

A romantic sunset scene over a beach. The sky is filled with soft, colorful clouds in shades of pink, purple, and blue. The sun is low on the horizon, casting a warm glow. A small sailboat is visible on the calm water. The beach is in the foreground, with gentle waves lapping at the shore. The overall mood is peaceful and nostalgic.

Goodbye Forever Barbara Conklin,1985-06-01 **Malagash** Joey Comeau,17-10-03 A precisely crafted darkly humorous portrait of a family in mourning Sunday's father is dying of cancer They've come home to Malagash on the north shore of Nova Scotia so he can die where he grew up Her mother and her brother are both devastated But devastated isn't good enough Devastated doesn't fix anything Sunday has a plan She's started recording everything her father says His boring stories His stupid jokes Everything She's recording every single I love you right alongside every Could we turn the heat up in here It's all important Because Sunday is writing a computer virus A computer virus that will live secretly on the hard drives of millions of people all over the world A computer virus that will think her father's thoughts and say her father's words She has thousands of lines of code to write Cryptography to understand Exploits to test She doesn't have time to be sad Her father is going to live forever *Goodbye Forever* Sandra Field,1989-01-01 , *Days Without You* Naki Daniels,2022-12-22 Our life was supposed to be adorable and unique which turned into a dream of sorrow Trying to build the perfect family just so she could destroy it all There were many days when she was silent and always never around How could someone so beautiful and full of life turn untrustworthy unfaithful and undependable overnight Showing her my affection she was apart of my life which happened to be urban legend she never cared for anyone but herself this is why we grow apart
