A lo largo del libro se muestran las huellas de ese intercambio para así facilitar la aproximación a su obra. Al descubrir esas claves paisajísticas que dan sentido a las ideas arquitectónicas de sus proyectos se pretende poner en valor al paisaje como un material muy fértil en manos del arquitecto moderno. Acaso es su vigencia la que hoy agotados ya de tantos excesos visuales de rápido consumo en los medios especializados podamos reivindicar para el ejercicio profesional contemporáneo.

Affect and Belonging in Contemporary Spanish Fiction and Film Jesse Barker, 2017-08-24 This book brings together recent Spanish fictions and films that point to individualism as the root problem driving diverse circumstances of social economic and psychological suffering in the present and recent past. The works privilege sensation, movement and emotion rather than identity as the core elements of existential experience. However, the works also problematize notions of intersubjectivity, confronting ideals of affective immersion and cultural nomadism with the concrete contexts that shape particular lives and social formations. This confrontation underlies a series of crossroads or productive engagements that guide the book's five main chapters: locally rooted identity and global cultural circuits; historical contexts and universal modes of being; personal authenticity and consumer culture; migration and cultural identity; Spain's historical underdevelopment and impending future crises. All of these issues make affective connection and attachment the greatest existential challenge facing individuals and collectives in the contemporary world, both in Spain and elsewhere.

Sagrada Família s. XXI Mark Burry, Jordi Coll Grifoll, Josep Gómez Serrano, Josep Gómez, 2008. El llibre ens explica com a partir d'una geometria simple i d'un desenvolupament complex se fa l'aplicació constructiva a cadascuna de les parts del Temple. Aquest no és un llibre més sobre Gaudí sin que és el llibre que ens explica les claus de la modulació geomètrica de Gaudí i a dir el vocabulari per a entendre i prosseguir la Sagrada Família.
