tiempos sino que también revela lo que aún tiene que ocurrir antes de ese fatídico momento en que cada individuo no redimido debe enfrentarse a Dios en el Día del Juicio Final. Esta es la quintaesencia de Hagee sobre la profecía bíblica y la enseñanza del fin de los tiempos. Este libro perspicaz es un recurso ideal para los cristianos que buscan una guía de lo que la Biblia dice sobre el fin de los tiempos y cómo reconocer que se acercan. *The End of The Age: The world as we know it will end neither with a bang nor a whimper but in stages clearly set forth in God's Word.* In *The End of The Age* John Hagee uses Scripture as a guide as he counts down the prophetic minutes through events that must occur before that fateful moment when every unredeemed individual must face God on Judgment Day. Citing examples from national and international media and using Scripture to confirm his insights, he presents a compelling argument to prove that time is indeed running out. Updated and revised from its previous publication under the title *From Daniel to Doomsday*, *The End of The Age* reports on the headlines occurring today for the coming Rapture. It not only interprets the times but also unveils what has yet to occur before that fateful moment when every unredeemed individual must face God on Judgment Day. This is quintessential Hagee on Bible prophecy and end times teaching. This insightful book is an ideal resource for Christians looking for a guide to what the Bible says about the end times and how to recognize that they are approaching. **La Biblia en 52 semanas** Dr. Kimberly D.
