other humans in historical times and yet be the ancestors of every living person as traditional Christianity has always taught. This theory was first published in book form in 2019 but Jon Garvey, familiar with it from its early days, believes it helps confirm the Christian account of reality by giving it a solid foundation in science and history. In this book, he argues that the long existence of other people before and alongside Adam was in all likelihood known to the Bible's original authors. This conclusion helps build a compelling biblical big story of a new kind of created order, initially frustrated by Adam's failure but finally accomplished in Christ. This new creation theme complements that of the old creation covered in his first book, *God's Good Earth*. The two together contribute to a unified and fully orthodox understanding of the overall message of the Bible.

A View from Above J. W. Murphy, 2014-10-10. Imagine what your Christian development would be like if you grasped the true character of God: you were captivated by appreciation of and love for God's Word; you were not frightened away by the haunted house of Revelation; you appreciated how the early church's experience influenced the message of Revelation; you understood how various viewpoints on Revelation developed over time; you enjoyed a perspective which prevents tunnel vision; you understood viewpoints about which you were previously unaware; you esteemed fellow believers who have different understandings of Revelation; you appreciated how the meaning of Jesus' sacrifice is pictured in Revelation; you practiced the message of Revelation in everyday life; you were strengthened by an unshakable faith in God; your faith was heartfelt and growing rather than formal or ritualistic; you were strong enough to stand firm in the face of any and all spiritual opposition; you were known for your moral and spiritual purity; you were able to resist the seductions of our culture; you demonstrated the sacrificial style of Jesus rather than the self-serving style of society; you enjoyed the blessings of those who keep the words of Revelation's message; your anticipation of Jesus' return rose above a distracting concern with earthquakes, wars, and developing social events; you appreciated your present and future spiritual realities; you were eager rather than fearful about the future; you enjoyed the depths of the relationship toward which God is moving us.
