fascinating look at the career of one of the most accomplished journalists Canada has ever known *The Great Depression* Pierre Berton, 2012-02-21 Over 15 million Canadians were on relief one in five was a public dependant and 70 000 young men travelled like hoboes Ordinary citizens were rioting in the streets but their demonstrations met with indifference and dissidents were jailed Canada emerged from the Great Depression a different nation The most searing decade in Canada's history began with the stock market crash of 1929 and ended with the Second World War With formidable story telling powers Berton reconstructs its engrossing events vividly the Regina Riot the Great Birth Control Trial the black blizzards of the dust bowl and the rise of Social Credit The extraordinary cast of characters includes Prime Minister Mackenzie King who praised Hitler and Mussolini but thought Winston Churchill one of the most dangerous men I have ever known Maurice Duplessis who padlocked the homes of private citizens for their political opinions and Tim Buck the Communist leader who narrowly escaped murder in Kingston Penitentiary In this 1 best selling book Berton proves that Canada's political leaders failed to take the bold steps necessary to deal with the mass unemployment drought and despair A child of the era he writes passionately of people starving in the midst of plenty **Windfall** Tim Falconer, 2025-02-18 The fascinating scandalous and true story of Viola MacMillan and the Windfall mining scandal Viola MacMillan had it all success money and respect Influence even But in 1964 after three decades in the mining industry one of the most fascinating women in Canadian business history was the central character in one of the country's most famous stock scandals MacMillan who started out as a prospector in the 30s had developed lucrative mines and put together big deals But she still wanted a major discovery Early in July 1964 shares in Windfall Oil and Mines a company she and her husband controlled traded for around 56 cents Then one day the stock took off In the absence of any information from the company about what it had found near Timmins on its claims rumors and greed pushed the share price to a high of 570 MacMillan stayed quiet Finally after three weeks Windfall admitted it had nothing So many small investors lost money when the stock crashed that the Ontario government appointed a royal commission to examine what had happened which led to changes at the Ontario Securities Commission and the Toronto Stock Exchange Although MacMillan spent a few weeks in prison she later received a pardon and the Order of Canada

The Microphone Wars Knowlton Nash, 1994 *The Microphone Wars* is the astonishing and sometimes hilarious chronicle of the CBC full of larger than life characters incidents of skulduggery and moments of both despair and exhilaration and all underpinned by the good humour and acumen of its author The CBC is the most intensely scrutinized institution in Canada Everyone it seems has an opinion on it Yet oddly its history has never been fully told before But now the missing story that reveals all has been written by the one person with intimate knowledge of the CBC who can be absolutely fair Knowlton Nash who retired from the corporation in 1992 Nash brings his extensive contacts his own experiences his journalist's objectivity and his tremendous research and storytelling skills to the Byzantine tale of Canada's public broadcaster Ever since the 1920s when radio took Canada by storm there has been war between those who want to use the airwaves solely for commercial profit and those who believe in public broadcasting for its role in education and nation building There have been battle between management and producers and stars between the CBC and successive governments Liberal and Conservative alike between the CBC board and its executives between the private broadcasters and the CBC even between various CBC luminaries and the bottle Along with his vivid and intimate portraits of these fights Nash gives us the stories of the CBC's many triumphs from Foster Hewitt's early play by play of Saturday Night hockey games and Matthew Halton's dramatic broadcasts from the frontlines of the Second World War to the magic of TV in the 1950s the renaissance of CBC Radio in the 1970s and CBC TV's drama and comedy hit programs in the 1980s There have been betrayals aplenty too by governments determined to curb the CBC's independence by ones means or another or to starve it into submission and by insiders plotting the demise of controversial programs and equally controversial producers and personalities Based on countless hours of research on interviews with forty major figure from the CBC's more recent past and on as many oral history tapes recorded by earlier CBC leaders *The Microphone Wars* is the definitive popular history of Canada's public broadcaster

The Writing Life George Fetherling, 2013-04-01 Selected from thousands of pages of the daily journals of George Fetherling the inexhaustible novelist poet and cultural commentator *The Writing Life* reveals an astute and candid observer of his contemporaries as well as himself Hundreds of figures in the arts and public life crisscross the pages of Fetherling's journals from Margaret Atwood and Marshall McLuhan to Gwendolyn MacEwen and Conrad Black The book begins in mid 1970s Toronto a time of cultural ferment and carries on to Vancouver and a new century A captivating and intimate narrative *The Writing Life* provides a compelling portrait of the last three decades of Canadian cultural life From the book Tuesday 4 February 1992 Toronto Early this morning the latest in a series of strange phone calls from Edmund Carpenter in New York to discuss successive versions of his Canadian Notes Queries piece on Marshall

McLuhan He falls to reminiscing and at one point says Marshall always reminded me of that passage in Boswell in which Boswell says that if you chanced to take shelter from a rain storm for a few minutes in Dr Johnson s company you would come away convinced that you had just met the smartest man in the world Marshall was like that too Of course if you spent an hour with Marshall well that was something quite different
