Benton, Bj Benton, 2007 With only a few days left at the Police Academy Jake Newton thought the hard slog was all but over He soon discovered that being a Copper in Australia's largest city was definitely no walk in the park Not only was the work rugged he had to contend with the partying and that was even harder How was he expected to juggle that as well as put the moves on the little glamour he'd just met Newton would soon cross paths with The Company and the notorious Mr Deep Just what was it about Deep that frightened so many others And how did the illegal Casino figure into all this Was there a connection between Deep the Casino and the Drug manufacturing warehouses And why were there so many suicides at The Gap lately Oh yes for young Newton the worst was yet to come The main Police character somehow finds the time to impress and hook up with a glamorous female singer The singer innocently introduces him to the mysterious Mr Deep not knowing he is a major player in The Company Her companion whilst rubbing shoulders with members of the so called high society makes an interesting discovery when observing several of the organized crime figures he's already looking into are at the very same party The book explores

how the young police and syndicate members inevitably cross paths The Boys decide to take on some investigating in their own time The players soon discover that they are being watched and subsequently take action by ensuring somebody disappears This only heightens the eagerness of the other young Police to expose what is really going on in Sydney Their surveillance operations escalate and culminate in a confrontation between The Good and The Bad From organized murderous hits to alleged suicides from major drug deals to Drag Queens and Bank accountants corruption goes all the way to the top there s blackmail an Illegal Casino and a variety of stand over tactics and all in a day s work From top class restaurants to Hotel Counter meals from alcohol binge sessions to late night strip clubs and wishful sexual confrontations there s even a Gay Night Club and the young police are exposed to the lot in their quest to identify those individuals responsible The Complete Works of Friedrich Nietzsche: Thus Spoke Zarathustra, Beyond Good and Evil, On The Genealogy of Morals and others. Matters of Fact (RLE Social Theory) Stanley Raffel, 2014-08-21 Facts may seem to be independent but in this study Stanley Raffle looks at them as expressions of commitment Medical records he believes furnish a principal example of the actively oriented character of the factual commitment and he draws on his experience of research among the records of a large modern hospital to demonstrate this He describes how records are produced and reorganized as records and discusses the grounds which provide for all the features of the records He looks at the act of observation in many apparently and concretely different places and analyses the activity of noticing viewing recording a spectacle where what is observed supposedly remains untouched by the observing Dr Raffel goes on to show that observation events records and criteria of assessment such as reliability and completeness lose their status as unexplicated verities and become instead decisive and consequential courses of action He points out too that the Socratic dialogues exemplify an orientation to commitment that even medical records paradoxically require if they are to be the matters of fact that they are

The Good, the Bad and the Ugly Richard Taylor, 2024-08-01 The book takes 45 chart toppers and writes their story The music the lyrics the artists producers and writers are all discussed as well as any side or back stories to do with the single For example when and how Release Me by Engelbert Humperdinck kept Penny Lane Strawberry Fields by The Beatles off the top spot in 1967 is discussed in Chapter 4 Another example of a you could not make it up back story might be the that the writer of Grandad by Clive Dunn from 1971 and a light novelty No 1 song was also the bass player on Lou Reed s hit single Walk On The Wildside a heavy

weight dose of art rock with dubious lyrics which came out in November 1972 Perhaps you could not get too more contrasting songs for Herbie Flowers to be involved in I picked 45 singles as that was the rpm speed of a typical 7 inches vinyl single in the 1960s With regard to time span I took one No 1 single per year between 1964 and 2006 that would be 43 songs and I added in two bonus tracks to make 45 This was when Top Of The Pops was running on BBC TV and seemed an appropriated year span for the book I wanted to mix up the No 1 singles not just to get the best selling or most popular song of a particular year I chose pop songs novelty songs children s songs and all time classics to have a range of mixed up No 1s This is hopefully a particular unique selling point of the book where I compare and contrast the mixed up No 1s and try to explain just how for example Mr Blobby by Mr Blobby would be an unlikely No 1 in 1993 while an all time classic Love Is All Around from Wet Wet Wet could be an obvious No 1 in 1994 Just how is it that these two songs could both be chart toppers in the same chart It is certainly a bit weird and this is something I try to explain in the book I have taken as the book title the 1968 chart topper which I write about in Chapter 5 The Good The Bad and the Ugly is indicative of the mixed up good bad or ugly range of the 45 songs which I pick I never specifically say which song is in which category That is for the reader to decide I also do not want to be rude about any song If it got to No 1 it certainly deserves respect In the Book End Outro I do a Top of the Pops No 45 to No 1 countdown as a worst to best list of my chosen songs which should promote some debate and perhaps even disagreement With that in mind despite his best attempt at coercion and bribery towards me you will be pleased to know or perhaps saddened that Mr Blobby is not my overall No 1 But what is well Read on and enjoy the book
