Heaven Is A Playground:

Heaven Is a Playground ,2004-01-01 In 1974 Rick Telander intended to spend a few days doing a magazine piece on the court wizards of Brooklyn's Foster Park. He ended up staying the entire summer becoming part of the players' lives and eventually the coach of a loose aggregation known as the Subway Stars. Telander tells of everything he saw on the court, flash the off-court jargon, the late night graffiti, the tireless efforts of one promoter-hustler-benefactor to get these kids a chance at a college education. He lets the kids speak for themselves revealing their grand dreams and ambitions but he never flinches from showing us how far their dreams are from reality. The roots of today's inner city basketball can be traced to the world Telander presents in *Heaven Is a Playground*, the first book of its kind. **Heaven Is a Playground** Rick Telander, 2013-09-01 *Heaven Is a Playground* was the first book on the uniquely American phenomenon of urban basketball. Rick Telander, a photojournalist and former high school basketball player, spent part of the summer of 1973 and all of the summer of 1974 in Brooklyn living the playground life with his subjects at Foster Park in Flatbush. He slept on the floor of a park regular's apartment, observing, questioning, traveling, playing with, and eventually coaching a ragtag group of local teenagers whose hopes of better lives were often fanatically attached to the transcendent game itself. Telander introduces us to Fly Williams, a playground legend with incredible leaping ability and self-destructive tendencies that threatened to keep him earthbound. Another standout was Albert King, a fifteen-year-old phenom whose shy, quiet demeanor masked an otherworldly talent that eventually took him to the NBA. This edition also includes Telander's perspectives on the arrival of an NBA team in Brooklyn. *Heaven Is a Playground* is one of a kind, a funny, sad, ultimately inspiring book about Americans and the roots of the sport that they love.
