Wunrow, 2025-06-12 Stephen Wunrow addresses the pressing question of what the author of Hebrews meant by his descriptions of heaven arguing that the author intended his references to heavenly space to be interpreted as realistic descriptions of a real place Wunrow posits that language about heaven is neither metaphor nor a description of a place outside the creation by examining other early Jewish and Christian texts that narrate or describe humans ascending into heaven Given the nature and the function of heavenly space as described in these texts Wunrow suggests it is most probable that the authors of the texts intended their descriptions of heavenly space to be understood as realistic Wunrow thus explores 1 and 2 Enoch 4 Ezra 2 and 3 Baruch the Apocalypse of Abraham the Testament of Levi the Testament of Abraham the Ascension of Isaiah and Revelation investigating how other roughly contemporary authors described heavenly space and considering that the rhetorical aims of most of these authors fail unless their readers understand their descriptions of heavenly space in realistic ways Turning then to examine Hebrews Wunrow suggests that while the letter does contain unique features and rhetorical aims it also fits comfortably with other early Jewish and Christian texts that describe humans ascending into heaven in a realistic manner He concludes with reflections on how this conclusion helps to clarify other topics in Hebrews including atonement and eschatology *The Awesome Book of Dog Humor* Bob Phillips, 2009-06-01 Funny bone humor has gone to the dogs And humans will forever be grateful as they roll over with laughter at cartoonist Jonny Hawkins crack up drawings and bestselling joke master Bob Phillips pack of doggone good riddles happy tails to you sled dog humor What do you get when you crossbreed hilarious combos canine quotes and quips tales full of delightful puppy plots Perfect for dog lovers and humorists of every breed Whoever buys this will forever be out of the doghouse **The Awesome Book of Cat Humor** Bob Phillips, 2009 Curiosity got the cat and humor will get readers when they pick up a copy of this spectacular collection of cat humor from cartoonist Jonny Hawkins and bestselling jokester Bob Phillips A litter full of clever quotes Tail chasing laughs What cats really think Kitty riddles Festive feline funny stories Page after page provides nine lives worth of laughs for readers of every age **A Positive Plan for Creating More Calm, Less Stress** Karol Ladd, 2005-07-10 Busy Hurried FRAZZLED A mom's life is anything but tranquil With multiple responsibilities as caretaker taxi driver short order cook and domestic servant what most women need in life is more calm and less stress More Calm Less Stress provides that positive biblically based plan to help
