Gospel Of John Jesus Teachings:

A Commentary on the Gospel of John David Pawson, 2015-06-24 John is a remarkable Gospel utterly different from the other three. It reflects the unique insights of the man who was closest to Jesus while he was on earth and is full of concern that we should not just know about what Jesus did but should also realize who he was. It reflects too John's burden: the believers in Jesus should not be side-tracked by erroneous teaching whether concerning Jesus' identity or the veracity of his claims. He wanted believers to be absolutely sure that eyewitnesses Jesus' own words and his astonishing works all point to one who was truly God come in the flesh: the living Word, the very glory of God among humanity. John's collected evidence and proof all make the most compelling testimony to Jesus' right to demand our ongoing trust and obedience. *The Gospel of John* Group, Group Publishing, Incorporated, 1990-09

Exploring the Gospel of John Dwight Moody Smith, R. Alan Culpepper, Carl Clifton Black, 1996-01-01 Every aspect of the study of John is represented in this book, including the historical origins of the Johannine community, the religious traditions in the Gospel within and beyond early Christianity, the Fourth Gospel's literary dimensions and theological concerns, and the distinctive challenges presented by the Gospel's interpretation.

And He Dwelt Among Us A. W. Tozer, 2010-10-26 Teachings from the Gospel of John. Many Christians are familiar with the prophetic voice of Tozer, but few living today were blessed to sit under his weekly teaching from the pulpit. The Gospel of John was Tozer's favorite book of the Bible, and the focus of these writings adapted from sermons given to his parishioners is the Incarnation and what it means for believers' lives. Christ came down to earth in order to lift men and women up into the heavenlies. No other New Testament writer, not even the amazing apostle Paul, presents Christ with a passion equal to John's. The Beloved Tozer captures the spirit of John and presents his winsome and enthralling portrait of Christ, challenging readers to discover a fresh and overwhelming desire for Him. Readers will be captivated anew by the One we call Lord. Available Fall 2009.

Preaching the Gospel of John Lamar Williamson, 2004-01-01 In this accessible treatment of the major themes of the Gospel of John, renowned New Testament scholar Lamar Williamson blends the best of biblical scholarship and a close reading of the Fourth Gospel to meet the practical needs of weekly preaching. A more reflective Gospel in which the risen Jesus speaks in signs and discourses, John does not simply tell stories but allows us to experience the Word and to see Jesus offering living water to the aridity of the institutional church and bread to the hungry hearts of individual disciples. More than mere exposition, *Preaching the Gospel of John* includes at the end of each passage three to five possibilities for preaching the text, creative and pertinent suggestions that can help preachers apply the words of the Fourth Gospel to the lives of today's churchgoers. Proclaiming the living Word is a major theme of the Gospel of John, and this clear and insightful commentary captures that message in the preaching moment.

John the Jewish Gospel Carroll Roberson,2016-12-30 The Gospel of John is unique among the Gospels It proclaims Christs love in a way the others do not It also contains a different selection of miracles and teachings from our Lord Most importantly John places special focus on the complete and simultaneous divinity and humanity of Messiah This is emphasized by the account being bookended between the powerful first chapter that reveals Christ as God the Creator and Johns nine chapter retelling of the events surrounding Jesuss passion and resurrection Over the centuries Christianity has become dominated by well meaning Gentile thought as the center of world culture has moved westward and anti Semitic prejudice has become subtly more prevalent As a result we have missed the rich depth of so many truths by not reading the Gospel of John from his point of view of having walked and talked with his Jewish Messiah and God in the flesh Most commentators approach Johns Gospel with a focus on expounding on the Greek language of the text From this point it is easy to wander into the realm of misunderstanding because Gentiles dissecting Gentile words leads to Gentile logic and analysis imposing itself on the fulfillment of the Jewish faith In John the Jewish Gospel Carroll Roberson invites the reader to get to know Jesus better by examining the text of John verse by verse and passage by passage from a first century Jewish perspective He does this with an open Old Testament and a wealth of biblical knowledge study and experience ready Carroll pays special attention to messianic prophesy and details within the text that come alive when viewed with an understanding of the culture of the time John the Jewish Gospel is a wonderful addition to the library of anyone who seeks to grow closer to Jesus the Messiah
