**For Those of Us Waiting on That Day!** Ann Dillon, 2015-08-20 Anyone that has had a loved one go home knows the pain and sorrow that can overwhelm them The loss of a loved one can send you into a deep abyss of pain and sorrow Do you wonder where your loved one is What is he or she doing What is Heaven like How do you find comfort in the pain Where is God when it hurts This book was written as the author found herself asking the same questions when while still grieving the loss of her dad her strong healthy husband had a sudden heart attack On November 2 2011 her husband of thirty eight years was called home to heaven Trying to hold on to her faith while reeling from shock and grief she threw herself into studying God's Word and holding on to her faith while she tried to seek answers and comfort Being unable to find a devotional that was specifically for grieving Christians lead her to write her first book You will find comfort and assurance that you will be reunited with your loved one in the scripturally based devotions as you read what God has laid on her heart Ann gives you a daily devotional that helps you focus on heaven God's sovereignty and everlasting love eternity and that glorious day we will be reunited with our loved ones and help you find comfort and an eternal perspective as you wait on that day Better by Far Hazel Hayes, 2024-04-23 One of Zibby Mag's Most Anticipated Books Coming Out in 2024 One of SheNet's Highly Anticipated Books of 2024 A genre bending story about love and loss hope and heartbreak and the healing to be found in life's little limbos those in between spaces where you're no longer who you were and not yet the person you will be About her debut *Out of Love* Hazel Hayes said The journey from writing horror to writing love stories was a short one There is nothing more horrific than love In her new novel she sets out to prove it This genre defying meta modern novel is unlike anything you have ever read and yet at its core it is a story we all deeply understand A story of love and liminality and the ways in which grief grips us all Prepare to laugh and cry Hazel Hayes will break your heart but then she'll mend it for you Following a breakup Kate and Finn decide to keep sharing their house until the lease runs out in twelve weeks time alternating week by week so that they are occupying the same space but never at the same time Practically the plan makes sense but coming back each Sunday to a home where Finn has been and gone feels far too much like living with a ghost Kate lost her mother at a young age and now this fresh grief dredges unhealed sorrows up to the surface and soon Kate finds herself adrift in her own subconscious trapped in the liminal space between loving someone and letting go *Better by Far* by Steve
