Gosudarstvo I Pravo

George Ginsburgs

Gosudarstvo I Pravo:

Karl W. Ryavec, 2005 This unique study provides an original nitty gritty view of the true nature and operation of Russia's state bureaucracy from the imperial period to the present including the Putin presidency The only book length exploration of the problems and deficiencies of Russian bureaucracy since tsarist times this detailed work sheds important new light on Russian public administration an often overlooked but key barrier to Russian normalization and democratization **Soviet**

and East European Law and the Scientific-Technical Revolution Gordon B. Smith, Peter B. Maggs, George Ginsburgs, 2013-10-22 Soviet and East European Law and the Scientific Technical Revolution discusses the various perceptions and understandings of the scientific technical revolution STR and its effect on the legal systems of the USSR and the East European nations This book is composed 11 chapters and begins with a description of the relationship of the STR and law and how law is used as a means of manipulating the STR and directing its development The succeeding chapters explore the STR in the realm of ideas or doctrine relating to management theory and jurisprudence These topics are followed by discussions of the constitutional enactments influenced by the STR and the developments of administrative and labor laws The remaining chapters highlight the tangible results of efforts to shape the STR These chapters also look into the development of mechanisms for the transfer of technology between the Soviet Union and the Eastern Europe This book is intended for historians and the general public who are interested in scientific technical revolution **Introduction to**

Soviet Copyright Law Serge L. Levitsky, 1964 **Federalism, Democratization, and the Rule of Law in Russia** Jeffrey Kahn, 2002-06-13 Combining the approaches of three fields of scholarship political science law and Russian area studies the author explores the foundations and future of the Russian Federation Russia's political elite have struggled to build an extraordinarily complex federal system one that incorporates eighty nine different units and scores of different ethnic groups which sometimes harbor long histories of resentment against Russian imperial and Soviet legacies This book examines the public debates official documents and political deals that built Russia's federal house on very unsteady foundations often out of the ideological conceptual and physical rubble of the ancien régime One of the major goals of this book is where appropriate to bring together the insights of comparative law and comparative politics in the study of the development of Russia's attempts to create as its constitution states in the very first article a Democratic federal rule of law state **Theory**

of International Law Grigorii Ivanovich Tunkin, 1974 Monograph on the theoretics of international law as seen in the context of the concepts and principles of Marxism leninism covers the process of forming norms and the legal nature and essence of contemporary international law foreign policy and diplomacy the laws of societal development and international organizations legal status the general character and forms of State responsibility under international law etc and includes a bibliography of published works of Grigorii Tunkin 1938 to 1973 etc **Law And Economic Development In The Soviet Union**

Peter B. Maggs, 2019-03-04 In the past Soviet policymakers planners and jurists in their enthusiasm for economic and

technological development devoted little attention to the often negative consequences of modernization New concerns however have become apparent in recent literature statutes and decrees In this book political scientists and experts on Soviet law address many of those concerns analyzing the legal issues associated with economic modernization in the USSR The central themes of the book are the increasingly centralized nature of the policymaking process in the USSR and Eastern Europe and the marked tendency to rely on law as a principal mechanism for managing the undesirable consequences of scientific and technological progress The authors also assess the impact of the scientific technical revolution on Soviet East European relations and East West relations emphasizing the foreign policy consequences of increased financial and technological interdependence The study does not deal with narrow legalistic issues of technical progress rather its focus on policy questions reflects the inclination of Soviet and Eastern European governments to view those questions in terms of law and legislative activity and to see law as an instrument of social engineering Reforming Justice in Russia, 1864-1994: Power, Culture and the Limits of Legal Order PeterH. Solomon,2017-07-05 Measuring Russian legal reform in relation to the rule of law ideal this study also examines the legal institutions culture and reform goals that have actually prevailed in Russia Judgements about future prospects are measured adding new dimensions to our understanding of the Soviet legacy

Industrial Power and the Soviet State Stephen Whitefield,1993 This book analyses the relationship between economic power and political authority in the Soviet system In it Stephen Whitefield takes issue with those who think that communist politicians successfully dominated the economy and society He argues on the contrary that politicians efforts to build authority in the industrial sector were a key source of political instability and that perestroika was the last in a series of failed attempts by Soviet leaders to gain control of the behaviour of the institutions they themselves had created In an administered economy industrial organization is vitally important in structuring the interests and behaviour of social groups The dilemma for Soviet politicians was that their attempts to build authority over industrial actors destabilized society and ultimately resulted in the collapse of the Soviet state itself But industrial power has outlived the Soviet Union and this book concludes by showing how industry continues to exert a crucial influence on Russian government and society **Criminal Law at a Time of Change** Vadim Khilyuta,2024-10-12 The book examines the main problems of criminal law of post Soviet states through the prism of global institutional transformations in politics and economy development of new information relations and stagnation of society The main features and ways of impact of criminal law on social relations are revealed where criminal law is given a new global function ensuring security For this reason attention is focused on the essence of crime and criminal law impact Modern mechanisms of instrumentalisation of criminal law are shown by means of changing the philosophical bases of legal research projecting science on global problems of implementation of unified standards expanding the boundaries of criminal law shifting the emphasis from the institution of punishment to measures of criminal legal impact moving away from material constructions in the concept of crime and developing its formal attributes with the

prospect of introducing the institution of criminal law into national legislation The Perestroika Era and International Law Kaj Hobér, 2024-12-09 This insightful book explores the Perestroika era 1985-1991 considered to be one of the most eventful periods in modern history and in particular the ways in which it affected the Soviet approach to international law *Capital Punishment* Peter Hodgkinson, Andrew Rutherford, 1996 An analysis of the use of the death penalty across the world together with the underlying arguments This book ranks as the original in depth treatment by the Director of Studies at the Centre for Capital Punishment Studies University of Westminster and another leading academic plus leading commentators from around the world including the USA North America's Michael L Radlett William A Shabas and Hugo Adam Bedau **The Citizenship Law of the USSR** George Ginsburgs, 2024-12-02 In 1968 the predecessor of this volume was published as Number 15 of the Law in Eastern Europe series under the title Soviet Citizenship Law The decision to put out a new version of that study was prompted by the enactment in 1978 of the Current Law on the Citizenship of the USSR and the various changes in Soviet practice in this domain which occurred in the intervening decade I have drawn on the earlier work for background material and in order to make comparisons between the previous record here and the substance of the latest statute However the present monograph is not a second edition in the sense of being an expanded and updated revision of the original but stands as an independent piece of research and analysis Thus three of the chapters out of a total of six featured in the 1968 volume citizenship and state succession state succession and option of nationality and refugees and displaced persons have now been omitted for the simple reason that the situation in these areas has remained virtually static during the past ten years so that the initial treatment requires no significant alteration On the other hand fresh problems have meantime arisen such as for instance the connection between citizenship and emigration and the relationship between citizenship status and the international protection of human rights which called for attention and are dealt with in this book The Law of Outer Space Manfred Lachs, 2010-09-10 Manfred Lachs famous treatise on the Law of Outer Space was originally published in 1972 yet it is still a classic and must read text for space law students today Issued on the occasion of the 50th anniversary of the International Institute of Space Law of which Lachs was President this volume reproduces the original text of Lachs work in full with a new preface introduction and index supplied by the editors *The Gorbachev Factor* Archie Brown, 1997 The author writes about Gorbachev both as the statesman and as the man He explores how an ordinary man can become a world leader wielding enormous power **The Limits of Russian Democratisation** Alexander Domrin, 2006-04-18 Written by an established scholar in the field this text examines the nature of emergency powers and their use in the Russian constitution It explores the use of such powers in Russian history comparing the Russian situation with those that exist in other countries and discussing the legal thought underpinning such powers The practicalities and theories of emergency orders are traced throughout history with Domrin arguing that the longer an emergency regime lasts the less effective the measure becomes With original research and remarkable insight this text will be of interest to scholars

examining the new Russia its rulers conflicts and motives as well as its political systems

Law and the Making of the Soviet World Scott Newton, 2014-11-20 This book is an unconventional reappraisal of Soviet law a field that is ripe for re evaluation now that it is clear of Cold War cobwebs and as this book shows one that is surprisingly topical and newly compelling Scott Newton argues here that the Soviet order was a work of law Drawing on a wide range of sources including Russian language Soviet statutes and regulations jurisprudence legal theory and English language legal Kremlinology this book analyses the central significance of law in the design and operation of Soviet economic political and social institutions In arguing that it was an exemplary rather than aberrant case of the uses to which law was put in twentieth century industrialised societies *Law and the Making of the Soviet World* The Red Demiurge provides an insightful account of both the significance of modern law in the Soviet case and the significance of the Soviet case for modern law

Local Government in the Soviet Union Cameron Ross, 2024-04-12 *Local Government in the Soviet Union 1987* analyses the Soviet Union s limited success in improving local government between in the 1960s to 1980s as the country made a drive toward centralized policy control It examines the institutional framework and changes in crucial policy areas and argues that a fragmented vertical power structure involving the three bureaucracies of Party ministries and the city and regional soviets was unproductive It shows how group interests moulded and adapted policies and how the Party s initiative in centralizing policy was thwarted It also outlines the significance of the industrial base in determining local budgets and the provision of amenities as opposed to overtly political factors

Marxist Ideology and Soviet Criminal Law R.W. Makepeace, 2024-11-26 *Marxist Ideology and Soviet Criminal Law 1980* is about differences between theory and practice in the Soviet Union It looks at the ways in which the theory of Marx has changed and been changed through the lens of criminal law the major way in which social controls are exercised by the State

Local Democracy in Post-Communist Europe Harald Baldersheim, Michal Illner, Hellmut Wollmann, 2013-04-17 Der englischsprachige Band führt ein in die Lokal und Regionalpolitik der mittel osteuropäischen Reformländer Der Band beleuchtet aktuelle Probleme der Kommunal und Regionalpolitik in den Ländern Mitteleuropas einschließlich Russlands Zentral sind Fragen der Beziehungen zwischen zentraler regionaler und lokaler Politik und Verwaltungsebene der lokalen Demokratie und Partizipation sowie Fragen der Verwaltungsmodernisierung

Law in Transition Ferdinand J.M. Feldbrugge, 2021-10-25 The states of Central and Eastern Europe have to different extents and with varying levels of success engaged in the transition from authoritarian rule The reconstruction of democratic law based governance has turned out to be a lengthy and at times frustrating process The agenda for post communist reform contains many entries yet a transition blue print is not available The papers collected in this volume explore the implications of the transition process in various areas While not all aspects of post communist law are covered several crucial issues receive an in depth treatment These are the development of supra governmental systems the procuracy minority rights contract law land ownership and industrial property rights Displaying remarkable scholarly as well

as practical legal expertise the various contributors to this volume illustrate the problems in and the potential of these policy areas

Gosudarstvo I Pravo Introduction

In the digital age, access to information has become easier than ever before. The ability to download Gosudarstvo I Pravo has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Gosudarstvo I Pravo has opened up a world of possibilities. Downloading Gosudarstvo I Pravo provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Gosudarstvo I Pravo has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gosudarstvo I Pravo. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Gosudarstvo I Pravo. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Gosudarstvo I Pravo, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gosudarstvo I Pravo has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Gosudarstvo I Pravo Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
