Gospel And The Briefcase:

The Gospel and the Briefcase Ted DeMoss, Robert Tamasy, 1984-09 The art of presenting Christ to business and professional people *Revelation* Allen Daves, 2013-12-12 The book of Revelation offers us an interesting theological dilemma It states Rev 22 16 I Jesus have sent mine angel to testify unto you these things in the churches Revelation also states it is the true sayings of Jesus and that it is the testimony of Christ If this is not the gospel of Jesus Christ then what is it and should we consider it accursed testimony of an angel If it is not to be considered accursed then it cannot be some other gospel message then what was already given previously However this is the conundrum for if this is the gospel message then why do so few understand it There is a possibility which few consider but is the overall thesis of this apology The reason people don't understand revelation is because they never understood what the gospel message was in the first place In that case where does that put those who claim it is not essential for salvation Do you not find it quite curious that the most Personally given NT book By Jesus himself is the least understood and given the least importance for Salvation in Christendom There are numerous preachers and bible exegetes but as Paul said I bear them record that they have a zeal of God but not according to knowledge Most who profess the name of Christ are feeding on doctrines of devils and the ignorant There are without question many qualified teachers and scholars with many years of dedication and solid education However teachers no matter how well lettered or numbered in degrees if obtained from others who are just as equally ignorant in such matters are just blind leaders of the blind And if the blind lead the blind both shall fall into the ditch *The Triumph of the Gospel in the Sacristan's Home* Rev. Samauel Soto E, 2011-11-15 I have written my familys true story as a novel in order to help the reader understand the immense love God has for all of humanity The story narrates my familys miraculous conversion to Christianity and the struggles we faced because of it It also includes eyewitness accounts of the persecution experienced by the evangelical church in Colombia during the years 1948 through 1962 In the end Gods love reaches out and transforms the lives of even the most skeptical family members God wants that nobody get loss but everybody repented to receive forgiveness of his or her sins and the gif of eternal life *Under Their Very Eyes* Deborah Meroff, 2016-01-15 From a brutal and impoverished background in Reading England Tom Hamblin became a believer as a teenager before serving as a missionary in the Far East He and his wife Edna spent more than a decade leading expeditions into the heart of Borneo Gradually they become convinced that the Lord was calling them to minister in the Arabic peninsula in particular to carry in thousands of Bibles in Arabic Farsi and Urdu They conveyed shipment after shipment into this region never losing a copy and surmounting all restrictions Customs guards turned a blind eye Tom distributed Bibles very simply walking around with a bag and waiting for people to ask him what he was doing The Islamic world is widely regarded as closed to the gospel but this is untrue Tom discovered an extensive network of believers very few churches but many clandestine meetings for worship and a huge hunger for truth *The Gospel According to Flannery O'Connor* Jordan Cofer, 2014-04-24 Illustrates

how Flannery O'Connor's stories dramatize elements of the Bible coming alive anachronistically in different times and social settings

Gospel Wilton Barnhardt, 2025-08-22 Author of *Emma Who Saved My Life* and *Lookaway Lookaway Gospel* concerns the search for a lost first century gospel of the Bible a document that could shake the foundations of Christianity Wilton Barnhardt's narrative races through three continents nine countries and dozens of colorful locales as two characters shy theological student Lucy Dantan and hard drinking disillusioned ex Jesuit Patrick O'Hanrahan pursue rumors and clues about the gospel's whereabouts and contents In the end what they discover will challenge and forever change the nature of faith An intellectual detective story with the erudition of Umberto Eco and the grand swirling entertainment of a nineteenth century novel *Gospel* is exciting profound relevant and terrifically funny

The Gospel of Philip, 2012-08-24 This ancient Gnostic text can be a companion for your own spiritual quest The Gospel of Philip is one of the most exciting and accessible of the Gnostic texts found at Nag Hammadi in Egypt in 1945 The source of Dan Brown's intriguing speculations about Mary Magdalene in his best selling novel *The Da Vinci Code* the Gospel of Philip draws on ancient imagery the natural world the relationships between women men and family the ancient distinctions between lord and servants free people and slaves and pagans Jews and Christians to offer us insight into the spiritual interpretation of scripture that is at the foundation of Christianity The Gospel of Philip Annotated and Explained unravels the discourses parables and sayings of this second century text to explore a spiritual non literal interpretation of the Bible Along with his elegant and accurate new translation from the original Coptic Andrew Phillip Smith probes the symbolism and metaphors at the heart of the Gospel of Philip to reveal otherwise unrecorded sayings of Jesus fragments of Gnostic mythology and parallels to the teachings of Jesus and Paul He also examines the joyful imagery of rebirth salvation and mystical union in the bridal chamber that was the pursuit of Christian Gnosticism Now you can experience this ancient Gospel even if you have no previous knowledge of early Christianity or Gnostic thought This SkyLight Illuminations edition provides important insights into the historical context and major themes of the Gospel of Philip and gives you a deeper understanding of the Gospel's overarching message deciphering our own meaning behind the symbols of this world increases and enriches our understanding of God

[Another Jesus, a Different Spirit, a Different Gospel](#) Steven H. Propp, 2011-12-13 It's the Christmas season the most wonderful time of the year for most people in River City California But for Jehovah's Witnesses Lawrence and Brad it's a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovah's coming Kingdom Whereas for Elders Skousen and Marshall two Latter-day Saint Mormon missionaries the season is another opportunity to share their Church's distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh-day Adventists and Oneness

Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovah's Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book **The Publishers' Trade List**

Annual, 1884 **The Gospel from Patmos** Jon Paulien, 2007 **Acts 29** W. Douglas Cowie, 2015-02 What would it be like if the Book of Acts wasn't finished It would be something like the dynamic life and ministry of Peter Hakim Hosein who touched the Caribbean and elsewhere in the Western World with the power of the Holy Spirit During his time of grief over the loss of a three year old son Hosein's father promised the God he himself had never met personally that he would dedicate his next born son to His full time service *The Fifth Gospel* Ian Caldwell, 2016-02-23 A Catholic priest must place his family at risk to solve the death of a Vatican curator back cover Imagining' Biblical Worlds David M. The essays in this volume address the interface between biblical studies archaeology sociology and cultural anthropology celebrating the pioneering work of James Flanagan In particular this collection explores various ways in which the real ancient world is constructed by the modern critical reader with the aid of various theoretical and practical tools The contributors to this volume have all been involved with Flanagan and his projects during his academic career and the essays carry forward the important interdisciplinary agendas he has encouraged Part One deals with his recent interest in spatiality and Part Two with social and historical constructs This book in James Flanagan's honour represents a significant statement of research in an area of biblical and historical research that is increasingly important yet surprisingly under represented **The Gospels of the Marginalized** Marvin W. Meyer, 2012-10-16 The Gospels of the Marginalized provides an exciting new study of three of the most maligned figures in the New Testament story of Jesus Thomas usually considered the quintessential doubter among the disciples Mary Magdalene characterized as a repentant prostitute during much of the history of the church and Judas Iscariot presented as the despicable disciple of Jesus who betrayed his master for money In this book Marvin Meyer one of the most prominent of the scholars of gnostic texts and other early Christian literature offers fresh and accurate translations of the Gospels of Thomas Mary and Judas with their proclamation of the good news of the wisdom of Jesus and he uses these gospels as the occasion to reexamine the place of Thomas Mary Magdalene and Judas Iscariot in the Jesus movement His striking analysis suggests that Thomas was no doubter that Mary Magdalene was a beloved disciple in the inner circles of disciples around Jesus and that the tale of Judas Iscariot as betrayer of Jesus is a piece

of fiction Meyer adds a Gospel of the Redeemed as a vivid illustration of how the gospel story of Jesus might read with Jesus as a Jewish teacher of wisdom and Thomas Mary and Judas restored as loyal followers of the teacher from Nazareth *The Branch Exposition of the Bible, Volume 1* Michael A. Eaton, 2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant

MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and everyday Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture Wiersbe Bible Commentary NT Warren W. Wiersbe, 2023-06-09 The Wiersbe Bible Commentary is a must have for believers wanting a deeper and practical resource for studying the New Testament and includes The complete New Testament in one volume Matthew to Revelation Section by section commentary Biblical chart Book introductions Extended notes References Dr Warren Wiersbe is one of the most beloved Bible teachers with over 40 years of pastoral experience His bestselling Bible Commentaries are one of the most trustworthy resources used by pastors Bible teachers and persons interested in knowing more about God's Word His easy to read and insightful explanations provide a comprehensive understanding of the Bible

The Israel of God Samuel Greene, 2012-05 According to the Bible who really is the Israel of God Galatians 6:16 The name Israel was first mentioned in Genesis 32 when Jacob wrestled with the Lord and the Lord said to Jacob Thy name shall be called no more Jacob but Israel for as a prince hast thou power with God and with men and hast prevailed Genesis 32:28 Jacob had a character change He went from a deceiver supplanter and trickster to a prince with God and a champion of God Therefore Israel is a spiritual term that lies deep in the heart of God that defines His changed people They are God's holy people made up of every tribe tongue and nation who have been washed in the blood of Jesus and now have been transformed into the sons of the Living God This revelation is a must for all believers because this is God's promise for His people This is His emphasis in the last days He died to deliver us from the Law which envelops all of Jewish tradition customs and ordinances which gendereth to bondage Galatians 4:24 For through Jesus there is neither Jew nor Greek and we now are all God's new creation created in Christ Jesus This is the Israel of God

Sermons of Arthur C. McGill Arthur C. McGill, 2007-01-01 Throughout the 1960s and 1970s Arthur McGill had numerous opportunities to air his rich theological musings outside of the classroom We are now fortunate some twenty five years after his death to have seventeen sermons

brought to us by the aid of his wife Lucille McGill and editor David Cain University of Mary Washington These homilies reveal the core themes that distinguish his theological writings relaxing in our neediness before God participating in the death to life pattern of self expenditure and rooting our hope in the unique power of Christ The collection culminates with what Cain notes as McGill s signature sermon on The Good Samaritan wherein we see that the reception of grace always precedes the extension of grace In addressing day to day issues such as possessions speech loneliness and anger McGill is both prophetic and pastoral He does not hesitate to say that the wickedness of Nineveh alas is the wickedness of the United States At the same time he brings a refreshing word with theological depth about human suffering and the God who models ultimate vulnerability

The Rise of Gospel Blues Michael W. Harris, 1994-06-23 Most observers believe that gospel music has been sung in African American churches since their organization in the late 1800s Yet nothing could be further from the truth as Michael W Harris s history of gospel blues reveals Tracing the rise of gospel blues as seen through the career of its founding figure Thomas Andrew Dorsey Harris tells the story of the most prominent person in the advent of gospel blues Also known as Georgia Tom Dorsey had considerable success in the 1920s as a pianist composer and arranger for prominent blues singers including Ma Rainey In the 1930s he became involved in Chicago s African American old line Protestant churches where his background in the blues greatly influenced his composing and singing Following much controversy during the 1930s and the eventual overwhelming response that Dorsey s new form of music received the gospel blues became a major force in African American churches and religion His more than 400 gospel songs and recent Grammy Award indicate that he is still today the most prolific composer publisher in the movement Delving into the life of the central figure of gospel blues Harris illuminates not only the evolution of this popular musical form but also the thought and social forces that forged the culture in which this music was shaped
