The Gospels with Salt: Jesus Wildman-Jesus Woman Francis Gross,2005-05-27 This learned highly personal and blunt devotional commentary on selected passages in the four gospels is intended for both devotional and educational purposes It showcases a number of archetypal images of Jesus found in the gospels including Jesus as Wildman Jesus as feminine man Jesus as wounded healer Jesus as fiery prophet and Jesus as Trickster Contemporary readers church and unchurch will find The Gospels with Salt very informative and stimulating *Elenchus Of Biblica* 2005 ,1996 **The Gospel**

Gench,2004-07-19 Exploring six Gospel texts in which women encounter Jesus Frances Taylor Gench encourages us to view these stories anew through the eyes of contemporary biblical scholarship Summarizing and making accessible the work of a diversity of feminist scholars while also engaging many of the more traditional voices of the past she examines each story s language structure and literary and socio cultural context and recounts many traditional and contemporary interpretations In the process she opens up new possibilities for reading these texts Includes helpful questions for discussion *Day by Day with Jesus* John Killinger,1994 **Salty Wives, Spirited Mothers, and Savvy Widows** F. Scott Spencer,2012-12-19

Engaging feminist hermeneutics and philosophy in addition to more traditional methods of biblical study Salty Wives Spirited Mothers and Savvy Widows demonstrates and celebrates the remarkable capability and ingenuity of several women in the Gospel of Luke While recent studies have exposed women s limited opportunities for ministry in Luke Scott Spencer pulls the pendulum back from a negative feminist critical pole toward a more constructive center Granting that Luke sends somewhat mixed messages about women s work and status as Jesus disciples Spencer analyzes such women as Mary Elizabeth Joanna Martha and Mary and the infamous yet intriguing wife of Lot whom Jesus exhorts his followers to remember as well as the unrelentingly persistent women characters in Jesus parables **The Lost Teachings of Jesus: On the Sacred Place of Women**

Alonzo L. Gaskill,2023-02-14 The wife and the mother are the inappreciable treasures given unto you by God They are the fairest ornaments of existence and of them shall be born all the inhabitants of the world In the late 1800s a Russian explorer discovered another record of Christ s life and teachings guarded for centuries by the leaders of a monastery in Tibet Ancient traders recorded their experiences with Christ and His teachings and brought these records to India The explorer reported that these words were remarkable for their character of divine grandeur and were sublime words from the Master Himself Alonzo Gaskill presents this extra biblical text in which Christ expounds the divine role of women in the gospel and the family This book will help expand your appreciation and respect for women and their sacred part in God s plan Jesus and Marginal Women Stuart L. Love,2009-01-01 The Gospel of Matthew Recounts several Interactions between Jesus and marginal women The urban relatively wealthy community to which Matthew writes faces issues relating to a number of

internal problems including whether or how it will keep Jesus's inclusive vision to honor rural Israelite and non Israelite outcast women in its midst Will the Matthean community be faithful to the social vision of Jesus's unconventional kin group Or will it give way to the crystallized gender social stratification so characteristic of Greco Roman society as a whole Employing social scientific models and careful use of comparative data Love examines structural marginality social role marginality ideological marginality and cultural marginality relative to these interactions with Jesus He also employs models of gender analysis social stratification healing rites of passage patronage and prostitution This book employs a variety of social scientific models and includes chapters that respectively analyze contextual issues and specific stories of Jesus and women in the Gospel of Matthew Stuart Love persuasively argues that while the Gospel of Matthew does not advocate social and gender egalitarianism it does attempt to promote Jesus's vision of a new surrogate family of God that challenges the structures of the agrarian household This book is a welcome addition to studies on the Gospel of Matthew as well as those on women in early Christianity Alicia Batten Associate Professor of Religious Studies University of Sudbury Love's original studies of Matthean passages about women combine redaction criticism with Gerhard Lenski's macro social model of an advanced agrarian society and anthropological themes such as male and female space They show how the Matthean writer follows Jesus in granting dignity to women in a community as surrogate family Like the Matthean writer Love brings out of his treasure room old and new and like the Matthean disciples students and scholars alike will understand with new insight Dennis C Duling Professor Emeritus Canisius College Well of Living Water Magdalen Lawler, 2019-01-13 Magdalen Lawler discovered this icon of the Woman at the Well many years ago She has used it ever since as the inspiration for innumerable retreats and conferences Its appeal to her is that it seems to span the traditions of West and East with its lyrical beauty and its deep theology The icon has encouraged Magdalen to study the gospel passage in detail and to research many accounts of life in first century Palestine Now her research and retreats are brought together in this beautifully illustrated series of reflections on the Samaritan Woman at the Well *A Woman Jesus Can Teach* Alice Mathews, 2013-07-10 Discipleship is more than learning a routine It's an invitation to a relationship of love and trust allowing Jesus to do for you what you can never do for yourself *A Woman Jesus Can Teach* studies the lives of several women in the Gospels who were changed by an encounter with Christ Author Alice Mathews encourages you to see Jesus as a compassionate man who defied convention and took enormous risks to offer hope new life or a second chance to women In this large print book learn how to trust this Son of God align your priorities with Him and respond to His call **No Longer Silent** Susan Dehn Matthews, 2011-11-01 The story of Jesus of Nazareth has been called the greatest story ever told but what role do women play in that story In *No Longer Silent* author Susan Dehn Matthews attempts to highlight the women in the Gospels and provide the background behind those important women Matthews starts by noting that women in the Gospels were deliberately disempowered in order to maintain their presumed dependence both in Scripture and in society She then goes to

the give voice to the minds and hearts of the women of the gospels who have been marginalized or ignored altogether As she writes Each women whose story is recounted here is remarkable precisely because through the power of an encounter with Jesus she discovered within herself the Divine energy that allowed her to offer her unique gift to the world Some of the women Matthews writes about include Elizabeth Mary of Nazareth Mary at the Wedding of Cana The widowed mother of Nain The woman accused The mother of James and John The sisters of Lazarus The wife of Pilate Mary Magdalene and Joanna

Salt of the Earth Light of the World Peter Varengo, 2015-06 Jesus calls us to be salt and light in our world Salt and light are both important in our lives salt to add flavour and to preserve freshness light for our safe well being and to enable us to see clearly The call is for the disciples of the Lord to bring freshness and direction to the lives of others by the qualities we associate with salt and light They represent creativity confidence hope and openness to whatever God requires of us as disciples people who live for others being for them the signs and realities of God s presence and God s purposes One way we discern God s purposes within the long teaching tradition of our church is by listening and sharing the Scriptures broken for us each Sunday at Mass offered to us by faithful preaching of the Word of God or by thoughtful reflection in classroom and other settings The task of preachers teachers and commentators is somehow to bring the selected readings to life so that they connect with our lives as we gather to worship to listen to be strengthened and encouraged in our life of faith week by week This new series of reflections on the Sunday Gospels in the year of Matthew is not concerned primarily to be commentary on the text but on the message of the

text their purpose is not so much to inform as to inspire The reflections by a master craftsman are written to unpack the Gospel not simply Matthew s special theological emphases but his teaching about how we are to live with one another in the stuff of the everyday Integral to the book is the author s assumption that life and faith belong together that God who brings freshness and light in our lives is lavish with gifts patient and energising for goodness for fruitfulness for life in its fullness Here is a book that takes seriously the command of Jesus that we be life giving in our world encouraging us to become people fully alive with the energy of the life of the Creator The book is for priests and preachers parents and teachers and for all who seek the transformation and fullness of life that God offers us in the breaking of the Word and who have the courage and the wisdom to accept the challenge of the Word and incarnate its message in our daily lives Peter Varengo is a Salesian priest presently engaged in full time Adult Retreat Ministry He has been a professed religious for more than fifty years and a priest for more than forty He studied Theology at the Salesian University in Rome and Religious Education in Maynooth Ireland and in Boston College USA He has taught at Catholic Theological College in Melbourne and been involved in parish ministry for many years **At Jesus' Feet** Kirkie Morrissey,2000 For women caught in the frenetic pace of life this book can help them focus on growing to be more like Jesus While questions for thought and application are directed at individual readers each of the 12 lessons concludes with discussion questions for group use **Meditations on the Gospels** Ottokár Prohászka,1951
