*The Gospel and the Church* Alfred Loisy, 1903

**The Gospel for the Church** Erick Hurt, 2020-09 This book is written for anyone who wants to follow the instruction of Jesus Christ to go and make disciples of all nations It is written for church leaders teachers and all who want to know what it means to be a disciple of Jesus Christ and how to make a disciple of Jesus Christ A lukewarm church Revelation 3 16 is a church that has abandoned the message of the cross The cross is no longer the central part of sermons and teachings which has left Jesus on the outside with the door closed knocking and waiting The cross is the message of power Romans 1 16 1 Corinthians 1 18 and if it s lost its place of first importance 1 Corinthians 15 3 in the church the very foundation of the church is compromised If we invite others to fill its place good speakers and good programs we close the church s door to the One who purchased her with His precious blood He who overcomes the world through believing that Jesus is the Son of God I will grant to him the privilege to sit beside Me on My throne as I also overcame and sat down beside My Father on His throne Revelation 3 21 AMP In Revelation 3 21 the promise to the overcoming church is connected to the power of the gospel Jesus died on the cross and overcame death through resurrection power then ascended to the Father was accepted and seated on His throne Our overcoming of the world the flesh and the devil is tied to the ongoing hearing of this message Oh friend may the church worldwide return wholeheartedly to the message of the cross that we might see many people die to sin and rise with Jesus to new life This study is an invitation to open the door to Jesus through returning to the message of the cross that we might experience wonderful and intimate fellowship with Him

**The Gospel and Its Meaning** Harry Lee Poe, 1996 The Gospel speaks to a broad range of concerns concerns that differ from person to person group to group culture to culture Yet the practice of the twentieth century church has been to concentrate on one part of the Gospel repentance and justification as if it were the whole and to proclaim that part uniformly often without meaningful context that would demonstrate the relevance of Christ to the hearer The Gospel and Its Meaning breaks fresh ground for evangelism It equips the students of evangelism with theological foundations for reaching diverse groups from Hindi pantheists to radical environmentalists without compromising the Gospel s integrity The Gospel and Its Meaning Identifies the basic elements of the Gospel Shows the relationship of these elements to specific

doctrines of theology Identifies theologians and systems that have focused on particular doctrines Shows which elements of the Gospel deal most clearly with various issues of evangelism Suggests avenues of ministry that can address each evangelistic issue By showing how different parts of the Gospel address the concerns of people within and without the Judeo Christian worldview The Gospel and Its Meaning helps those in any kind of evangelistic ministry to develop a means for connecting the Gospel directly to the world of the hearer while distinguishing it clearly from philosophies of relativism and pluralism *The Nature of a Gospel Church* J. Church, 2019-12-19 In *The Nature of a Gospel Church* J Church explores the foundational principles and characteristics that define a church rooted in the teachings of the Gospel Employing a contemplative and accessible literary style Church deftly weaves theological insights with practical applications making complex doctrines comprehensible for contemporary readers The book is situated within the broader context of Christian ecclesiology responding to modern challenges faced by congregations while affirming the timeless truths of Scripture His engaging prose unpacks the essence of what it means to be a community that reflects Christ s love and mission on Earth J Church a noted theologian and pastor draws upon his extensive ministry experience and scholarly background to address the unique dynamics of church life His passion for fostering authentic Christian communities is evident and reflects the influence of both historical theology and contemporary Christian thought Having observed the struggles and triumphs of various congregations Church is particularly attuned to the nuances of building a church that genuinely embodies the Gospel s transformative power I highly recommend *The Nature of a Gospel Church* to anyone seeking a deeper understanding of church identity and purpose Whether you are a church leader a theologian or a layperson this book offers profound insights that will enrich your appreciation of the church s role in society and challenge you to engage more fully with its mission

**What Is the Gospel?** Greg Gilbert, 2010 This accessible volume presents a straightforward statement of the gospel Gilbert guides both Christians and non Christians to the Bible as we gain a clear understanding of the central message of God s Word Part of the 9Marks series **Church Growth and the Whole Gospel** C. Peter Wagner, 1998-12-15 Has the church growth movement failed to stress the social dimensions of the Christian faith Dr Peter Wagner a leading exponent of church growth argues that Christians can evangelize and churches can grow strongly while at the same time participating in the global struggle on behalf of the poor and oppressed for justice and peace for brotherhood and liberation and for the alleviation of human suffering *The Gospel in a Pluralist Society* Lesslie Newbigin, 1989-10-30 **INSPIRATIONAL** **Above All** J.D. Greear, 2019-06-01 Is gospel Christianity dead Pundits are writing the obituary of historic orthodox Christianity but pastor and author J D Greear *Gospel Stop Asking Jesus into Your Heart* believes the postmortems are premature Jesus promised to build his church He said that the gates of hell would not prevail against it The church is not going away Along with this promise Jesus gave clear instructions for how the church would prevail He promised to build it on the rock of the gospel The most pressing need for Christianity today is not a new strategy It is not an updated message It is a return to

keeping the gospel above all      **Rhythms of Grace** Mike Cosper,2013-03-31 Is it singing A church service All of life Helping Christians think more theologically about the nature of true worship Rhythms of Grace shows how the gospel is all about worship and worship is all about the gospel Mike Cosper ultimately answers the question What is worship      **The Heart of the Church** Joe Thorn,2017-03-07 What does the church believe Every church has a driving confession but what is the confession of a true and biblical church The Heart of the Church answers with the gospel It explains the story of the gospel its basic doctrines and God s work in salvation Fresh yet consistent with classic expressions it helps churches reclaim their essential identity and return from distracting pursuits Useful for training in membership classes discipleship groups and elder boards and even for devotional reading The Heart of the Church is at once theological practical and experiential Readers will not simply be informed but led to believe in rejoice in and be transformed by the truth of God for His gathered people Without the gospel the church does not exist This book is Thorn s full and detailed exploration of the message that is indispensable to the church s life and identity For any church lacking power any Christian feeling dry or any person seeking truth The Heart of the Church brings relief direction and light leading to worship      **Whatever Happened to the Gospel?** R.T. Kendall,2018-02-06 Let s Get Down to the Truth You know the prosperity gospel The name it and claim it gospel The political gospel The messages being preached on at least 90 percent of religious television But what about the Gospel What was it the apostle Paul was unashamed of Most Christians don t understand what the true Gospel of Jesus is In our church sanctuaries pastors neglect to preach the fear of God and eternal punishment Church communities have grown to believe that all are saved and none will be lost Meanwhile many other Christians lack assurance of their own salvation and focus on sanctification as their only ticket to Heaven They ignore what was historically introduced by Jesus filled out by the apostle Paul and articulated by the sixteenth century Reformers The Gospel has been brushed to one side and evidence of this is seen in how churches are misleading and even mistreating people IT S TIME TO BRING BACK WHAT IT REALLY MEANS TO BE SAVED Respected author and theologian R T Kendall sounds a wake up call for churches across the globe Whatever Happened to the Gospel seeks to reacquaint you with the Gospel and reignite a passion in your heart to know more of God

**The Gospel in the Dock** Bryan M. Christman,2021-08-10 C S Lewis famously penned the phrase God in the Dock and proposed that there was a great divide between ancient and modern humans in that our ancestors would have rightly seen themselves in the dock before God while we moderns have placed God there before us But what if what God s love most desires for us the gospel or good news of the only way of life for humanity has been in the dock before us from the time of Adam and Eve And what if it is also the case that the gospel is often in the dock as though it is not good even for the church This book builds upon and expands the life and death stakes Lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with God with our own selves with one another and even with the natural world itself which we are meant to steward for its good In these pages the reader will

discover why the gospel that requires faith is good news but why we so tragically default to our divisive and self destructive ways

**The Biblical Gospel** Reid Hensarling, 2012-06 This book explores the only sure solution to the ongoing problems of our world the biblical gospel of Jesus Christ A variety of viewpoints are presented from our religious political and economic spectrums but only the absolute truth of the gospel of Christ has the message that ultimately answers the most pressing questions and serious concerns of the human soul The book is concerned with encouraging and helping church leaders bring spiritual renewal to their people through the biblical gospel Chapter one explains what the gospel is and the importance of the Bible and shows how a limited number of biblical figures were used by the Lord to bring spiritual renewal to their people Chapter two describes the profound transformation that the proclamation of the gospel had upon sixteenth century England The pernicious dangers of our current postmodern culture are examined in chapter three along with the only effective solution the proclamation and reception of the biblical gospel Chapter four proposes a model for growth and transformation in Christ through the renewal of the clergy and laity The book concludes that mankind s only hope for eternal security and truth is found in the gospel of Jesus Christ as presented through the pages of the Bible The book illustrates that regardless of time place or nationality the gospel declaration alone has the power to change human beings from lives of sin and rebellion against God and one another to lives filled with love and devotion to Jesus Christ and others This book is designed to draw significant attention and interest to the churches obligation and critical calling by God to present the Holy Scriptures in a loving and truthful way to congregations that will bring lasting change to the body of Christ Only the gospel has the ability to renew and transform people from a life of sin and rebellion against God to a life of love devotion and service to Christ Lives start to change and people begin to think live and act more like Christ The promises and truths of the gospel bring to the believer eternal security lasting peace and unspeakable joy What an extraordinary additive to everyday living The faithful pastor is entrusted with God s Word to preach and teach absolute truth which upon reception by the people brings repentance forgiveness salvation and freedom Ministers who are obedient to the gospel bring tremendous blessing and hope to their flocks God s people are transformed and renewed and the kingdom of God is extended into a world desperately needing love and truth

The Mystery of the Gospel Evangelist Victor A. Sackey, 2016-11-18 The Mystery of the Gospel Revealing the First Century Truths About the Kingdom of God is an attempt to expose the messages of the coming kingdom of God to earth which Christ brought down from the Father unto mankind This knowledge is not known by majority of professing Christendom but God wants the latter to be encompassed by the truth because it is evident that there is an undeniable force power and sovereignty of the Spirit of God moving within the true church of God and also the end time charismatic movement of Christians The coming of Christ and his establishment of the church of God became the standard and benchmark for living the Christian life at the time However due to opposing forces to the church of God and the first followers of Christ the truth became suppressed In other words the first century message and essence of the coming of Christ

to proclaim his coming kingdom became lost or seriously flawed Fortunately Christ gave a promise concerning his church He said I will build my church and the gates of hell shall not prevail against it Despite the continuous existence of Gods true church God is still real and moving in the lives of all professing Christians who are in the majority but are ignorant of the existence of the true church of God God is not out to save all of humanity in this lifetime but will introduce and reeducate humanity to the laws and government of heaven in the millennial rule of Christ here on earth God is a family and as Christ is the firstborn of many brethren so shall the first fruit saints be called begotten and then born or resurrected as sons and daughters and the rest of the professing Christians as the children being re taught the truths laws statutes and commandments of God in the kingdom

**Jesus and the Church** Paul Avis,2020-11-26 What is church s true foundation Was the Christian church founded by Jesus or does the Eucharist make the church Paul Avis sets out his own answer to these questions Gathering a wide range of critical scholarship he argues that there is something solid and dependable at the foundation of the church s life and mission Avis argues that Jesus wanted a church in a sense but not as we know it Christ proclaimed the gospel of the Kingdom and his disciples proclaimed the gospel whose content was Jesus himself the Kingdom in person The church is battered and divided but at its core is a treasure that is indestructible the gospel of Christ embodied in word and sacrament A central theme of the book is the relationship between the church and Christ the church and the gospel the church and the Kingdom Jesus Christ crucified and risen is the sole foundation of the church but he cannot be without his people

**Gospel, Church, and Ministry** Thomas F. Torrance,2012-02-20 The best writing is relevant for every age C S Lewis reminded us that we must always read books from different eras to avoid our own generation s blind spots That is why these articles by Professor T F Torrance Scotland s world famous theologian merit reading These particular articles focus on the topics of church and ministry in light of the gospel of Christ They have been selected first because they illustrate how TF understood his work as an academic theologian to be the calling of an evangelist to the church and to the intellectual life of the day and second because they are on the whole more accessible to the average reader The Introduction by Jock Stein relates the different chapters to the overall work of TF the development of his thought and to the events of his time
