**Don't Sweat the Old Stuff** Carolyn Lunn, 2012-10-15

**Cutthroats** Robert Dick, 2007-12-18 Soon after we landed it became apparent that there was more than enough artillery here that the enemy were excellent shots and that their ammo supply seemed to be endless With the Japanese deeply entrenched and determined to die rather than surrender Robert Dick and his fellow soldiers quickly realized that theirs would be a war fought inch by bloody inch and that their Sherman tanks would serve front and center As driver Dick had to maneuver his five man crew in and out of dangerous and often deadly

situations Whether crawling up beaches bogged down in the mud soaked Leyte jungle or exposed in the treacherous valleys of Okinawa the Sherman was a favorite target A land mine could blow off the tracks leaving its crew marooned and helpless and the nightmare of swarms of Japanese armed with satchel charges was all too real But there was a war to be won and Americans like Robert Dick did their jobs without fanfare and without glory This gripping account of tanker combat is a ringing testament to the awe inspiring bravery of ordinary Americans     **A Deadly Shade of Gold** John D.

John D. MacDonald, 2014-06-10

A television star wilting under the limelight. An adman with a stiff upper lip. A rising New York artist. A desperate housewife. All are victims of a cruel puppet master, and one of them is a killer. Introduction by Dean Koontz.

The head of a global cosmetics empire, Wilma Ferris, became a self-made success by taking everything people had to give and more. Mixing business with pleasure is her standard operating procedure. And she's playing the same game when she invites eight of her closest friends, all of whom owe their livelihoods to Wilma, to a weekend party at her lake house. After a late-night skinny dipping session turns into a frantic search for the missing host, it becomes apparent that one of the guests had seen enough. Wilma's body is pulled from the cold water, but the cause of death isn't drowning; it's a blow to the head. Was it a crime of passion or premeditated murder? Neither would surprise any of Wilma's guests. Each of them has a motive or two. In the end, all will be condemned.
