*New Perspectives on
the Interrelationship
between Ethnicity
and Economic Life*

EDITED BY GIDEON REUVENI & SARAH NOBICK-SEEV

Economic History Of The Jews

Todd M. Endelman

Economic History Of The Jews:

Economic History of the Jews Salo Wittmayer Baron, 1975 **The Economy in Jewish History** Gideon Reuveni, Sarah Wobick-Segev, 2010-12-01 Jewish historiography tends to stress the religious cultural and political aspects of the past By contrast the economy has been pushed to the margins of the Jewish discourse and scholarship since the end of the Second World War This volume takes a fresh look at Jews and the economy arguing that a broader cultural approach is needed to understand the central importance of the economy The very dynamics of economy and its ability to function depend on the ability of individuals to interact and on the shared values and norms that are fostered within ethnic communities Thus this volume sheds new light on the interrelationship between religion ethnicity culture and the economy revealing the potential of an economic turn in the study of history *The Economic History of European Jews* Michael Toch, 2012-09-28 The Economic History of European Jews attempts to make sense of the economic foundations of Jewish life in the different parts of late antique and early medieval Europe In the first part Michael Toch describes the demographic arc decline subsequent rise and spatial distribution of Jewish populations This data is then broadened to include the range of economic activities The second part analyses the actual share of Jews in different branches of the economy This includes the idea of their pioneer role and the notion of an intercontinental network of Jewish commerce the phenomenon of Jews in agriculture and entrepreneurship gender roles and the household mode of production and the difficult subject of the significance of minority status for economic activity among other subjects This is the most up to date scholarly reassessment of a century of both overly optimistic and occasionally negative interpretations of Jewish population and economic activities a boon to students and researchers of the first millennium of the Jewish experience in Europe and an interesting read for the general public S Bowman University of Cincinnati **Essays in Jewish Social and Economic History** Arcadius Kahan, Roger Weiss, 1986

The ^AOxford Encyclopedia of Economic History Joel Mokyr, 2003-10-16 What were the economic roots of modern industrialism Were labor unions ever effective in raising workers living standards Did high levels of taxation in the past normally lead to economic decline These and similar questions profoundly inform a wide range of intertwined social issues whose complexity scope and depth become fully evident in the Encyclopedia Due to the interdisciplinary nature of the field the Encyclopedia is divided not only by chronological and geographic boundaries but also by related subfields such as agricultural history demographic history business history and the histories of technology migration and transportation The articles all written and signed by international contributors include scholars from Europe Latin America Africa and Asia Covering economic history in all areas of the world and segments of economies from prehistoric times to the present The Oxford Encyclopedia of Economic History is the ideal resource for students economists and general readers offering a unique glimpse into this integral part of world history *Jewish Economy in the Medieval Crown of Aragon, 1213-1327* Yom Tov Assis, 2023-08-07 This is a seminal study of the economic history of the Jewish community of Aragon covering a period of

about 125 years from the beginning of the thirteenth century until 1327 Among other topics the book deals with the policy of the Crown towards moneylending and commerce in the Jewish community the community's control over its members economic activities the Jews' loans to the king and their taxes and subsidies to the Crown The book offers information on the Jews' contribution to economic history that has been very little studied so far It will be of interest to economic historians historians of Jewish Middle Ages hispanists and medievalists in general

The Oxford Encyclopedia of Economic History Joel Mokyr, 2003 What were the economic roots of modern industrialism Were labor unions ever effective in raising workers' living standards Did high levels of taxation in the past normally lead to economic decline These and similar questions profoundly inform a wide range of intertwined social issues whose complexity scope and depth become fully evident in the Encyclopedia Due to the interdisciplinary nature of the field the Encyclopedia is divided not only by chronological and geographic boundaries but also by related subfields such as agricultural history demographic history business history and the histories of technology migration and transportation The articles all written and signed by international contributors include scholars from Europe Latin America Africa and Asia Covering economic history in all areas of the world and segments of economies from prehistoric times to the present The Oxford Encyclopedia of Economic History is the ideal resource for students economists and general readers offering a unique glimpse into this integral part of world history

An Economic History of the Jews in the United States, 1815-1880 Meyer Greenberg, 1944

The Economic History of the Jewish People Jacques Attali, 2010 This book is also a must read to understand the nature of capitalism and the role religious values have played Alan Dershowitz

The Economic History of the Baltimore and Ohio Railroad 1827-1853 Milton Reizenstein, 1897

A Political and Economic History of the Jews of Afghanistan Sara Koplik, 2015-07-14 A Political and Economic History of the Jews of Afghanistan by Sara Koplik describes the situation of Jews in that country during the nineteenth and twentieth centuries particularly 1839-1952 It examines the political economic and social conditions they faced as religious minorities The work focuses upon harsh governmental economic policies of the 1930s and 1940s spearheaded by Abd al Majid Khan Zabuli which caused the impoverishment and suffering of both the local community and refugees from Soviet Central Asia The question of Nazi influence in Afghanistan is addressed with the author arguing that it was mainly limited to the economic sphere An examination of the appeal of Zionism and the community's immigration to Israel is included

The Economic History of European Jews Michael Toch, 2012-09-28 The Economic History of European Jews offers a radical revision of demographics and economics It explains how the presence of Jews was a limited one and their trade was just that trade by Jews not Jewish Trade

The Chosen Few Maristella Botticini, Zvi Eckstein, 2012 In 70 CE the Jews were an agrarian and illiterate people living mostly in the Land of Israel and Mesopotamia By 1492 the Jewish people had become a small group of literate urbanites specializing in crafts trade moneylending and medicine in hundreds of places across the Old World from Seville to Mangalore What caused this radical change The Chosen Few presents a new answer to

this question by applying the lens of economic analysis to the key facts of fifteen formative centuries of Jewish history

The Routledge Companion to Jewish History and Historiography Dean Phillip Bell, 2018-10-10 The Routledge Companion to Jewish History and Historiography provides an overview of Jewish history from the biblical to the contemporary period while simultaneously placing Jewish history into conversation with the most central historiographical methods and issues and some of the core source materials used by scholars within the field The field of Jewish history is profitably interdisciplinary Drawing from the historical methods and themes employed in the study of various periods and geographical regions as well as from academic fields outside of history it utilizes a broad range of source materials produced by Jews and non Jews It grapples with many issues that were core to Jewish life culture community and identity in the past while reflecting and addressing contemporary concerns and perspectives Divided into four parts this volume examines how Jewish history has engaged with and developed more general historiographical methods and considerations Part I provides a general overview of Jewish history while Parts II and III respectively address the rich sources and methodologies used to study Jewish history Concluding in Part IV with a timeline glossary and index to help frame and connect the history sources and methodologies presented throughout The Routledge Companion to Jewish History and Historiography is the perfect volume for anyone interested in Jewish history

Aspects of Jewish Economic History Marcus Arkin, 1975-11-01

The Jews of Britain, 1656 to 2000 Todd M. Endelman, 2002-03-01 In Todd Endelman's spare and elegant narrative the history of British Jewry in the modern period is characterized by a curious mixture of prominence and inconspicuousness British Jews have been central to the unfolding of key political events of the modern period especially the establishment of the State of Israel but inconspicuous in shaping the character and outlook of modern Jewry Their story less dramatic perhaps than that of other Jewish communities is no less deserving of this comprehensive and finely balanced analytical account Even though Jews were never completely absent from Britain after the expulsion of 1290 it was not until the mid seventeenth century that a permanent community took root Endelman devotes chapters to the resettlement to the integration and acculturation that took place more intensively than in other European states during the eighteenth century to the remarkable economic transformation of Anglo Jewry between 1800 and 1870 to the tide of immigration from Eastern Europe between 1870 and 1914 and the emergence of unprecedented hostility to Jews to the effects of World War I and the turbulent events up to and including the Holocaust and to the contradictory currents propelling Jewish life in Britain from 1948 to the end of the twentieth century We discover not only the many ways in which the Anglo Jewish experience was unique but also what it had in common with those of other Western Jewish communities

The Jews of Poland Bernard Dov Weinryb, 1973 The Jews of Poland tells the story of the development and growth of Polish Jewry from its beginnings around the year 1200 when it numbered a few score people to about six hundred years later when it totaled a million or more people This book records the development of this Jewish community It attempts to capture the uniqueness of each period in the history of this

community In recounting the saga of Polish Jewry the book endeavors to see Polish Jews as human beings acting and reacting humanly to the exigencies of life with courage and weakness high ideals beliefs and sacrifices on one hand and human frailty passions and ambitions on the other

The Jewish Economic Elite Cornelia Aust, 2018-02-27 1 Amsterdam a center of credit 2 Frankfurt an der Oder Central European middlemen 3 Border lands legal restrictions army supplying and economic success 4 Praga a stepping stone 5 Warsaw the rise of a Jewish economic elite

The Economics of the Mishnah Jacob Neusner, 1990-03 In this compelling study Jacob Neusner argues that economics is an active and generative ingredient of the system of the Mishnah The Mishnah directly addresses such economic concerns as the value of work agronomics currency commerce and the marketplace and correct management of labor and of the household In all its breadth the Mishnah poses the question of the critical place occupied by the economy in society under God's rule The Economics of the Mishnah is the first book to examine the place of economic theory generally in the Judaic system of the Mishnah Jacob Neusner begins by surveying previous work on economics and Judaism the best known being Werner Sombart's *The Jews and Modern Capitalism* The mistaken notion that Jews have had a common economic history has outlived the demise of Sombart's argument and it is a notion that Neusner overturns before discussing the Mishnaic economics Only in Aristotle Neusner argues do we find an equal to the Mishnah's accomplishment in engaging economics in the service of a larger systemic statement Neusner shows that the framers of the Mishnah imagined a distributive economy functioning through the Temple and priesthood while also legislating for the action of markets The economics of the Mishnah then is to some extent a mixed economy The dominant distributive element in this mixed economy Neusner contends derives from the belief that the Temple and its designated castes on earth exercise God's claim to the ownership of the holy land He concludes by considering the implications of the derivation of the Mishnah's economics from the interests of the undercapitalized and overextended farmer

Economic History of the Jews in England Harold Pollins, 1984-09 The author considers the trades and professions in which the Jews participated and shows how from the seventeenth century to the present day a process of economic adaptation and pioneering enterprise contributed both to the growth and changing class structure of the Anglo Jewish community and to the development of the British economy
