El Secreto De Hitler:

El Secreto de Hitler Lothar Machtan, 2002-10 *Hitler's Secret Book* Lin Xun, Micky Barnetti, Aunt Jemima, Many secrets revealed about Adolf Hitler including 1 NEW HITLER DISCOVERY Hitler renamed his political party from DAP to NSDAP National Socialist German Workers Party because he needed the word Socialist in his party's name so that Hitler could use swastikas as S letter shaped logos for SOCIALIST as the party's emblem The party's name had to fit in Hitler's socialist branding campaign that used the swastika and many other similar alphabetical symbols including the SS and SA and NSV and VW etc He was selling socialism by selling flags and related merchandise of Francis Bellamy The new discovery part is that the public doesn't know that Hitler's use of the swastika as alphabetical symbolism is a reason why he changed the name of the party adding the word socialist The new discovery is also that it is additional proof that Hitler employed the swastika as alphabetical symbolism of S letter shapes for his socialism The discoveries are from the historian Dr Rex Curry's work 2 NEW SWASTIKA DISCOVERY Vladimir Lenin's swastika is revealed herein The impact of Lenin's swastikas was reinforced at that time with additional swastikas on ruble money paper currency The swastika became a symbol of socialism under Lenin Its influence upon Adolf Hitler is explained in this book 3 Hitler altered his own signature to reflect his S shapes for socialism logo branding 4 There is no evidence that Hitler ever used the word swastika in his life 5 The term swastika never appears in the original Mein Kampf 6 Hitler and his supporters self identified as socialists by the very word in voluminous speeches and writings The term Socialist appears throughout Hitler's book Mein Kampf as a self description by Hitler 7 Hitler never called himself a Nazi There was no Nazi Germany There was no Nazi Party Those terms are slang to hide how Hitler and his comrades self identified SOCIALIST 8 Hitler never called himself a Fascist That term is misused to hide how Hitler and his comrades self identified SOCIALIST 9 The term Nazi isn't in Mein Kampf nor in Triumph of the Will 10 The term Fascist never appears in Mein Kampf as a self description by Hitler 11 Soviet socialists and German socialists partnered for International Socialism in 1939 They launched WWII invading Poland together and continued onward from there killing millions Soviet socialism had signed on for Hitler's Holocaust 12 After Hitler's death Stalin continued the plan he had made with Hitler for Global Socialism Stalin took over the same areas that Hitler had captured He used the same facilities that Hitler had used Hitler's Holocaust never ended Stalin replaced Hitler 13 Nazi salutes and Nazi behavior originated in the USA from the Pledge of Allegiance to the Flag The pledge was written by an American National Socialist named Francis Bellamy Francis Bellamy was the cousin of Edward Bellamy another infamous American National Socialist They worked together to promote their dogma in the USA 14 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly 15 The Bellamy cousins promoted socialist schools that imposed segregation by law and taught racism as official policy 16 Mussolini was a long time socialist leader with a socialist background raised by socialists to be a socialist and he joined socialists known as fascio fasci and fascisti 17 Fascism came

from a socialist e g Mussolini Communism came from a socialist e g Marx Fascism and Communism came from socialists Hitler s political philosophy continues to be admired by modern politicians Bernie Sanders self identifies the same as Hitler SOCIALIST Alexandria Ocasio Cortez self identifies the same as Hitler too They also admire Marx Other politicians gladly adopt and repeat the same ideas even if they are too dishonest to admit that they are socialists Every election witnesses Americans struggling to bring Germany s past into the present MSM polling reports that 70 percent of millennials say they would vote for a candidate who self identifies the same as Hitler 2019 YouGov poll According to another report 60 percent of Millennials age 24 39 support a complete change of our economic system Hitler and Marx were anti bourgeois and advocated revolution Many people long for the same revolutions The Deutschland s two top germs continue to spread globally China drooled over Marx the embarrassing video Chinese President Xi Jinping delivers speech on anniversary of Marx s birth 2018 China is humiliated by the same old German who influenced Hitler Of course China has the largest population billions who self identify the same as Hitler SOCIALIST the same way that Marx self identified China s lethal attraction to Marx and Hitler was huge compared to the USA s That is why the books of Marx and Hitler were once considered too dangerous for the general public But Mein Kampf was a bestseller as recently as 2017 Its popularity grows worldwide It has always been one of Amazon s better selling book titles Hitler and Marx are always trending on the internet Germany s two top white male racist political philosophers stay in vogue despite their stale policies Ideas from the Deutschland duo are adored and repeated often on social media and by the mainstream media MSM in the USA Hitler Stalin Mao Mussolini and other tyrants were influenced by propaganda in the USA including the childish American socialists Francis Bellamy and Edward Bellamy Both Bellamy cousins wanted government to take over all schools to teach socialism to all youngsters worldwide Francis Bellamy was the author of the Pledge of Allegiance to the flag the source of the infamous stiff armed salute adopted later under German socialism and Adolf Hitler Long before the Deutschland fad began American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy Anyone who rejected the ritual in the schools was persecuted America s Nazi salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don t want to know the truth about the government s past TV newspapers and other MSM will not show a historic photo or video of the early American straight arm salute nor mention its history and impact worldwide [Hitler's Foreign Policy 1933-1939](#) Gerhard L. Weinberg,2010-03-01 Hitler s path to war consisted of two different stages that paralleled the internal development of Germany From 1933 to the end of 1936 he created a diplomatic revolution in Europe From a barely accepted equal Germany became the dominant power on the continent With the remilitarization of the Rhineland the stalemate in the Spanish Civil War the forming of the Axis and the signing of the Anti Comintern Pact the first phase was completed In the second phase the

diplomatic initiative in the world belonged to Germany and its partners Germany's march toward war therefore became the central issue in world diplomacy **Hitler's Suppressed and Still-Secret Weapons, Science and Technology** Henry Stevens, 2007-08 What spooked the Allies in the closing months of the war Why they were in such a panic to win quickly Because they knew the Nazis were developing supermetals electric guns lasers and ray weapons Here are official previously suppressed reports of cold bombs the red mercury bomb oxygen bombs fuel air bombs atomic bombs and rumors of the mysterious molecular bomb The SS black alchemists delivered large mystery rockets with technology far beyond the V 2 They also invented the computer magnetic tape and computer programs refined crude oil using sound waves or produced gasoline for 11 cents per gallon as well as the synthetic penicillin substitute 3065 Includes German experiments in time sustained fusion reactions zero point energy and travel in deep space *The Secret Life of Adolf Hitler* Eldorous Lyons Dayton, 1960

Hardy, 1968 **Hitler's Japanese Confidant** Carl Boyd, 1993 In 1940 the US Army Signal Intelligence Service broke the Japanese diplomatic code In 1975 Oshima Hiroshi Japan's ambassador to Berlin during World War II died never knowing that the hundreds of messages he transmitted to Tokyo had been fully decoded by the Americans and whisked off to Washington providing a major source of information for the Allies on Nazi activities **The Soviet Colossus** Michael G. Kort, 2019-04-17 The Soviet Colossus revisits the turning points in Russia's modern history from the fall of the tsarist regime to the establishment of the Bolshevik dictatorship and Stalinist totalitarianism the reforms and counter reforms of Khrushchev and Brezhnev to the reform program of Mikhail Gorbachev and the resultant collapse of the Soviet Union and from the effort to build a democratic and free market Russia under Boris Yeltsin to the political authoritarianism and the establishment of a state capitalist economy under Vladimir Putin This eighth edition has been revised and updated to cover the latest developments from the Putin administration These revisions include added emphasis on the increasing authoritarian nature of Russia's political system the serious challenges posed by the country's unsolved economic and social problems and the growing tensions between Russia on the one hand and the United States and the European Union on the other as a result of Moscow's aggression against Ukraine Kort combines this updated account with a broad exploration of Russia's political history examining how the Soviet past has been woven into the fabric of the modern Russian state a state which plays such a major assertive role in global affairs but which simultaneously remains an allusive secretive entity With Russia's increasing influence on the global stage and the controversies that often accompany this The Soviet Colossus is an invaluable resource for students of history politics and international relations **Stalin's Secret War** Robert W. Westermann,2005 When the German Wehrmacht swarmed across Eastern Europe an elite corps followed close at its heels Along with the SS and Gestapo the Ordnungspolizei or Uniformed Police played a central role in Nazi genocide that until now has been generally neglected by historians of the war Beginning with the invasion of Poland the Uniformed Police were charged with following the army to curb resistance pacify the countryside patrol Jewish ghettos and generally maintain order in the conquered territories Edward Westermann examines how this force emerged as a primary instrument of annihilation responsible for the murder of hundreds of thousands of the Third Reich s political and racial enemies In Hitler s Police Battalions he reveals how the institutional mindset of these ordinary policemen allowed them to commit atrocities without a second thought To uncover the story of how the German national police were fashioned into a corps of political soldiers Westermann reveals initiatives pursued before the war by Heinrich Himmler and Kurt Dalwege to create a culture within the existing police forces that fostered anti Semitism and anti Communism as institutional norms Challenging prevailing interpretations of German culture Westermann draws on extensive archival research including the testimony of former policemen to illuminate this transformation and the callous organizational culture that emerged Purged of dissidents indoctrinated to idolize Hitler and trained in military combat these police battalions often numbering several hundred men repeatedly conducted actions against Jews Slavs gypsies asocials and other groups on their own initiative even when they had the choice not to In addition to documenting these atrocities Westermann examines cooperation between the Ordnungspolizei and the SS and Gestapo and the close relationship between police and Wehrmacht in the conduct of the anti partisan campaign of annihilation Throughout Westermann stresses the importance of ideological indoctrination and organizational initiatives within specific groups It was the organizational culture of the Uniformed Police he maintains and not German culture in general that led these men to commit genocide Hitler s Police Battalions provides the most complete and comprehensive study to date of this neglected branch of Himmler s SS and Police empire and adds a new dimension to our understanding of the Holocaust and the war on the Eastern front *Hitler Strikes Poland* Alexander B. Rossino,2003 Usually given short shrift in most histories of World War II Hitler s invasion of Poland was more than a series of opening salvos it was a testing ground for German brutalities to come This is a comprehensive study of the campaign including insights into its ideological underpinnings *The Rise of the Fourth Reich* Jim Marrs,2008-06-24 The New York Times bestselling conspiracy theorist offers startling new evidence that the Nazis have been secretly planning a return to power in the United States **The White Crow** Frank Durham,2011-06-29 April 22 1945 Hitler sits in his bunker deep beneath the doomed city of Berlin He knows death is near He has soared to glory since he was that strange eccentric corporal the White Crow of the First World War trenches Soon he and his Third Reich will be nothing but dust and ashes But the fallen Fuhrer is nursing a great secret He has ensured the Blood of the Fuhrer will live on One day the terror of jack boots will once again ring down the streets of Europe All it will need to spark the birth of the Fourth Reich will be to find a man with the same

Hitler's American Friends Bradley W. Hart, 2018-10-02 A book examining the strange terrain of Nazi sympathizers nonintervention campaigners and other voices in America who advocated on behalf of Nazi Germany in the years before World War II Americans who remember World War II reminisce about how it brought the country together The less popular truth behind this warm nostalgia until the attack on Pearl Harbor America was deeply dangerously divided Bradley W Hart s Hitler s American Friends exposes the homegrown antagonists who sought to

protect and promote Hitler leave Europeans and especially European Jews to fend for themselves and elevate the Nazi regime Some of these friends were Americans of German heritage who joined the Bund whose leadership dreamed of installing a stateside Führer Some were as bizarre and hair raising as the Silver Shirt Legion run by an eccentric who claimed that Hitler fulfilled a religious prophecy Some were Midwestern Catholics like Father Charles Coughlin an early right wing radio star who broadcast anti Semitic tirades They were even members of Congress who used their franking privilege sending mail at cost to American taxpayers to distribute German propaganda And celebrity pilot Charles Lindbergh ended up speaking for them all at the America First Committee We try to tell ourselves it couldn't happen here but Americans are not immune to the lure of fascism Hitler's American Friends is a powerful look at how the forces of evil manipulate ordinary people how we stepped back from the ledge and the disturbing ease with which we could return to it
