

Gourmet For Everyday Occasions

H Kauffman

Gourmet For Everyday Occasions:

Gourmet for Everyday Occasions Christopher Crawford, 2005-09-12 The book was a culmination of 4 years of menu writing by the author. All together he has written 350 menus and going through them to make sure the short cuts and tricks work for everyone not just the elite. His intent with this book was to get everyone back into enjoying food and preparing food in different ways and using different ingredients that would normally not be known to go together. His book will show you classical soups and stocks just so you have a base to start with and they are broken down to the simplest form as well very easy to follow and to make. He has some classical dishes that he has changed after doing them and finding that people he has cooked for really enjoyed them. His techniques are classical but his ingredients aren't classical. In this book you will see how he pairs meats with fruit to make them go together as if they were made for each other. He has a way of making ingredients that would normally not be thought of in the ways he describes blend smoothly and he wants everyone to be as comfortable with them as he is. He has 96 recipes in this first book of a planned 3 for menus. He also goes into the history of ingredients as well so that you know when they were used in the culinary world. He will get more in depth with wines in the follow up book as well. He hopes you enjoy his book. He has enjoyed writing it and is hard at work writing the other cook books as well.

New York Magazine, 1983-10-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.
