Against the Current Pat Ryan, 2012-12-05 In response to a minor emotional crisis a young somewhat naive American man runs off to South America on a fool hearty journey to find himself Over the course of several months he wanders from the beaches and festival cities on the coast of Brazil to the dead center middle of the Amazon jungle Along the way he encounters a great variety of people from all walks of life backpackers bums con artists scoundrels prostitutes cops criminals artists entrepreneurs anti American extremists pro American patriots and of course a few very beautiful women Unfortunately he also becomes accidentally involved in drug smuggling and several people end up dead Will the young hero succeed in finding himself during his epic journey Or will the crazy fool's reckless adventure end in total disaster

A Call to Stand Georgette Loschiavo, 2009-10 Americans have been weathering this storm but a sequel is inevitable A nightmarish storm is hovering over Us right now and the dark clouds are threatening almost every aspect of Our lives In the wake of every crisis there comes a moment when a lightening bolt of truth hits The sting goes deep and anger arises when Our pretentious picture of Ourselves is disturbed but the pain of facing past mistakes will be worth it if it wakes Us up to remember Who We are We must learn what it takes to be good stewards of the legacy left to Us We are facing a tempestuous point in time but built into every storm is the chance to learn and grow We have to know Who We are and what is required to keep the dream alive Change must come but We must be the change The evolution of both democracy and Humankind requires education and cooperation Nothing more and nothing less The next step is a matter of choice Our choice It is time to learn from history and answer the call to take a stand

NOT THE END OF THE WORLD Rebecca Stowe,2013-05-08 Not the End of the World signals the arrival of a major new voice in contemporary American fiction In much the same way that Kaye Gibbons burst upon the growing literary scene with her first novel about growing up Ellen Foster so has Rebecca Stowe who has already been compared to Carson McCullers and J D Salinger She gives us a painful and hilarious first personal novel of a bright troubled girl that captures as perhaps no other book does the angst ridden childhood of many a woman of the Baby Boom generation Living in affluent North Bay Michigan in the early 1960s in a house with its own beach Maggie Pittsfield daughter of Robert Sweet is My Middle Name Pittsfield owner of a local candy factory is twelve years old Unique for her corrosive perspicacity and weird precociousness she is already deeply depressed and alienated from the eccentricity of her family the sexual perversity of her school and the nightmarish banality of her mates It s a wonder you have any friends Mother used to say when I still had some You must become a different person when you leave the house Actually I was six different people Grandmother said I was possessed by the devil and unless we got him out by my thirteenth birthday my soul would be lost forever at least what was left of it In Not the End of the World Rebecca Stowe renders Maggie s splintered personality and formidable aggression which threatens to implode in tragedy with painful precision and humor

Witiko Raven Blackfeather,2021-03-18 They all said she snapped and that something in her brain finally went primal She said it was self defense Her therapist said she should get away from all the things that haunted her from her past She never suspected by doing so she would run upon something much more terrifying than her nightmares Something that stalks you in the night Something that moves with the soundless speed of the wind Something that has a taste for mankind For humans Something that will stop at nothing until it gets what it wants Never speak its name for that is like calling it directly to you It prowls the darkness of the night looking for its next meal It will never stop It never gets tired It never gets full It has no boundaries

Good Morning, Mr Mandela Zelda la Grange,2014-06-19 Zelda la Grange grew up in South Africa as a white Afrikaner who supported the rules of segregation Yet just a few years after the end of Apartheid she would become a most trusted assistant to Nelson Mandela growing to respect and cherish the man she had been taught was the enemy Good Morning Mr Mandela tells the extraordinary story of how a young woman had her life beliefs prejudices and everything she once believed in utterly transformed by the greatest man of her time It is the incredible journey of an awkward terrified young typist in her

twenties later chosen to become the President's most loyal and devoted servants spending most of her adult working life travelling with supporting and caring for the man she would come to call Khulu or grandfather Here Zelda pays tribute to Nelson Mandela as she knew him a teacher who gave her the most valuable lessons of her life A man who refused to be defined by his past who forgave and respected all but who was also frank teasing and direct As he renewed his country he also freed Zelda from a closed world of fear and mistrust giving her life true meaning Now she shares his lasting and inspiring gifts with the world This is a book about love and second chances It will touch your life and make you believe that every one of us no matter who we are or what we have done has the power to change The Champion's Code Dante Gebel,2011-06-07 These words borrowed from the well known medical doctor Parch Adams demonstrate the revolutionary spirit of this book Dante Gebel is known throughout much of the Hispanic world as an excellent speaker who is able to immerse his audience in the most fascinating stories and guide them through emotional labyrinths ranging from laughter to tears This book is in essence a labor of passion dedicated to those who are suffering from holy discontent or as the author himself would say those who have a double dose of spiritual ambition This unique book has already been part of the history of those who desire to make a significant impact on this planet In summary The Champion's Code is written for people who are unique decisive and radical **Where Have the Old Words Got Me?** Ralph Maud,2003-04-01 Although Dylan Thomas is the one of the most well known poets of the twentieth century much of his poetry is considered obscure and difficult and readers and critics tend to concentrate on those poems that can be most easily understood Not since the early sixties has there been an attempt to explicate the full corpus of Dylan Thomas's Collected Poems In Where Have the Old Words Got Me Ralph Maud tackles Thomas's entire work giving special attention to more difficult and obscure poems He makes valuable use of Thomas's letters as edited by Paul Ferris in his authoritative Collected Letters volume bringing the whole man and his work into view *Mountains Bow Down* Janell Lyn Martin,2010 Curse Breaker Books 1-6 Melinda Kucsera, A reluctant hero must rise or fall to the darkness claiming his home his soul and his family in this six book set The dark lord is coming but Sarn's not facing him alone With his son by his side and an enchanted forest at his back it'll take all his magic to defend them against monsters and an ancient evil entity that wants to enslave all Start the epic adventure now Curse Breaker Books 1-6 features Curse Breaker Enchanted Sarn wants to be like everyone else not a mage with a power he can barely control But he must hide his magic in a country run by people who want to destroy all magic But that magic comes in handy when he wakes up far from home with only his cloak to protect him from monsters and murderous trees How will Sarn return home in time and unravel the dark conspiracy that's destroying it before his son pays the ultimate price Curse Breaker Darkens When a disembodied voice warns him that a demon is after his mage Jerlo sets off to find the man who could summon it He swore an unbreakable oath to protect Sarn no matter the cost In a country run by a group that wants to destroy all magic mages and demons shouldn't exist But they do and Jerlo's in a fight not just for his life but for his soul Even if he risks both how will

he save Sarn without magic Curse Breaker Faceted Sarn spies on the men responsible for his best friend s death with his young son in tow And those men are hunting for magic stealing rocks to fuel a zealot s quest When their greed leads them into a forbidden cavern they release an ancient monster and it s hungry for a certain mage and his son Who will survive the dark terror lurking under the mountain Curse Breaker Falls Sarn must face down a legendary evil with only a ragtag bunch of reluctant magical constructs at his side If he fails Shayari will fall and the Adversary will add an unstoppable monster to his ranks But doubts assail Sarn He might not be the hero their world needs In a world where magic is powered by belief such doubts can have lethal consequences Will Sarn rise as a hero or fall into darkness bound to the dark lord he s fighting Curse Breaker Sundered Two conflicting promises bind Sarn even though a monster s chasing him and an evil entity wants his soul Sarn must keep both promises or die trying because those promises won t let him break them not even to save the son he adores With the mountain falling down around them and no exit in sight can Sarn and his son prevail without magic to help them Curse Breaker Hidden To defeat the ancient monster destroying his home Sarn must regain the rest of his magic But unlocking that power won t be easy with a concussion and an evil entity on the prowl The dark lord wants his soul and he ll cheat to get it But that won t matter if a priestess destroys their queen and the enchanted forest that protects their home A country can t stand without its queen How will it survive if its last mage falls Find out in Curse Breaker Books 1 6 Scroll up to get it now if you like dragons found family monsters of unusual size enchanted trees mind talking creatures reluctant heroes warrior angels demons magic and humor Keywords epic fantasy fantasy adventure sword sorcery boxed set reluctant hero mage wizard sorcerer magic enchanted forest high fantasy friendship found family single parent journey demon ghost magic lessons apprentice secrets crush happy for now action adventure good vs evil betrayal strong women dragon obsession rangers friends to enemies indentured enchantress queens and royalty nobility monster fights demon battle kidnapped left for dead tricked the monster awakes hero s journey rise of the villain wrong place wrong time dark crystal dark magic conspiracy haunted castle demon summoners crimes against magic Young Adult fantasy full length novel Dangerous prophecy chosen one come into powers YA epic fantasy YA fantasy teen fantasy black humor anger dark twisty Adult fantasy adult epic fantasy omnibus dark lord Readers also enjoyed books by Robert Jordan Mercedes Lackey Nicholas Eames Will Wight Brandon Sanderson Andrzej Sapkowski J R R Tolkien Robin Hobb Anne McCaffrey Terry Brooks Morgan Rice Jonathan Moeller Melissa Caruso Terry Pratchett N K Jemisin Kevin J Anderson Jenn Lyons David Gaider Myke Cole Brian McClellan John Marco Michael A Stackpole George R R Martin Brent Weeks A K Larkwood Michelle Sagara [Atkinson's Evening Post, and Philadelphia Saturday News](#) ,1920 SCC Library has 1974 89 plus scattered issues *The end is just the beginning* Mika Hollow,2025-08-21 Mika is desperate and has been plagued by dark thoughts for some time She wants to die and attempts suicide She is then admitted to a psychiatric ward But even there her negative thoughts and feelings are her constant companions She takes numerous medications to numb herself shuts herself off and refuses help After many weeks
