Economic Enquiry In Australia:

Economic Enquiry in Australia Craufurd D. Goodwin, 1966 Report of the Committee of Economic Enquiry, 1963

Australia in the Global Economy Barrie Dyster, David Meredith, 2012-09-28 With the global economy in crisis there is great need for a deeper understanding of Australia's economic place in the world both today and throughout history This new edition of Barrie Dyster and David Meredith's highly successful book is fully updated and includes three new chapters covering until the end of 2011 The book explores the evolution of Australia's position in the global economy from the start of the twentieth century through to the present day examining the international and local economies of five key historical periods With a focus on trade foreign investment and immigration the book considers periods both of growth and decline By using historical perspectives to explain the present and give direction to the future this unique book presents a rich account of Australia's position within a global economic context It is an essential resource for students and lecturers of Australian economic history

Australia in the Global Economy David Meredith, Barrie Dyster, 2000-01-17 This up to date volume considers Australian economic development in light of worldwide political and social developments arguing that the Australian economy is an integral part of the world economy and subject to the same trends across the globe The book also focuses on domestic factors that have shaped the growth of the Australian economy such as the growth of exports the role of foreign capital and the positive contribution of migrants The authors also consider the Gulf Wars the East Asian financial crisis and globalization

Australia's Economy in Its International Context, Volume 2: 1956-2012 Kym Anderson, 2012 This two volume collection brings together the first 56 Joseph Fisher Lectures in economics and commerce presented at the Adelaide University every other year since 1904 Funds for the Lectures together with a medal for the top accounting student each year were kindly provided by a 1 000 endowment to the University by the prominent Adelaide businessman Joseph Fisher in 1903 The Lectures address a wide range of Australian economic issues in addition to some international economic issues of national significance They have stood the test of time extremely well while also providing a reminder of the events and concerns that were prominent at different times during the past century

A History of Australasian Economic Thought Alex Millmow, 2017-07-14 This book explains how Australian and New Zealand economists exerted influence on economic thought and contributed to the economic life of their respective countries in the twentieth century Besides surveying theorists and innovators this book also considers some of the key expositors and builders of the academic economics profession in both countries The book covers key economic events including the Great Depression the Second World War the post war boom and the great inflation that overtook it and lastly the economic reform programs that both Australia and New Zealand undertook in the 1980s

Australian Economic Background, from the Report of the Committee of Economic Enquiry Australia. Committee of Economic Enquiry, 1966

Economic Relations Between Britain and Australia from the 1940s-196 J. Singleton, Paul Robertson, 2001-12-14 In the early postwar era Britain enjoyed a very close economic relationship with Australia and New Zealand through their common membership of the Sterling Area and the Commonwealth Preference Area This book examines the breakdown of this relationship in the 1950 and 1960s Britain and Australasia were driven apart by disputes over industrial protection agriculture capital supplies and relations with other countries Special emphasis is given to the implications for Australia and New Zealand of Britain's growing interest in European integration

Australia's War 1939-45 Joan Beaumont, 2020-09-10 The Second World War was a dominant experience in Australian history For the first time the country faced the threat of invasion The economy and society were mobilised to an unprecedented degree with 550 000 men and women or one in twelve of a population of over 7 million serving in the armed forces overseas Social patterns and family life were disrupted Politically the war gave a new legitimacy to the Australian Labor Party which had been confined to the wilderness of the Opposition at the Federal level for most of the inter war years The powers of the Federal government increased and a new momentum for social reform was generated at the popular and governmental level In the international sphere the war fundamentally shook Australian confidence in the power on which it had relied for generations Great Britain It generated a sense of independence in

Australian foreign policy and initiated a new if halting and problematic realignment towards the United States In this accessible book Joan Beaumont Kate Darian Smith David Lee David Lowe Marnie Haig Muir Roy Hay and David Walker consider the range of Australia s experience of this conflict In a single volume they draw together the many aspects of the war and distil the current state of historical scholarship Australia s War 1939 45 will be invaluable to tertiary students and of enormous interest to the reader concerned with the social political and military history of Australia A companion volume on the First World War is also available
