Gospel Church And Kingdom Comparative Studies In World Mission Theology:

Gospel Church and Kingdom James A. Scherer, 2004-06-17 What is the goal of mission What strategies are needed today How do evangelism and social problems relate What is the role of dialog between Christians and non Christians These questions and more are the concerns of Protestant evangelical Lutheran and Roman Catholic churches Dr Scherer analyzes the various approaches of churches in mission and sharpens the biblical goal of making disciples of all nations Mission to the World Tormod Engelsviken, Ernst Harbakk, Rolv Olsen, Thor Strandenaes, 2009-11-01 *The Missional Church in Perspective (The Missional Network)* Craig Van Gelder, Dwight J Zscheile, 2011-05-01 In this book two leading ministry experts place the missional church conversation in historical perspective and offer fresh insights for its further development They begin by providing a helpful review of the genesis of the missional church and offering an insightful critique of the Gospel and Our Culture Network's seminal book *Missional Church* which set the conversation in motion They map the diverse paths this discussion has taken over the past decade identifying four primary branches and ten sub branches of the conversation and placing over one hundred published titles and websites into this framework The authors then utilize recent developments in biblical and theological perspectives to strengthen and extend the conversation about missional theology the church's interaction with culture and cultures and church organization and leadership in relation to the formation of believers as disciples Professors students and church leaders will value this comprehensive overview of the missional movement It includes a foreword by Alan J Roxburgh *Holistic Mission* Hannes Wiher, 2022-05-16 For the last 50 years one of the most important discussions in global evangelicalism has concerned the idea of holistic mission which proposes the integration of verbal evangelism and social engagement within Christian mission This book examines how key terms such as evangelism and mission have been understood in contemporary evangelical declarations from 1966 to 2011 in the Bible and in the missiological debate It adopts an in depth approach to the historical biblical and theological analysis The main thesis is that the different conceptions of evangelism and mission in general and that of holistic mission in particular have their root in the worldview of the various theologians and Christian leaders preparing these statements The book evaluates the missiological conceptions of evangelism and mission proposed in the various declarations in the light of the Bible so as to derive a biblical understanding of evangelism and mission The Practice of Mission in Global Methodism David W. Scott, Darryl W. Stephens, 2021-04-19 This book brings together Methodist scholars and reflective practitioners from around the world to consider how emerging practices of mission and evangelism shape contemporary theologies of mission Engaging contemporary issues including migration nationalism climate change postcolonial contexts and the growth of the Methodist church in the Global South this book examines multiple forms of mission including evangelism education health and ministries of compassion A global group of contributors discusses mission as no longer primarily a Western activity but an enterprise of the entire church throughout the world This volume will be of interest to researchers studying missiology

evangelism global Christianity and Methodism and to students of Methodism and mission Dictionary of Mission Karl Muller, Theo Sundermeier, Stephen B. Bevans, Richard H. Bliese, 2006-01-30 Conceived and developed by two of Europe's most eminent missiologists in the country where the scientific and sustained study of mission first took shape the Dictionary of Mission represents the finest of the chorus of voices that comprise contemporary missiology The choice of topics and the authors to address them reflects what Christian mission has become a genuinely worldwide and ecumenical phenomenon That there would be entries on regional theological developments is indicative of how the world church is developing A host of other topics here explored show too how the landscape of mission is changing Taken as a whole then the Dictionary of Mission is a road map through this exciting and challenging terrain from the Foreword A History of the First Cross-cultural Mission of the Mar Thoma Church, 1910-2000 Dr. Alex Thomas, 2007 With reference to Mar Thoma Syrian Church's mission to North Kanara India **Sister Churches** Janel Kragt Bakker, 2014 In Sister Churches Janel Bakker draws on extensive fieldwork and interviews with participants in congregation to congregation partnerships between Western churches and churches in the global South to explore the sister church movement and in particular its effects on American churches Christian Tradition in Global Perspective Schroeder, Roger P., 2021-09-22 A one volume history of Christianity for undergraduate students written from a Catholic perspective **Transcending Mission** Michael W. Robert, 2011-09-09 CHRISTIAN MISSION Dana Robert distils a quarter of a century of her research into an erudite and accessible single volume account of how Christianity became the largest religious tradition in the world There is no better place for any reader to start becoming informed about this important subject David Hempton Harvard University Remarkable for the range and depth of the material Robert is able to pack into so short a book Reliable and readable it is especially valuable for its treatment of the relation between western and non western missionary activity David A Hollinger University of California Berkeley Dana Robert's richly textured book shows us that the history of Christian missions is far from being merely a European colonial story and will be immensely valuable to students and general readers who are concerned to uncover the historical roots of Christianity's current status as a truly global faith Brian Stanley University of Edinburgh The Gospels record that Christ commanded his disciples to go forth and teach all nations Thus began the history of Christian mission a phenomenon which brought about massive shifts in the

nature and practice of Christianity and one that many say reflects the single most important movement of intercultural encounter over a sustained period of human history To understand Christianity as a global movement therefore it is essential to study the role of mission defined as the transmission of the Gospel across cultures Erudite and enlightening this brief book explores the 2 000 years of mission history covering topics such as the meaning of the missionary through history gender and missions and missions in culture and politics Given that in the twenty first century Christianity is now largely practiced outside the West Christian Mission is an inspirational and invaluable resource to broaden our understanding of the nature of Christianity as a truly multi cultural world religion **Participating in God's Mission** Craig Van Gelder,Dwight

Contextual Missiology of the Spirit Wessly Lukose,2013-01-01 This book explores the identity context and features of Pentecostalism in Rajasthan India as well as the internal and external issues facing Pentecostals It argues for an indigenous origin of Pentecostalism in Rajasthan as it is a product of local Spirit revivals in the existing churches and the missionary activities of Indian Pentecostals It also reveals that both the intra church as well as extra church issues place Pentecostals in a missio ethical dilemma The book aims to suggest a contextual missiology of the Spirit as a new model of contextual missiology from a Pentecostal perspective It is presented as a glocal ecumenical transformational and public missiology
