized in early childhood teacher accreditation programs namely responding to the increasingly diverse needs of young language learners in inclusive settings working with parents and families and collaborating with professionals in other fields

Handbook of Research on Literacy and Diversity Lesley Mandel Morrow, Robert Rueda, Diane Lapp, 2010-11-03 This is the first research handbook to address all dimensions of

diversity that have an impact on literacy achievement. Leading experts examine how teaching and learning intersect with cultural and language differences and socioeconomic disparities in today's increasingly diverse schools and communities. The volume weaves compelling research findings together with theory, policy considerations and discussions of exemplary instructional practices. It offers fresh perspectives on such topics as family literacy, multiliteracies drawing on cultural resources in the classroom, factors that promote success in high poverty schools, equity issues and ways to teach specific literacy skills. The concluding section provides crucial recommendations for teacher preparation and professional development.

Resources in Education, 2000-04 **Teaching the Language Arts** Denise Johnson, Elizabeth Dobler, Thomas DeVere Wolsey, 2022-09-30 This eBook version includes the following enhancements: interactive features and links to the up-to-date Companion Website with more strategies and examples of practice and student work. This book's unique and engaging voice supported by its many resources will help future and in-service teachers bring the language arts to life in their own classrooms. This book helps readers envision their future classrooms including the role technology will play as they prepare to be successful teachers. Comprehensively updated, the second edition addresses new demands on teaching in traditional and virtual ELA classrooms and the new ways technology facilitates effective instructional practices. Organized around the receptive language arts—the way learners receive information and the expressive language arts—the way learners express ideas, chapters cover all aspects of language arts instruction including new information on planning and assessment, teaching reading and writing fundamentals supporting ELLs, dyslexic and dysgraphic learners using digital tools and more. In every chapter, readers can explore a rich array of teaching tools and experiences which allow readers to learn from real-world classrooms.

The Joy of Children's Literature Denise Johnson, 2023-12-18 This book provides in-depth coverage of children's literature with integrated reading methods in a concise, accessible format. Johnson emphasizes that reading, writing, discussing and finding pleasure in children's books are essential tools in being able to recognize and recommend literature and being able to share the joy of children's literature with children themselves. This fully updated third edition includes up-to-date research, new book titles within each chapter, a greater focus on diversity and inclusion and new sections on Activities for Professional Development and Print and Online Resources.

21st Century Education: A Reference Handbook Thomas L Good, 2008-10-01 21st Century Education: A Reference Handbook offers 100 chapters written by leading experts in the field that highlight the most important topics, issues, questions and debates facing educators today.
