The Heavenly Twins, Volume 1 Sarah Grand, 2006-05-01 *The Heavenly Twins* Madame Sarah Grand, 2008-12 Madame Sarah Grand 1854 1943 born Frances Bellenden Clarke was a feminist writer active from 1873 to 1922 in the United Kingdom of Great Britain and Ireland Her work dealt with the New Woman in fiction and in fact she wrote treatises on the subject of the failure of marriage and her novels may be considered strongly anti marriage polemics For some women the New Woman movement provided support for women who wanted to work and learn for themselves and who started to question the idea of marriage and the inequality of women For other women especially Sarah Grand the New Woman movement allowed women to speak out not only about the inequality of women but about middle class women s responsibilities to the nation In *The Heavenly Twins* 1893 Grand demonstrates the dangers of the moral double standard which overlooked men s promiscuity while punishing women for the same acts More importantly however Grand argues in *The Heavenly Twins* that in order for the British nation to grow stronger middle class women had the responsibility of choosing mates with whom they might produce strong well educated children [The Cult of the Heavenly Twins \(Classic Reprint\)](#) J. Rendel Harris, 2017-11-23 Excerpt from *The Cult of the Heavenly Twins* A small and apparently restricted subject has grown more pldly to a large and varied one than the enquiry into the meaning of the third sign of the Zodiac which goes by the name of the Heavenly Twins The average man s knowledge about them would probably be nearly the same as that of a schoolboy who understands that one section of the Zodiac is marked by two bright companion stars whose names are individually Castor and Pollux and collectively Gemini the Twins and that Castor and Pollux are a couple of deified heroes whose chief achievement on earth was to win the battle of the Lake Regillus for the Romans and so to furnish material for one of Macaulay s spirited Lays of Ancient Rome Beyond that all is a blank the schoolboy may indeed be closer involved than he knows with the history of the Twins his ejaculations may sometimes take the form by jiminny without his recognizing that an appeal is being made in a forcible manner to the Twins as the guardians of public faith and the avengers of acts of perjury but even if he had recognized the connexion between his own slang and the ancient piety it would probably be some time before he detected the reason for the connexion in the portions of the ancient Roman history and literature which it was his duty to read When however we examine the legends of the Twins more closely passing over from the Roman world to the Greek world and so to the further East and the Indian literature the qualities About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [The](#)
