

MEMORIES

Death leaves heartache
No one can heal.
Memories are treasures
No one can steal.
Some may forget you
Now that you are gone,
But we will remember
No matter how long.
You will always stay
Loved and remembered,
In every way.
No tears, no verse,
Can ever say how much
We miss you every day.

Heaven Thinking Now About Forever:

Dead Soul Syndrome Jay Altieri, 2010-08-01 Most Evangelical Christians only know and thoroughly believe the traditional doctrine of eternal torment in Hell for the lost and eternal bliss in Heaven for the saved As a result they neglect scores of Bible verses with that provide an alternative teaching This book veers from some long held assumptions while reinforcing others as it humbly attempts to discover the truth of what the Bible teaches about the hereafter Written for the serious layman scripturally founded clergy and open minded scholar Dead Soul Syndrome provides wisdom and thought provoking insight for those interested in thinking anew about heaven and hell

Animals in Heaven- Fantasy or Reality Arch Stanton, 2006-06-02

Animals have been with us since the state of existence or being The bible tells us God created the animal kingdom for his pleasure When God created the heaven and earth and all life that exist he obviously saw a need for animals or they would not be here Why God created them in the shapes and forms as they were we do not know the choice was his and as I mentioned He chose to do so in a way that pleases him Animals have a mind that gives them the ability to think and have feelings Animals have a certain intelligence we do not possess such as an internal guidance system Both dogs and cats have this ability and I would imagine there are other animals as well God created everything with a purpose and a need the animals kingdom is one such example Many people believe God s purpose for animals is to serve humankind and upon death they are to perish with no possible chance for eternal life However does the bible teach this In the first chapter of the book of Genesis the bible tells us God considered the animals a creation that was very good he was pleased with them Many people consider the life of an animal as having a very small worth To them an animal just lives and dies Many people have the attitude of so what The bible tells us God doesn t care for an attitude such as this because he values the life of his animals very much Throughout the entire bible the information found pertaining to the animal kingdom is very precise The bible tells us the animals are to be forever God had this intention when he created them and this application of thought remains today and forever The bible never mentions mankind alone is to receive eternal life How different would our lives be without animals There would be no pets for those who are lonely and without family There would be no zoos for family outings There would be no circus acts with animals There would be no dog as a best friend There would be no Seeing Eye dogs There would be no animals to alert their owners of an ever present danger during the night such as fires burglars etc I believe we simply overlook the fact there is a purpose for all of God s creatures The purpose for this book is to reveal the truth in what the bible tells about the animal kingdom We need to know God s purpose for them The bible explains in detail God s plan for his animals even after death God wants us to know about them or he would never have emphasized their importance in his word Many people are

reluctant to discuss the animal kingdom from a biblical point of view I find this strange to say the least God has included them in his written word but many ministers will say very little if anything about them The scriptures in this book are from the King James Bible What the bible tells us is 100% accurate and lest we never forget God simply made no mistakes in his word The bible is never contradictory We will read scriptures that clearly explain that animals will be in heaven and why God wants them to be there with us If we had the power to give our pet s eternal life would we want the life of our animals to be temporal If God loves his animals more than we could ever love them shouldn t this type of love indicate his love for them is tremendous Since we know God can give animal s eternal life could be there any single reason to give them life that would be only temporary First we should know the bible is not dull dismal or neutral The bible is not an area between two extremes having mingled characteristics of both of them a situation in which there are no clear cut distinctions The interpretations of scriptures have been defined several ways over the years and this has cause confusion in many churches We will read scriptures about the animal kingdom that many of you may not know are in the bible We will read scriptures that are clearly stated to mean one thing and one thing only and that is Animals are to be in heaven By the time you have finished this book you will have a better understanding for the purpose of the animal kingdom You may then decide if the scriptures do indeed tell us animals have a soul do they have a spirit did God create them with a purpose in this life is he going to give them eternal life With God s help you will decide For more information please visit www.dutchman3d.com *You Think You Know...but you have no idea* Carly Castillo,2022-11-03 This little book is like the answer key for the Big Book If you have ever wondered who is actually a true Christian in God s eyes this book has the answer If you have ever wondered who is going to Heaven and how exactly they are going to get there this book has the answer Too often God is represented as who we say He is instead of who He says He is If God is real and He is who He says He is then the final answer always comes from Him and never from us If God is not who He says He is then there is no reason for you to read this book at all The author takes words from God s own mouth and discusses these logical problems using one part critical thinking and one part simple explaining Who is God and what does He save us from When does He save us and how Most shockingly why does He do it If we understand who God is what are the implications for how we live our lives Does it make a difference if we vote Republican or Democrat Can we have an abortion Do we have to go to church If you re not Christian do you think Christians are hypocrites Do you think they can t think for themselves Do you think they have drunk a whole lot of that sweet red drink You think you know but you have no idea *The Little Review* Margaret C.
