*Reexamining Economic and Political Reforms in Russia, 1985-2000* Vladimir Gel'man, Dmitry Travin, Otar Marganiya, 2014-06-25 Reexamining Economic and Political Reforms in Russia 1985-2000 Generations Ideas and Changes analyzes the impact of generational changes and ideational changes on major political and economic reforms conducted in Russia during the late twentieth century This book examines how the policy agenda was shaped by the ideas of the generations representatives for the sixties and seventies Representatives of the generation of sixties conducted reforms from 1985 to 1991 and invested major efforts in political liberalization but did not pay enough attention to economic reforms On the other hand the reformers from the generation of seventies who were in charge of policy making from 1991 to 1998 were genuinely oriented toward market building but rather insensitive to the democratization of the political regime This book explores how these differences in ideational agendas produced inconsistent and controversial outcomes from both stages of reforms      Gorbachev and his Revolution Mark Galeotti, 1997-01-29 By turns radical uncertain ambitious and autocratic Mikhail Gorbachev and his bid to reform the Soviet Union have shaped the contemporary world This concise and lively book provides an introduction to the man and his times setting them in the context of a decaying and ramshackle empire and an ideology long since betrayed by its professed followers Drawing on the latest memoirs and scholarship this
