**Good Morning Revolution** Langston Hughes, 1973      **Good Morning, Revolution** Langston Hughes (Schriftsteller), 1973      *Good Morning Revolution* Langston Hughes, 1992 Since his death in 1967 Langston Hughes's reputation has continued to grow. He is now widely regarded as one of the foremost poets of his time and one of the most eloquent and beloved spokesmen of his people. Remembered by many as a fighter for the poor and downtrodden, Hughes in his early work was outspoken but he tempered his views later and some of the early social protest writings receded into the shadows. Faith Berry rediscovered the material presented in *Good Morning Revolution*. From publisher's description:

**Collected Essays, Prose, and Stories** Alice Walker, 2018-09-18 Compelling collections of short fiction and essays by the Pulitzer Prize winning author of *The Color Purple* and marvelous writer San Francisco Chronicle. Whether she is writing fiction or nonfiction sharing personal reflections or expressing political views, Alice Walker is without question one of our best American writers. The Washington Post: The first African American woman to win a Pulitzer Prize for *The Color Purple*, Walker is both a committed artist and engaged activist as reflected in the four works in this volume. *Living by the Word*: In this entertaining and often stirring follow-up to *In Search of Our Mothers' Gardens*, Walker reflects on issues both personal and global from her experience with the filming of *The Color Purple* to the history of African American narrative traditions to global threats of pollution and nuclear war. *Library Journal*: You Can't Keep a Good Woman Down: The women in these consummately skillful short stories face their problems head-on, proving powerful and self-possessed even when degraded by others, sometimes by those closest to them. San Francisco Chronicle: But even as the female protagonists face exploitation, social inequalities, and casual cruelties, Walker leavens her stories with ample wit and enters their experience with sympathy but without sentimentality. The Washington Post: In *Love*, the Civil Rights Movement, antinuclear activism, feminism, and a childhood injury that left her emotionally scarred and the healing words of her daughter, Walker reflects not only ideas but a life that has breathed color, sound, and soul into fiction and poetry and into our lives as well. San Francisco Chronicle: Includes a new letter written by the author on *In Search of Our Mothers' Gardens*.      **African American Almanac** Leontine Bracks, 2012-02-01 The most complete and affordable single volume reference of African American culture available today, this almanac is a unique and valuable resource devoted to illustrating and demystifying the moving, difficult, and often lost history of black life in America. Celebrating centuries of achievements, the *African American Almanac: 400 Years of Triumph, Courage, and Excellence* provides insights on the influence, inspiration, and impact of African Americans on U.S. society and culture. A legacy of pride, struggle, and triumph is presented through a fascinating mix of biographies including 750 influential figures, little-known or misunderstood historical facts, enlightening essays on significant legislation and movements, and 445 rare photographs and illustrations. Covering politics, education, religion, business, science, medicine, the military, sports, literature, music, dance, theater, art, film, and television, chapters address the important events and social and cultural changes.
