Philip Longfellon Anderson Foreword by Legendary Disney Animators: Frank Thomas and Ollie Johnston

Xiaolong Qi

The Gospel According to Disney Philip Longfellow Anderson, Franklin Thomas, Ollie Johnston, 1999 This book was not prepared approved licensed or endorsed by any subsidiary of the Walt Disney Company Book jacket Into the Dark Craig Detweiler, 2008-08 A Hollywood screenwriter producer and film professor explores forty five of the twenty first century s most popular films as vehicles of common grace The Gospel according to Disney Mark I. Pinsky, 2004-07-14 In this follow up to his bestselling The Gospel According to The Simpsons The Spiritual Life of the World's Most Animated Family religion journalist Mark Pinsky explores the role that the animated features of Walt Disney played on the moral and spiritual development of generations of children Pinsky explores thirty one of the most popular Disney films as well as recent developments such as the 1990s boycott of Disney by the Southern Baptist Convention and the role that Michael Eisner and Jeffrey Katzenberg played in the resurgance of the company since the mid 1980s The Catholic Library World, 2004

Salvation in Celluloid Robert Pope, 2007-10 Much work in the field of theology and film lacks a really theological focus This book suggests a methodology based on the recognition of the imagination as the fundamental category in producing and interpreting film The argument is presented that the imagination holds theological significance when it is conceived of in certain ways As a result the book adopts the paradigmatic imagination an imagination which works within the paradigms of scripture or theological imagination one grounded in theological forms which is both noetic it is the image making faculty of the mind and almost ontological it is that which draws human beings into the future which they are able to construct or bring into being Once the theological paradigmatic imagination has been identified and justified its insights will be applied to Jesus films and Christ figure films asking whether or not they provide us with valid Christological understanding Films with redemptive or salvific themes are discussed as is the popularity of mythical stories and animation. The final chapter will make the case that the engagement of the theological imagination with film is a method in practical theology Communication **Research Trends** ,2005 Subject Guide to Books in Print ,1991 The Publishers Weekly ,2004 The Catholic Periodical and Literature Index ,2005 The Message Behind the Movie—The Reboot Douglas Beaumont, 2022-04-11 When it comes to movies people of faith often focus on negative assessments of the film industry and certain style elements that they find objectionable such as violence nudity or harsh language While these criticisms are important they are not the whole story A film's message and its method are not always the same thing By discussing the cinematic techniques and the genre considerations filmmakers use to communicate their ideas this book helps Catholics and other Christians to become informed viewers Douglas Beaumont shows how to evaluate the stories that movies tell and how to discern what they say about reality God and what it means to be human At the same time he illustrates how movie watchers can engage in thoughtful lively discussions about not only film but also the big questions in life Don't Stop Believin' Robert K. Johnston, Craig Detweiler, Barry Taylor, 2012-01-01 Arranged chronologically from 1950 to the present this accessible work

explores the theological themes in 101 well established figures and trends from film television video games music sports art fashion and literature **Forthcoming Books** Rose Arny, 2003-12 **Cumulated Index to the Books** .1999 The Message Behind the Movie Douglas M. Beaumont, 2009-05-01 Some Christians denounce nearly every move that Hollywood produces others celebrate even the most morally and artistically questionable While most Christians can agree on the cultural importance of films very few are able to interpret movies with insight and understanding Apologetics professor and film lover Doug Beaumont wants moviegoers to become more informed viewers by better grasping the cinematic techniques and genre considerations that filmmakers use to communicate their central themes He also wades into hot button issues of nudity violence and language in movies helping Christians to more carefully evaluate celluloid depictions of sin Packed with quote and excerpts from many of Hollywood's most successful films and from some of the indie favorites that have gained cult followings TheMessage Behind the Movie is a fun and enlightening look at the art from that defines our age American Book Publishing Record ,2003 Bowker's Directory of Videocassettes for Children 1999 R R Bowker Publishing, Bowker, 1999-03 **Bowker's Complete Video Directory** ,2000 The Gospel According to Disney Mark I
