Economics of Strategy Besanko,1996-07-01 Economic Foundations of Strategy Joseph T. Mahoney,2004-07-08
Economic Foundations of Strategy provides not only the essential basic tenets of strategy it also shows the inter relationships
of five major theories of the firm the behavioral theory transaction costs theory property rights theory agency theory and
dynamic resource based theory Even though technological organizational and institutional change advances breathlessly the
theories of the firm provided in this research book are durable principles that have stood and the author maintains will
continue to stand the test of time Economic Foundations of Strategy emphasizes the complementarities among these five
theories of organization and the potential for integrating these theories in the evolving science of organization Applications
of these theories to business practice are emphasized throughout the book Readings in the Economics of War John
