**Peoples of the British Isles** Thomas Heyck, 2019-06-19 Volume III deals with the long twentieth century. Its main themes are the contraction of British industrial power and the shift to a service based economy, the decline of Victorianism and the rise of Modernism, the climax of class society between the wars and the blurring of class lines after the 1960s, the impact of two world wars, the decline of British power and the empire, the partition of Ireland, the devolution of power to Wales and Scotland.

**Imitating Christ in Magwi** Todd D. Whitmore, 2019-01-24 *Imitating Christ in Magwi: An Anthropological Theology* achieves two things. First, focusing on indigenous Roman Catholics in northern Uganda and South Sudan, it is a detailed ethnography of how a community sustains hope in the midst of one of the most brutal wars in recent memory, that between the Ugandan government and the rebel Lord's Resistance Army. Whitmore finds that the belief that the spirit of Jesus Christ can enter into a person through such devotions as the Adoration of the Eucharist gave people the wherewithal to carry out striking works of mercy during the conflict and like Jesus of Nazareth to risk their lives in the process. Traditional devotion leveraged radical witness. Second, *Gospel Mimesis* is a call for theology itself to be a practice of imitating Christ. Such practice requires both living among people on the far margins of society. Whitmore carried out his fieldwork in Internally Displaced Persons camps and articulating a theology that foregrounds the daily if extraordinary lives of people. Here ethnography is not an add-on to theological concepts; rather, ethnography is a way of doing theology and includes what anthropologists call thick description of lives of faith. Unlike theology that draws only upon abstract concepts, what Whitmore calls anthropological theology is consonant with the fact that God did indeed become human. It may well involve risk to one's own life. Whitmore had to leave Uganda for three years after writing an article critical of the President, but that is what *imitatio Christi* sometimes requires.
