Heaven's Touch James B. Kaler, 2022-11-29 A breathtaking account of how the surrounding cosmos impacts life on Earth Did you know that as you read these words showers of high speed particles from exploding stars are raining down on you As you gaze into the starry sky you might feel isolated from the Universe around you but you re not This book reveals the startling ways life on Earth is touched by our cosmic environment and demonstrates why without such contact life itself wouldn't be possible Heaven's Touch embarks on an unforgettable journey across the cosmos beginning in near space with a look at the gentle ebb and flow of lunar and solar tides Acclaimed astronomer James Kaler describes their subtle effects on our world and also explores the Sun's more potent influences such as solar storms that cause auroras give comets their tails and knock out power grids on Earth He ventures across the Solar System to consider how the planets can act to produce climate change even global disaster Kaler shows how Jupiter's gravity can throw asteroids toward potentially devastating collision with Earth and how even our whole Galaxy might hurl comet storms at us He then takes us into deepest space to describe the cosmic rays launched at us from exploding stars and considers not just how these exploders might harm us but how they also join together in the creation of stars and how they serve to populate the Universe with the very building blocks of life Informative and entertaining Heaven's Touch reveals how intimately connected we really are with the dynamic Universe in which we live Heaven's Touch Jillian Hart, 2010-11-15 HER FALLEN HERO Special forces soldier Ben McKaslin returned home with a bum leg a bad attitude and his career in tatters Then in one defining moment an emergency had him leaping instinctively to the rescue and locking eyes with the captivating woman he d left behind Could this have been God's plan all along After her own crushing setback Cadence Chapman had learned to embrace life to the fullest But she d also learned how to safeguard her heart Yet as sparks reignited between her and Ben while he rehabilitated she realized she still loved him to the depths of her soul Dare she pin all her dreams on this embittered military man who had no idea how blessed he truly was Morning light [afterw.] The New-Church weekly ,1884 Touch Not the Nettle.
