Ecology And Empire The Structure Of The Urartian State:

Ecology and Empire--the Structure of the Urartian State Paul E. Zimansky,1931 **A Companion to the Achaemenid Persian Empire, 2 Volume Set** Bruno Jacobs,Robert Rollinger,2021-08-31 A COMPANION TO THE ACHAEMENID PERSIAN EMPIRE A comprehensive review of the political cultural social economic and religious history of the Achaemenid Empire Often called the first world empire the Achaemenid Empire is rooted in older Near Eastern traditions A Companion to the Achaemenid Persian Empire offers a perspective in which the history of the empire is embedded in the preceding and subsequent epochs In this way the traditions that shaped the Achaemenid Empire become as visible as the powerful impact it had on further historical development But the work does not only break new ground in this respect but also in the fact that in addition to written testimonies of all kinds it also considers material tradition as an equal factor in historical reconstruction This comprehensive two volume set features contributions by internationally recognized experts that offer balanced coverage of the whole of the empire from Anatolia and Egypt across western Asia to northern India and Central Asia Comprehensive in scope the Companion provides readers with a panoramic view of the diversity richness and complexity of the Achaemenid Empire dealing with all the many aspects of history event history administration economy society communication art science and religion illustrating the multifaceted nature of the first true empire A unique historical account presented in its multiregional dimensions this important resource deals with many aspects of history administration economy society communication art science and religion it deals with topics that have only recently attracted interest such as court life leisure activities gender roles and more examines a variety of available sources to consider those predecessors who influenced Achaemenid structure ideology and self expression contains the study of *Nachleben* and the history of perception up to the present day offers a spectrum of opinions in disputed fields of research such as the interpretation of the imagery of Achaemenid art or questions of religion includes extensive bibliographies in each chapter for use as starting points for further research devotes special interest to the east of the empire which is often neglected in comparison to the western territories Part of the acclaimed Blackwell Companions to the Ancient World series A Companion to the Achaemenid Persian Empire is an indispensable work for students instructors and scholars of Persian and ancient world history particularly the First Persian Empire The Archaeology of Iran from the Palaeolithic to the Achaemenid Empire Roger Matthews,Hassan Fazeli Nashli,2022-06-30 The Archaeology of Iran from the Palaeolithic to the Achaemenid Empire is the first modern academic study to provide a synthetic diachronic analysis of the archaeology and early history of all of Iran from the Palaeolithic period to the end of the Achaemenid Empire at 330 BC Drawing on the authors deep experience and engagement in the world of Iranian archaeology and in particular on Iran based academic networks and collaborations this book situates the archaeological evidence from Iran within a framework of issues and debates of relevance today Such topics include human environment interactions climate change and societal fragility the challenges of urban living individual and social

identity gender roles and status the development of technology and craft specialisation and the significance of early bureaucratic practices such as counting writing and sealing within the context of evolving societal formations Richly adorned with more than 500 illustrations many of them in colour and accompanied by a bibliography with more than 3000 entries this book will be appreciated as a major research resource for anyone concerned to learn more about the role of ancient Iran in shaping the modern world

Anatolian Iron Ages 5 G. Darbyshire, 2005-07-28 The Fifth Anatolian Iron Ages Colloquium held at Van in 2001 brought together specialists from Turkey Europe and America to focus on the archaeology of Anatolia in the complex period between the collapse of the Hittite empire and the Persian conquest The papers gathered in this volume cover the area from Urartu in the east to Phrygia in the west and range from the discussion of broad problems of chronology and cultural interaction to the presentation of new material from both major and less well known sites Although most of the papers relate to the area of present day Turkey a significant feature of the Fifth Colloquium was the inclusion of papers placing Anatolian archhaeology in its wider context from Thrace through the Black Sea area to the Caucasus and beyond
