**Jeremy Thomas, Tony Hughes**

## **Electronic Elephant:**

*Tom Swift and His Electric Rifle, Or, Daring Adventures in Elephant Land* Victor Appleton, 1911      **Zimbabwean**

**Transitions** Mbongeni Z. Malaba, Geoffrey V. Davis, 2007 This collection of essays on Zimbabwean literature brings together studies of both Rhodesian and Zimbabwean literature spanning different languages and genres It charts the at times painful process of the evolution of Rhodesian Zimbabwean identities that was shaped by pre colonial colonial and post colonial realities The hybrid nature of the society emerges as different writers endeavour to make sense of their world Two essays focus on the literature of the white settler The first distils the essence of white settlers alienation from the Africa they purport to civilize revealing the delusional fixations of the racist mindset that permeates the discourse of the white man s burden in imperial narratives The second takes up the theme of alienation found in settler discourse showing how the collapse of the white supremacists dream when southern African countries gained independence left many settlers caught up in a profound identity crisis Four essays are devoted to Ndebele writing They focus on the praise poetry composed for kings Mzilikazi and Lobengula the preponderance of historical themes in Ndebele literature the dilemma that lies at the heart of the modern Ndebele identity and the fossilized views on gender roles found in the works of leading Ndebele novelists both female and male The essays on English language writing chart the predominantly negative view of women found in the fiction of Stanley Nyamfukudza assess the destabilization of masculine identities in post colonial Zimbabwe evaluate the complex vision of life and reality in Charles Mungoshi s short stories as exemplified in the tragic isolation of many of his protagonists and explore Dambudzo Marechera s obsession with isolated threatened individuals in his hitherto generally neglected dramas The development of Shona writing is surveyed in two articles the first traces its development from its origins as a colonial educational tool to the more critical works of the post 1980 independence phase the second turns the spotlight on written drama from 1968 when plays seemed divorced from the everyday realities of people s lives to more recent work which engages with corruption and the perversion of the moral order The volume also includes an illuminating interview with Irene Staunton the former publisher of Baobab Books and now of Weaver Press      The Elephant's Ball Evelyne Johnson, 1977-01-01 Elephant holds a real dress up ball for all her animal friends      **A new universal etymological technological, and pronouncing dictionary of the English language** John Craig (F.G.S.), 1848      **SEE & CONTROL DEMONS & PAINS** Rizwan Qureshi, 2013-01-10 Rizwan Qureshi is from Columbus Texas USA He writes all his personal knowledge experiences and 100 percent true information about demons pains painless diseases and cancer infection insects He writes pure truth and only those things in this and book 1 whatever he was dealing and experiencing by himself His source of knowledge is purely his own experiences with dealing with supernatural invisible demons different kind of invisible pains and painless diseases According to him cancer is a very easily treatable and curable disease As he sees it thousands of demons are residing in our houses around us According to him demons cannot perform any physical activity by themselves

He explains that by nature demons are very arrogant and extremely negative The author suggested several practical ideas procedures and theories for common people medical and modern science on how they can learn and handle demons pains painless diseases and insects responsible for cancer by themselves The author is 100 percent sure that after reading his books everyone will be aware and will be able to control the invisible parallel world around them In this book he writes clear instructions for individuals on how they can communicate and interact with the demons around them how to make demons around them their friends and how to ask demons to do some stuff for them Author describes in detail how much stuff we can expect our demon friends to do for us Author writes very clear and very easy instructions for an individual once someone decides to learn how to communicate with demons He advises everyone to start practicing [The Secret Elephants](#) Gareth Patterson,2012-09-28 The elephants of the Knysna forest have long been the subject of mystery and conjecture Over the years they have taken on an almost mythical quality with many doubting whether they existed at all In 1994 the local forestry department maintained that there was only one surviving Knysna elephant the seldom seen female known as The Matriarch The Knysna elephant was thus described as functionally extinct This was the official stance until September 2000 when forest guard Wilfred Oraai encountered and photographed a young bull from a distance of some thirty metres The question arose who was its mother And indeed who was its father In 2001 Gareth Patterson began an independent study of the Knysna elephant For the next seven years he covered thousands of kilometres on foot following ancient elephant paths through the dense Afromontane forest and the surrounding mountain fynbos He found abundant signs to suggest that far from dying out the Knysna elephants are quietly and secretly holding their own Patterson s fieldwork and his dna research in collaboration with conservation geneticist Lori Eggert established that at least five young females exist lending support to Patterson s growing evidence that the Knysna forest and its surroundings are home to a small herd of young elephants The Secret Elephants is the story of these remarkable animals that fought their way back from the brink of extinction without any help from humankind **Throbbing Gristle** Ian Trowell,2023-10-13 In 1976 the British band Throbbing Gristle emerged from the radical arts collective COUM Transmissions through core members Genesis P Orridge and Cosey Fanni Tutti joined by Hipgnosis photographer Peter Christopherson and electronics specialist Chris Carter Though having performed previously in more low key arts environments their major launch coincided with the COUM retrospective exhibition Prostitution at London s ICA gallery showcasing and contextualising an array of challenging objects from COUM s various actions in performance art and pornography In a deliberately curated strategy inviting press civic and arts dignitaries extravagant followers of the nascent punk scene and music journalists the band created an instant controversy and media panic that tapped into the restrictive climate and encroaching conservatism of late 1970s Britain Any opportunities that were being explored by a formative punk ethos and movement around sex censorship and transgression were amplified and exposed by Throbbing Gristle and Prostitution An outraged Member of Parliament Nicholas Fairbairn took the bait and called the ensemble the

wreckers of civilisation providing the suitable newspaper headline that would be followed a month later by the filth and the fury as the Sex Pistols uttered strong profanities on live television The switch from COUM to Throbbing Gristle encompassed a primary mode of expression in making music as opposed to art to further coincide with the energy of the nascent punk scene The band quickly developed a radically deviant and challenging reputation through pushing the punk format past its strictures in terms of lyrical themes amateurism and considerations of what constitutes music Through a handful of record releases on their own label Industrial Records and a sporadic string of live performances the band nurtured a strong and devoted following including key journalists and fanzine editors of the punk and post punk scenes such as Jon Savage and Sandy Robertson The band's style of exploring harsh pre recorded sounds samples of disconcerting narrative and conversation and feeding all sounds through messy electronic processing devices gave rise to the title industrial music This was further buttressed by performing a strictly timed set of one hour and adopting a non rockstar mode by appearing disinterested and preoccupied with electronic devices Having given a name and impetus to the industrial music scene many of their followers and fans formed bands in later years Drawing on works such as Andy Bennett's *When the Lights Went Out* this book looks at late 1970s Britain before during and immediately after the Winter of Discontent to situate the activism of Throbbing Gristle in this time It explores how the band worked in and against the time and how they worked in and against punk as punk worked in and against the time and place Punk acts as a mediating factor and nuisance value as Throbbing Gristle emerged with punk in late 1976 seemingly grappled with it through 1977 and then went on to create and eventually criticise a number of post punk scenes that had flourished around 1979 Trowell narrates the story through a series of live performances as this is a point where Throbbing Gristle interact with the various city scenes around England during their original period of operation 1975 1981 The band reflected and incorporated into their live music key tropes from the time both mainstream and fringe subcultural avant garde art counter culture taboo subjects extremes such that Throbbing Gristle events had an impact and affect and Trowell traces these as a series of impressions and reverberations amongst fans who went on to do their own music and projects

**A New Universal, Technological, Etymological, and Pronouncing Dictionary of the English Language** John Craig, 1854 *Emergency Department Operations and Administration, An Issue of Emergency Medicine Clinics of North America* Joshua Joseph, Benjamin White, 2020-07-16 This issue of *Emergency Medicine Clinics* guest edited by Joshua Joseph and Benjamin White focuses on Emergency Department Operations and Administration Topics include Emergency Department Operations Overview Queuing Theory and Modeling ED Resource Utilization Factors Affecting ED Crowding Staffing and Provider Productivity in the ED Patient Assignment Models in the ED ED Layout and Organization Lean Processes in the ED ED Observation and Alternatives to Admission Quality Assurance in the ED Information Management in the ED Best Practices in Communication and Patient Safety Optimizing Patient Experience in the ED Management of the Academic ED and Strategies for Provider Well being in the ED Kindergarten

experience on literatures in English worldwide

The Top Books of the Year Electronic Elephant The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
