Stephen Walter Sterling,2000 Have you ever looked at the mysterious symbols on the Tarot cards and wondered what they meant Or perhaps you have read the Tarot for others for many years but still don t understand how to use them for meditation and spiritual development Or perhaps you use the intense imagery of the Tarot for meditation but don t think it is appropriate to use this mystical tool for readings Well now you can learn the meaning of the symbols for spiritual development and for giving great readings in Stephen Walter Sterling s Tarot Awareness The Tarot is composed of two major sections the illustrated cards that form the Major Arcana and the cards of the Minor Arcana which are like a deck of playing cards with an extra court card for each suit Each card has a meaning for a reading The meanings of the cards are given in the text The Major Arcana cards also are about the spiritual development of your consciousness As you go through the cards from zero to twenty one you follow the progression of yours spirituality The fifty six cards of the Minor Arcana are associated with your development from the spiritual to the physical In fact they deal with the four levels of progression to manifestation the spiritual emotional mental and physical Put this all together and for the first time you have a book which integrates spiritual and practical meditative and divinatory One of the great things about the Tarot is that it s symbolic Since the unconscious works through symbols it speaks to you Just working with the Tarot helps you to evolve especially when you understand the Tarot s spiritual truths In order to work with the cards the book shares five different readings you can do As an added bonus the book also deals with the difficult subject of proximity relating the cards in a spread to each other as opposed to just their positions in the spread This can enhance your readings on your quest for spirituality *The Ultimate Guide to Tarot Card Meanings* Brigit Esselmont,2017-04-10 Brigit Esselmont Founder of Biddy Tarot the 1 Tarot card meanings website shares her most comprehensive guide to the Tarot cards yet Inside The Ultimate Guide to Tarot Card Meanings you ll find upright and reversed Tarot card meanings for every card interpretations for everyday situations from relationships to career finances and well being journaling prompts keyword charts and so much more Why waste time and money on outdated and confusing Tarot books when you can get the most relevant modern and useful guide to Tarot card meanings you ll ever need It s all here for you in The Ultimate Guide to Tarot Card Meanings **The General History of Ireland** Geoffrey Keating,1841 **Collectanea de rebus hibernicis** ,1770 **Collectanea de Rebus Hibernicus** Charles Vallancey,1786 *The Book of Rights, Now for the First Time Edited, with Translation and Notes.
