We come to a sympathetic understanding of the Millars long and sometimes rancorous marriage and of their life in Santa Barbara California with their only daughter Linda whose legal and emotional traumas lie at the very heart of the story But we also follow the trajectory of a literary career that began in the pages of Manhunt and ended with the great respect of such fellow writers as Marshall McLuhan Hugh Kenner

Nelson Algren and Reynolds Price and the longtime distinguished publisher Alfred A Knopf As Ross Macdonald A Biography makes abundantly clear Ross Macdonald's greatest character above and beyond his famous Lew Archer was none other than his creator Kenneth Millar Lord, Make My Days Count, 2018-01-20 This is the true story of a young Jewish man who leaves Russia for America in the early twentieth century Told in a series of heartwarming anecdotes and observations it covers his arrival in New York his early business success his struggles to develop a series of shoe stores in Pennsylvania his long and happy marriage and the raising of his children Triumphs and tragedies are mingled together in the rich texture of his life Time and again his deep religious faith helped him to overcome seemingly insurmountable obstacles His intimate knowledge of both Old World Jewish culture and small town America in the early and middle twentieth century adds an important historical dimension to this personal narrative This is a vivid portrait of one mans struggle to share in the The Penguin Modern Classics Book Henry Eliot, 2021-11-18 The essential guide to twentieth century literature around the world For six decades the Penguin Modern Classics series has been an era defining ever evolving series of books encompassing works by modernist pioneers avant garde iconoclasts radical visionaries and timeless storytellers This reader's companion showcases every title published in the series so far with more than 1 800 books and 600 authors from Achebe and Adonis to Zamyatin and Zweig It is the essential guide to twentieth century literature around the world and the companion volume to The Penguin Classics Book Bursting with lively descriptions surprising reading lists key literary movements and over two thousand cover images The Penguin Modern Classics Book is an invitation to dive in and explore the greatest literature of the last hundred years The Blue Hammer Ross Macdonald, 2010-11-17 The desert air is hot with sex and betrayal death and madness and only Detective Lew Archer can make sense of a killer who makes murder a work of art Finding a purloined portrait of a leggy blonde was supposed to be an easy paycheck for Archer but that was before the bodies began piling up Suddenly Archer find himself smack in the middle of a decades long mystery of a brilliant artist who walked into the desert and simply disappeared He left behind a bevy of muses molls dolls and dames each one scrambling for what they thought was rightfully theirs Lowside of the Road Barney Hoskyns, 2010-05-11 With his trademark growl carnival madman persona haunting music and unforgettable lyrics Tom Waits is one of the most revered and critically acclaimed singer songwriters alive today After beginning his career on the margins of the 1970s Los Angeles rock scene Waits has spent the last thirty years carving out a place for himself among such greats as Bob Dylan and Neil Young Like them he is a chameleonic survivor who has achieved long term success while retaining cult credibility and outsider mystique But although his songs can seem deeply personal and somewhat autobiographical fans still know very little about the man himself Notoriously private Waits has consistently and deliberately blurred the line between fact and fiction public and private personas until it has become impossible to delineate between truth and self fabricated legend Lowside of the Road is the first serious biography to cut through the myths and make sense of the life and career of this beloved icon

Barney Hoskyns has gained unprecedented access to Waits's inner circle and also draws on interviews he has done with Waits over the years Spanning his extraordinary forty year career from Closing Time to Orphans from his perilous jazzbo years in 1970s LA to such shape shifting albums as Swordfishtrombones and Rain Dogs to the Grammy Award winners of recent years this definitive biography charts Waits's life and art step by step album by album Barney Hoskyns has written a rock biography much like the subject himself unlike any other It is a unique take on one of rock's great enigmas
