"A Good Man is Hard to Find" Flannery O'Connor, 1993 Presents a chronology of the life of author Flannery O'Connor comments and letters by the author about the story and a series of ten critical essays by noted authors about her work

The Gospel According to Flannery O'Connor Jordan Cofer, 2014-04-24 Jordan Cofer examines the influence of the Bible upon Flannery O'Connor s fiction While there are many studies exploring how her Catholicism affected her fiction this book argues that O'Connor is heavily influenced by the Bible itself Specifically it explicates the largely undocumented

ways in which she used the Bible as source material for her work It also shows that rhetorically many of O Connor s stories and or characters are based upon biblical models Furthermore Cofer explains how O Connor s stories engage their biblical analogues in unusual unexpected and sometimes grotesque ways as her stories manage to convey essentially the same message as their biblical counterparts Throughout O Connor s work there are significant biblical allusions which have been neglected or previously undiscovered This book acknowledges her biblical source material so readers can understand the impact it had on her fiction Cofer argues that readers can better appreciate her work by examining how her stories are often grounded in specific biblical texts which she similarly distorts exaggerates and subverts in order to shock and teach readers Simply put O Connor doesn t merely reference these biblical stories she rewrites them
