Heavenly Detour:

Deadly Detours, Heavenly Highways Bob Briner, 1996 Abortion The homosexual agenda Prayer in public schools We Christians have pushed these political and social issues to the forefront of our agenda as we fight to change America's attitude toward them But in doing so we're expending enormous amounts of time energy and money Is this a productive use of our resources Bob Briner doesn't think so He labels issues like these deadly detours priorities that divert Christians from their true calling to share the Gospel At best deadly detours steal resources from missions At worst they drive people away from Christ rather than attract them to him In *Deadly Detours* Briner calls us back from our sidetracks to the main track of winning souls With so much vital work to do and with so many souls dying without ever having heard a solid presentation of who Jesus is and why he came it is appalling that Christians spend so much of God's resources on non issues he writes We must reexamine our priorities measuring everything we do against what we are uniquely and specifically called to do as followers of Christ *Deadly Detours* will help you find your way through today's maze of moral issues to the one cause that is straight essential and eternal the cause of Christ and the Gospel of the kingdom BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Heavenly Detour Angelica Kate, 2020-01-17 When Taryn's ex threatened her daughter she picked up and ran With no support system in her small Midwest town she headed south to a fresh start for them Harmony FL was another detour along her path to an uncertain future a place to lay her head and experience the beach and ocean for the first time in her life What she did count on was that her detour off the main road might end up being the path she was supposed to take all along From the two elderly eccentric keepers of Beach House the beautiful Lyra that becomes a confidant and therapist and a never ending stream of interesting characters to the beach front B B Taryn never lacks for new and exciting chapters in her book of life When the past comes threatening the repercussions may have her running once again This time she will be leaving a family a community and a sheriff willing to give his life to protect her Harmony though may be the single place on earth where heaven and earth meet and guardian angels abound to help guide Taryn and her daughter into the destiny that was always waiting for them If only she is brave enough to stop running and appreciate all the gifts one tiny detour brought into her life *The Pleasures of Abandonment* Paul Fleming, 2006 **Detours** Violetta L. Heavenly Torah Abraham Joshua Heschel, 2005-01-01 His most ambitious scholarly achievement, his three-volume study of Rabbinic Judaism, is only now appearing in English.

Letting Go of Heaven Laura Steffens, Adina M. Kring, 2019-03-26 Adina had no idea an allergic reaction would set her on a course towards Heaven. Experiencing anaphylaxis, her airway closed, her heart stopped, and she lost consciousness. Unaware of efforts to resuscitate her, she toured heaven after encountering an old friend who died only months before. While being ushered from room to room during this heavenly visit, doctors told her family she was brain damaged and would never return to her former self. Read about her miraculous journey and return to everyday life while learning to let go of heaven.

Heavenly God Sovereign Lang ShuDaDa, 2020-06-13 His father was killed, his family was annihilated, endless humiliation struck his soul, heaven and earth were unable to accept this hatred. The iron-blooded youth went against the will of the heavens, his status was poor, and he descended to the underworld where he roamed the world of the undead, where he turned into the god of slaughter and massacred the heavens.

Heavenly Holy Hell Yvonne Annette Curtis, 2024-06-30 Heaven is just as much part of earth as Hell is. Heaven wasn't always peaceful, and Hell never will be at peace. Hell and Heaven are part of life as we journey through it daily as we face our trials and tribulations. Life is what you make of it, but it is what it is. Heaven is real, and so is Hell. Despite what goodness lies ahead, evil always presents itself within. There is a God despite what many believe. There is always a higher being above, spiritual but mysterious. Mankind didn't make

the world they re just made to help keep the world going Many don t believe in a God but all believes there is a devil But many people despite their belief find themselves calling on God in situations where those who believes knows who God is and what he can do But through everything it matters how you choose to live your life and treat people We re here for one another to love help and respect in a way we would want for ourselves We are not here just to live a life we are all here for a purpose We were created out of love and without our choice God chose our families our gender our skin tone as he saw fit God didn t make us to be superior or inferior over others because of our gender our skin tone or because we have or have not Money and power can t give you the peace of mind the happiness you deserve nor the love you desire because the more you get the more you want But prayer is powerful and so is faith In this life the good goes with the bad We can t live this life alone not needing somebody at some time or another You re not liable for how people treat you but you are held responsible for how you treat them Forgiveness and reconciliation is deep and can be a burden uplifted It pays to live life at your best doing what s right than living with regrets We reap what kind of life we sow and what goes around comes around both the good and the bad Jesus was once a kid and did kid things until he reached adulthood he put childish things behind And God like any real father don t want to see their kid suffering or hurt as he saw the people mistreat his son on earth But God being a compassionate forgiving and loving God accepted his son plea to help bring mankind back to him at whatever it took Jesus loved us so much despite our attitude and behavior that he gave up a peaceful life in heaven to come to a condemn world to save us from being destroyed Satan always envied Jesus but he knew Jesus didn t deserve to be mistreated although him himself tried tempting him as he has done to mankind and the angels in heaven Jesus took the abuse tolerated the lies bears the cross and dies out of love for us Satan is desperate for power and control that he only can gain through the people sinful ways Satan would go through any attempt to get people to give him their soul through lies and temptation Although Satan preys on the weak and vulnerable He doesn t make anyone do anything he just makes bad look good and revenge looks rewarding He knows how to manipulate and deceive you He uses your mistakes and past of secrets against you But through all and in the end good always wins one way or another This book is about life and the things we go through It tells you there s nothing new under the sun even through the different eras of time Most of all it tells you that God is and will always be and that he says what he means and means what he says Detours Clark Cothorn,2011-05-04 Have you experienced those times in life when you re zooming along on a course bound for your destination when suddenly CLANK some outside force beyond your control be it accident event circumstance or someone else s decision or action changes your direction Then off you go down another road one you wouldn t otherwise have traveled Maybe you re in the midst of a detour right now The road is rough The scenery is strange The landmarks are unfamiliar Clark Cothorn invites you to travel with him on a few of his detours and discover a renewed sense of purpose Yes He is Lord of those smooth wide interstates in your life But He is also Lord of the detours *Footprints To Heaven* Kathryn Draper,2019-04-26 Would one agree that their past may have

influenced their primary decisions in life Does one wonder what life would have been like under different choices or circumstances For the record the author answers yes to both questions Regardless a person can only imagine the alternative because the future is known to God alone In *Footprints to Heaven* Kathryn takes the reader on an interesting detailed and eventful journey into her childhood and adult life In addition she mentions certain unfortunate events that had impacted her life for years Therefore specific details may be alarming to the reader In spite of it all Kathryn had developed courage strength and determination to overcome the adversity that tried to divert a meaningful and productive existence The book will also divulge the author s choice to live a lesbian lifestyle provide explanations and hopefully answer any concerning questions for the reader Kathryn s condensed history will invite the reader to consider a profound decision accepting Jesus Christ as Lord and Savior of their life The author s personal relationship with Jesus Christ is the main basis for the book Kathryn outlines her lifesaving decision to follow Jesus Christ the transformation and deliverance process the free choice to live in her car for several years and the humbleness and joy from the whole experience Most importantly Kathryn learned to be less independent Instead she has learned to depend and trust God in all things *Rules of Heaven* Zhu Bajie,2020-04-01
