Nobody Left Behind Deanna Enos,2006-04 There is a great need for this book Mary Allan 2004 California Teacher of the Year Sometimes tests prove very little and somebody gets left behind even when they re thinking Since standardized testing became a priority for schools nine year old Jeffery Taylor s academic

life has become pure torture He suffers from a condition called test anxiety when he takes a test his stomach aches his eyes hurt he feels like his head is going to blow up and at times he visibly trembles Jeff s active imagination hasn t helped his success at school either especially if he s drawing when he s supposed to be working on other subjects But schoolwork is not

his only problem His classmate Matt Huggins is a real pest and Jeff and his best friend Terry are growing apart But Jeff is

delighted when he meets a new friend who helps him to face his academic challenges Testing is a tremendous issue in schools today It can have a lasting effect on funding as schools balance the need to meet accountability standards with the desire to provide learning to students But most importantly it can result in test anxiety which has a lasting effect on children In Nobody Left Behind author Deanna Enos uses storytelling as an example of how to begin a dialogue between children teachers and parents concerning this important subject Inside Discussion Questions Activities for Art and Writing Test Taker Tips
