Eleanor Rigby:

The Continuing Story of Eleanor Rigby Colin Campbell, 2018-03-20 Colin Campbell investigates the nature of the story that can be extracted from the intriguing words and powerful images contained in this famous Beatles song Eleanor Rigby is one of the most well loved of all Beatles songs both because of its haunting melody and also memorably for lyrics that have fascinated and intrigued Beatles fans all round the world since it was first released in 1966 This scholarly work assesses the plausibility of the many different stories that commentators and fans have spun from the enigmatic words and phrases of this lyric and while dismissing the more fanciful tries to arrive at a version that is both consistent and tenable At the same time Professor Campbell explores both the reasons for the enduring appeal of this much loved lyric and its significance for the Beatles development from jobbing song writers to sophisticated artists Eleanor Rigby Douglas Coupland, 2010-01-11 Liz Dunn is one of the world's lonely people She's in her late thirties and has a boring cubicle job at a communications company doing work that is only slightly more bearable than the time she spends alone in her depressingly sterile box of a condo Her whole life she's tried to get to the root of her sadness to figure out what she's been doing wrong with little success But then one night in 1997 everything changes while standing in the parking lot of a video store arms full of sappy movies she's rented to help her convalesce from oral surgery she witnesses the passing of the Hale Bopp comet For Liz this streak of light across the sky is a portent of radical change and for her radical change means finally accepting her lot I realized that my life while technically adequate had become all it was ever going to be No more trying to control everything it was now time to go with the flow In that moment and for the first time Liz feels truly free A day after Liz makes the decision to seek peace in her life rather than control along comes another comet in the form of a stranger admitted to the local hospital with her name and number inscribed on his MedicAlert bracelet The young man it turns out is her son whom she gave up for adoption when she was sixteen Jeremy shows the scars of his years as a foster child and his most recent drug reaction but is otherwise beautiful and charming And when he moves in with Liz to recuperate it's as if both of them had been waiting for this moment all their lives With Eleanor Rigby Douglas Coupland has given us a powerful and entertaining portrait of a woman who could be any one of us someone who thinks it is too late to make anything of her life who feels defeated by the monotony of her days yet who also holds within her the potential for monumental change and for great love

Who Was Eleanor Rigby Brandon Toropov, 1996-11-28 For which album were the songs Strawberry Fields Forever and Penny Lane originally intended What was the original title of the album eventually released as Abbey Road Which instruments were played by the Fab Four during the recording of She's Leaving Home These are just some of the almost 1 000 questions included in Who Was Eleanor Rigby Organized year by year in chronological chapters the book includes questions covering all facets of the band from Liverpool and is a surefire hit with all their fans More than 25 years after their break up the Beatles are once again the hottest act in music The recent documentary on the band was one of the biggest
