Gospel Of The Essenes:

The Discovery of the Essene Gospel of Peace Edmond Bordeaux Székely, 1977 The Essene Gospel of Peace Edmond Bordeaux Székely, 1974 The original Hebrew and Aramaic texts translated and edited by Edmond Bordeaux Székely

The Essene Gospel of Peace Edmond Bordeaux Székely, 1972 The Gospel of the Essenes of Peace by Dr. Edmond Székely Johanne T. G. Joan, 2024-05-23 Around 100 years ago in 1923 Edmond Székely came across a manuscript of unsuspected importance in the secret and dusty archives of the Vatican This Gospel contained a mystery whose words and sermons seemed strangely familiar almost as if they had been taken from the New Testament But the parallels soon ended there for the teachings of this gospel were clearly at odds with the established beliefs of the New Testament The Essene Anabaptist as I call him taught personal responsibility Whereas Christian doctrine presents man as fundamentally sinful and evil and therefore incapable of observing God's commandments and describes his quest for perfection as delusional presumptuous and arrogant The Essene Anabaptist revealed that perfection was man's goal on earth A bold statement that runs counter to the foundations of established religion In the New Testament Jesus affirms the harmlessness of eating meat whereas in the Essene Gospel we are asked to consider treat and protect animals as our brothers and sisters The Essene Gospel declares the eating of meat to be the greatest sin an attack on one's own body and soul In the New Testament Paul presents woman as a subject of man while the Essene prophet praises her as the psychic force of man that he should listen to And the earth itself which plays no part in Christian teaching is described by the Essene Baptist as our mother to be cared for and preserved from harm While the New Testament presents physical health as ephemeral and therefore undesirable the Essene prophet sees physical purity and health as the foundation of spiritual salvation He explained that all men were impure by nature but that they held the key to health happiness and perfection The Essene prophet was not teaching a new religion but a philosophy of life in harmony with nature He was translating the language of nature in which God has recorded his immutable laws which have lasted since the creation of the earth and

G. Joan,2020-05-19 This work is the product of seven years research based on historical documents that sets out to prove the authenticity and antiquity of the Gospel of the Essenes which for 90 years has been considered by theologians a forgery as the original manuscripts were lost Evidence is presented to show the Gospel of the Essenes to be the predecessor of the New Testament and thus about 2000 years old The Essene Prophet introduced the model of a brotherhood in that era and viewed the concept of this brotherhood on a universal scale as the only way to create lasting peace in the world The Secret of the True Gospel of the Essenes johanne joan,2020-03-26 When Monsignor Carlucci was appointed Prefect of the Vatican Secret Archives he received a key to a secret room from his predecessor In this room he discovered among old parchments of the Church Father Jerome a 2000 year old unknown Gospel written in Aramaic The Gospel of the Essenes which showed astonishing similarities with the writings of the New Testament A discovery that put his entire faith in the Bible to the test Together with his childhood friend and naturopath Gilberto they tried to find out the secret behind the Gospel of the Essenes The present book trilogy is a scientific work in the form of a novel It proves that the New Testament the basis of Christian doctrine is the strategically modified plagiarism of a Gospel that the Catholic Church calls a falsification The Gospel of the Essenes Based on writings from Qumran Nag Hammadi and from the Mar Saba monastery in Bethlehem it was possible not only to prove the authenticity of the Gospel of the Essenes but also to unmask the motive that led to its falsification as well as the clever and cunning strategy of forgery Through this work it was also possible to reconstruct the authentic Jesus words that were largely suppressed in the New Testament **The Secret of the True Gospel of the Essenes by Dr. Edmond Szekely** ,2024-06-06 Hidden in the depths of the past and nearly forgotten through the centuries the present trilogy reveals a truth that will shake the foundation of the Christian world Written with the precision of a scientist and the storytelling art of a novelist this work reveals a disturbing reality The New Testament the

cornerstone of Christian faith turns out to be a strategically modified plagiarism an echo of a gospel that was rejected as a forgery by the Catholic Church the Gospel of the Essenes Through meticulous research and analysis of ancient writings from the caves of Qumran to the hidden archives of Nag Hammadi from the silent halls of the Mar Saba Monastery in Bethlehem the author not only succeeds in proving the authenticity of the Essene Gospel He also uncovers the dark motive that led to the falsification of this scripture and exposes the cunning strategy that has veiled the truth for centuries This trilogy is more than a book it is a key that opens the gates to the lost words of Jesus words that were silenced in the New Testament What you find here are not just pages filled with text they are portals to a forgotten truth that is now after a long time brought to light Authenticated by numerous professors of theology as coherent this revelation has reached not only academic circles but also inspired the creative world Some of these scholars have even encouraged the author to immortalize his findings in a film Professor Robert Eisenman a renowned author and expert on early Christian history has not only expressed his support but also contributed a foreword that underscores the significance of this work He encouraged the author to further deepen his groundbreaking discoveries in a doctoral thesis to make the truth accessible to a wider public The Essene Gospel of Peace: The unknown books of the Essenes Edmond Bordeaux Székely,1981 **The Gospel of the Essenes** Edmond Bordeaux Székely,1937 **The Essene Gospel of Peace by Edmond Szekely** Edmond Szekely,2023-12-12 This work is divided into two main sections I The first section is dedicated to the Peace Gospel of the Essenes initially published by Edmond Szekely in 1937 Szekely claims to have discovered this Gospel in Aramaic language within the Vatican archives However the Catholic Church denies possession of this Gospel asserting that Szekely authored it himself The authenticity of the Essene Peace Gospel would pose a challenge to the Catholic Church as it reveals an entirely new version of Christian teachings fundamentally distinct from Catholic doctrine It is noteworthy that seemingly only one copy of this Gospel exists worldwide II The second section analyzes the historicity of the Peace Gospel through the writings of Nag Hammadi examining its authenticity by comparing it with texts from the New Testament and the Gospel of the Essenes These studies suggest that Szekely did not independently compose the Gospel of the Essenes After thorough investigation it has been determined that the Essene Gospel not only represents the first Christian message but also the one Moses taught the Israelites approximately 6000 years ago This message is not considered a religion but rather a life philosophy in harmony with nature Fragments of this Gospel can be found in the Old Testament with its original symbolic and allegorical meanings gradually lost over the millennia and transformed into concrete interpretations In the absence of an authentic Christian message humanity has embarked on a path leading to environmental and natural decay driven by power hungry individuals motivated by profit Rectifying the original Christian message could not only bring together religious representatives worldwide for discussions but also emphasize the overarching role of nature underscore the importance of our natural health promote respect for animals as our companions and advance the equality of all people **The Essene Gospel of Peace**
